Roaming Free Postcards Wild Horses Of The American West:

Roaming Free: Wild Horses of the American West Katie Burke, 1999-01-01 **The Mythical West** Richard W. Slatta, 2001-11-20 This cultural journey down memory lane showcases how major Western figures events and places have been portrayed in folk legends art literature and popular culture Ever since the days of the 49ers and George Armstrong Custer the Old West has been America s most potent source of legend But it is sometimes hard to separate fact from fiction Did you know for example that Annie Oakley was a talented marksman who shot an estimated 40 000 rounds per year while practicing and performing for Buffalo Bill Cody s Wild West Show in the late 1800s Or that many interpreters believe that The Wonderful Wizard of Oz is not just a fairy tale but also a Populist allegory These are just two of the folk legends dissected and examined in this veritable cultural geography The volume covers everything from billionaire Howard Hughes and composer Aaron Copeland to Aztlan the legendary first city of the Aztecs and Area 51 the top secret U S Air Force base at Groom Lake Nevada that has fascinated UFO and conspiracy buffs *Wild Horse Scientists* Kay Frydenborg, 2012 This title in the Scientists in the Field series sheds light on wild horse population control a largely ignored area of equine animal science Full color *Amendment to the Wild, Free-roaming Horses and Burros Act--Public Law 92-195* United States. Johnson, 2007 Americans have had an enduring yet ambivalent obsession with the West as both a place and a state of mind Michael L Johnson considers how that obsession originated how it has determined attitudes toward and activities in the West and how it has changed over the centuries *Black Writers* , 1996 The author of numerous books of photo essays most notably two award winning series for children and young adults Jill Krementz has long had a special affinity for writers Dating back to 1961 and comprising sessions with more than 1 200 writers her collection is not just a visual feast for modern book lovers it will also undoubtedly serve as an invaluable resource for future scholars not unlike Carl Van Vechten s photographic collection of Harlem Renaissance writers of the 1920s and 1930s This book of postcards presents thirty of Krementz s photographs of contemporary black writers Back cover *Readers* , 1996 *Authorized Images: Volume 3* , 2024-09-16 The Authorized
