Robert Schuller The Inside Story

Charles H. Lippy, Jeffrey B. Leak

Robert Schuller The Inside Story:

Robert Schuller, the Inside Story Michael Nason, Donna Nason, 1983 *Theology and California* Fred Sanders, Jason S. Sexton, 2016-02-17 Exploring California as a theological place this book renders critical engagement with significant Californian religious and theological phenomena and the inherent theological impulses within major Californian cultural icons Harnessing conceptual tools inherent to theology through theological reflection assessment and critique the chapters in this volume begin to ascertain the significance of various empirical data and that no other qualitative methodological Californian study has done Many universities are picking up on California literature as a theme that highlights a place of hope wonder and cultural innovation but have neglected the significance of theological instincts flowing through the Californian dynamic Californians Fred Sanders and Jason Sexton assemble leading voices and specialists both from within and without California for engagement with California s influential culture including leading theologians and cultural critics such as Richard J Mouw Paul Louis Metzger and Fred Sanders alongside leading specialists in Film studies and cultural critique theological anthropology missiology sociology and history **The Wilderness, the Nation, and the Electronic Era** Elmer J. O'Brien, 2009-07-29 The Wilderness the Nation and the Electronic Era American Christianity and Religious Communication 1620 2000 An Annotated Bibliography contains over 2 400 annotations of books book chapters essays periodical articles and selected dissertations dealing with the various means and technologies of Christian communication used by clergy churches denominations benevolent associations printers booksellers publishing houses and individuals and movements in their efforts to disseminate news knowledge and information about religious beliefs and life in the United States from colonial times to the present Providing access to the critical and interpretive literature about religious communication is significant and plays a central role in the recent trend in American historiography toward cultural history particularly as it relates to numerous collateral disciplines sociology anthropology education speech music literary studies art history and technology The book documents communication shifts from oral history to print to electronic and visual media and their adaptive uses in communication networks developed over the nation s history This reference brings bibliographic control to a large and diverse literature not previously identified or indexed The Church Must Grow or Perish Mark T. Mulder, Gerardo Marti, 2025-04-01 To fully understand American Christianity it s essential to understand Robert Schuller The Church Must Grow or Perish Robert H Schuller and the Business of American Christianity examines Schuller s indelible imprint on the American church and how he developed a model of ministry both lauded and critiqued that transformed Christian life and community across this country Schuller s story is the starting point for powerful trends that continue to shape much of American religion today televangelism seeker sensitive outreach megachurches the suburbanization of white Christianity pastoral entrepreneurship and market oriented Christianity in pursuit of growth Authors Mark T Mulder and Gerardo Mart explore Schuller s drive to develop a theology a persona and a set of practices that he believed were necessary

to keep Christianity vibrant long into the future They trace Schuller s career arc from his beginnings as an Iowa farm boy to his years as a charismatic Southern California preacher one who believed that in order for the church to thrive pastoral leaders needed to borrow from the best practices of big business including the entertainment industry This fascinating biography is essential reading for those who want to fully understand a transformative force in American Christianity *The Glass Church* Mark T. Mulder, Gerardo Martí, 2020-04-17 For most of his life the megachurch ministry of Robert H Schuller in Orange County California displayed an apparent strength that betrayed none of the fractures that lay below the success oriented surface Yet when tested and stressed in the late 2000s the ecclesial structure s accumulated fragility proved to be catastrophic Drawing on extensive data gathered from archives interviews and ethnographic observation *The Glass Church* examines the spectacular collapse of The Crystal Cathedral to better understand both the strength and fragility of Schuller s ministry The apparent success of the ministry obscured the many tensions that often threatened its future Certainly all churches depend on a mix of constituents charisma and capital yet the size and ambition of large churches like Schuller s Crystal Cathedral exert enormous organizational pressures to continue the flow of people committed to the congregation to reinforce the spark of charismatic excitement generated by high profile pastors and to develop fresh flows of capital funding for maintenance of old projects and launching new initiatives The constant attention to expand constituencies boost charisma and stimulate capital among megachurches produces an especially burdensome strain on their leaders By orienting an approach to the collapse of the Crystal Cathedral on these three core elements constituency charisma and capital *The Glass Church* demonstrates how congregational fragility is greatly accentuated in larger churches a notion we label megachurch strain such that the threat of implosion is significantly accentuated by any failures to properly calibrate the inter relationship among these elements *American Folklore* Jan Harold Brunvand, 2006-05-24 Contains over 500 articles Ranging over foodways and folksongs quiltmaking and computer lore Pecos Bill Butch Cassidy and Elvis sightings more than 500 articles spotlight folk literature music and crafts sports and holidays tall tales and legendary figures genres and forms scholarly approaches and theories regions and ethnic groups performers and collectors writers and scholars religious beliefs and practices The alphabetically arranged entries vary from concise definitions to detailed surveys each accompanied by a brief up to date bibliography Special features More than 2000 contributors Over 500 articles spotlight folk literature music crafts and more Alphabetically arranged Entries accompanied by up to date bibliographies Edited by America s best known folklore authority **The Evangelicals** Robert Krapohl, Charles H. Lippy, 1999-04-30 The different facets of American religious life are more thoroughly understood with an awareness of the Evangelical heritage that intersects the different denominational boundaries Since Evangelicalism is not confined to one religious denomination or group it has associations with a number of American religious movements such as Fundamentalism Pentecostalism the Charismatic Movement and Revivalism This study modeled after the popular *Greenwood Denominations in America* series analyzes the people institutions and the

