Corvi, Ian F. W. Beckett, 2020-01-31 The senior British generals of the Victorian era men like Wolseley Roberts Gordon and Kitchener were heroes of their time As soldiers administrators and battlefield commanders they represented the empire at the height of its power But they were a disparate sometimes fractious group of men They exhibited many of the failings as well as the strengths of the British army of the late nineteenth century And now when the Victorian period is being looked at more critically than before the moment is right to reassess them as individuals and as soldiers This balanced and perceptive study of these eminent military men gives a fascinating insight into their careers into the British army of their day and into a now remote period when Britain was a world power **To the Heart of the Nile** Pat Shipman, 2024-06-11 In 1859 at age fourteen Florence Sz sz stood before a room full of men and waited to be auctioned to the highest bidder But slavery and
