story of sorts many of the dozen stories found here are more traditional romances The Hurrying of Ludovic is about Anne Shirley s plan to help the ironically named Ludovic Speed to hurry up and ask her friend TheodoraDix to be married The Winning of Lucinda and The Courting of Prissy Strong follow suit as well although with Montgomery s wry sense of humor coming into play But another strong theme in these stories starting with Old Lady Lloyd is the love of music which comes into play in both Each in His Own Tongue and Little Joscelyn Old Man Shaw s Girl fits into neither camp but is one of the better stories here as well This collection was followed by a second Further Chronicles of Avonlea and if you take these two The Story Girl and its sequel The Golden Road then you have the four books that served as the basis of various episodes of Road to Avonlea But if you are a fan of Montgomery s writing then you already know that even in her novels she often worked in various short stories and might even have come to the conclusion that she was better at short stories than at novels Still for those who found seven Anne books to be far too few this collection is the first place to turn to find her in other stories

Chronicles of Avonlea L. M. Montgomery, 2021-03-27 Chronicles of Avonlea is a collection of short stories by L M Montgomery related to the Anne of Green Gables series It features an abundance of stories relating to the fictional Canadian village of Avonlea and was first published in 1912 Sometimes marketed as a book in the Anne Shirley series Anne plays only a minor role in the book out of the 12 stories in the collection she stars in only one The Hurrying of Ludovic and has a small supporting role in another The Courting of Prissy Strong She is otherwise only briefly mentioned in passing in five other stories Each in His Own Tongue Little Joscelyn The Winning of Lucinda Quarantine at Alexander Abraham s and The End of a Quarrel
