The Road To Damascus: Unveiling the Heart of a Man Nicholas Carl Moore, 2011-11-16 It is the deep waters of divine revelation of the hearts of men compiled through exhaustive interviews and countless conversations who have encountered succumbed to prevailed and been empowered by the truth of their own testimonies Every man has a story Everyone has something to say Not everyone is eloquent of speech Some people talk too much Many are silent and have more to say in their silence than the most vocal of us all Everyone has a sound **On the Road to Damascus** William Blencoe, 2021-03-25 Rumour has it that Jesus survived the cross and lived on Some even say that he went on to live a normal life that is to marry and have children One of the most intriguing questions is what happened to his body It left the tomb and was resurrected it rose to heaven along with the spirit of Christ to join the creator has been the explanation for over two thousand years But aren't the body and soul separate Isn't our spiritual existence different than our physical being What use would a rotting mass of flesh be the risen Christ Very little some may say And for God's sake how did a ten stone mass of flesh disappear into oblivion We have all studied science at school so could this really have happened Remember it was God who set the ground rules for creation in the first place the almost unchallengeable laws of physics and mathematics which seem to govern the

universe and all of creation and have done since the beginning of time trillions of years ago So why only two thousand years ago did the Creator alter these ground rules It was a miracle some may say They may be right who knows none of us living today were there were we Perhaps there was another explanation equally as miraculous yes perhaps the Lord Jesus did survive the cross and live on to spread the word
