Road To Appomattox

Bell Irvin Wiley

Road To Appomattox:

The Road to Appomattox Robert Hendrickson, 2001 A description of the military operations of the Civil War includes analyses of the leadership and strategies of both sides of the conflict *Road To Appomattox* Bell Irvin Wiley, 1994-06-01 Originally published forty years ago Bell Irvin Wiley's *The Road to Appomattox* marked one of the first efforts by a Civil War scholar to identify the internal causes of the South's defeat Today this elegant little book remains one of the most penetrating thought provoking works on the subject In the book's three chapters Wiley treats three broad reasons for the failure of the Confederacy weak political leadership low morale among the populace and four internal influences in the South Those four shortcomings stemmed from traits apparently endemic to southerners in general Wiley explains and they included disharmony among and between political and military leaders the government's failure to provide adequate public information systems rigidity in outlook and course of action and poor judgment especially of the North's strength the South's own strength and Europe's dependence on cotton Recent years have witnessed a number of significant studies dealing with Confederate defeat particularly with the failings of Davis as war leader and with the complex issue of the South's dedication to the cause Wiley was one of the first historians to raise these issues and discuss them trenchantly Those familiar with *The Road to Appomattox* will cheer the reissue of this resonant work first time readers will see why **The Road to Appomattox: A Sourcebook on the Civil War** C. Carter Smith, 1993 Uses a variety of contemporary materials to describe and illustrate the battles fought between January 1864 and April 1865 that led to the end of the Civil War *Road to Appomattox* Robert Hendrickson, Castle Books, 2008-10-01 The story of how the North finally defeated the South in the Civil War using vivid descriptions the words of actual participants and helpful photos and illustrations *The Road to Appomattox* Bell Irvin Wiley, 1956 **Road to Appomattox** Cynthia Fields, 2009 **The Southern Road to Appomattox** Kenneth Milton Stampp, 1969 *Ulysses S. Grant and the Road to Appomattox* Richard Sapp, 2005-12-15 Highlights the life and details the military career of Ulysses S Grant General of the Union Army during the Civil War and eighteenth president of the United States **The Appomattox Campaign** Chris Calkins, 1997-07-21 Previous accounts of the Civil War's last major campaign have often neglected the actual maneuvers and tactics of the units involved This new addition to the Great Campaigns series features a tactical approach to the final drama of the Civil War Innovative maps sidebars and charts complement a dramatic narrative The fall of Petersburg and Richmond the last battles at Five Forks Sailor's Creek and Dinwiddie Court House and the final surrender at Appomattox are all described by an author whose knowledge of the historical sources is equaled by his familiarity with the area over which the armies marched and fought The author provides a day to day narrative of this fascinating campaign with a series of specially commissioned maps that make clear the complex series of maneuvers that finally brought Lee's beleaguered army to bay Special sidebars highlight many incidents and personalities of the campaign including never before published information on African Americans in Confederate service

Record keeping especially for the Confederates was difficult in the last hectic days of the war and readers will find here the most complete order of battle available for both sides *Appomattox 1865* Ron Field, 2015-03-20 From an internationally renowned expert on US history this highly illustrated title details the curtain closing campaign of the American Civil War in the East Ulysses S Grant's Army of the Potomac and Robert E Lee's Army of Northern Virginia faced up to one another one last time resulting in Lee conducting a desperate series of withdrawals and retreats down the line of the Richmond and Danville Railroad hoping to join forces with General Joseph E Johnston's Army of Tennessee This book with informative full colour illustrations and maps tells the full story of the skirmishes and pursuits that led directly to Lee's surrender as his frantic efforts to extricate his forces from ever more perilous positions became increasingly untenable