religious culture of modern American Evangelicals Divided into three sections the book presents a history of American Evangelicalism discusses themes and issues in modern American Evangelicalism and provides a biographical dictionary of modern American Evangelical leaders The combination of critical narrative and reference will appeal to religion scholars and American culture scholars alike Separate bibliographies unique to the history section and to the themes and issues section provide valuable resources for further research Equally helpful is the bibliographic material that completes each entry in the biographical dictionary section of the book The three part organization makes this an accessible research tool clearly organized for easy cross referencing

Evangelicalism Richard Kyle, 2017-09-20 Most forms of religion are best understood in the context of their relationship with the surrounding culture This may be particularly true in the United States Certainly immigrant Catholicism became Americanized mainstream Protestantism accommodated itself to the modern world and Reform Judaism is at home in American society In Evangelicalism Richard Kyle explores paradoxical adjustments and transformations in the relationship between conservative Protestant Evangelicalism and contemporary American culture Evangelicals have resisted many aspects of the modern world but Kyle focuses on what he considers their romance with popular culture Kyle sees this as an Americanized Christianity rather than a Christian America but the two are so intertwined that it is difficult to discern the difference between them Instead in what has become a vicious self serving cycle Evangelicals have baptized and sanctified secular culture in order to be considered culturally relevant thus increasing their numbers and success within abundantly populous and populist driven American society In doing so Evangelicalism has become a middle class movement one that dominates America's culture and unabashedly populist Many Evangelicals view America as God's chosen nation thus sanctifying American culture consumerism and middle class values Kyle believes Evangelicals have served themselves well in consciously and deliberately adjusting their faith to popular culture Yet he also thinks Evangelicals may have compromised themselves and their future in the process so heavily borrowing from the popular culture that in many respects the Evangelical subculture has become secularism with a light gilding of Christianity If so he asks can Evangelicalism survive its own popularity and reaffirm its religious origins or will it assimilate and be absorbed into what was once known as the Great American Melting Pot of religions and cultures Will the Gospel of the American dream ultimately engulf and destroy the Gospel of Evangelical success in America This thoughtful and thought provoking volume will interest anyone concerned with the modern day success of the Evangelical movement in America and the aspirations and fate of its faithful

The Inside Story Nell Mohny, 1979

Curses! Broiled Again! Jan Harold Brunvand, 1990-08-17 From the master folklorist and sly wit Jan Brunvand comes a collection of all new urban legends Did your cousin's wife's dentist's daughter go to the tanning parlor once too often and had her insides cooked Has your husband's brother's nephew teacher try to make a dead rabbit look alive If so you've heard or you yourself may have told two of the seventy plus legends in this collection Urban legends are those bizarre but believable stories about batter fried rats spiders in hairdos Cabbage Patch dolls that get

funerals and the like that pass by word of mouth as being the gospel truth But of course though often told as having happened to a FOAF friend of a friend they aren't true Included in this collection are legends about sex horror cars business and academia Among them are The Bible Student's Exam The Pregnant Shoplifter The Ice Cream Cone Caper Don't Mess with Texas and Mrs Fields Cookie Recipe

Church Advertising, Public Relations and Marketing in Twentieth-Century America John C. Hardin, 2022-12-14 This book examines the complex relationship between religion and business in twentieth century America It is the story of how Christianity's most basic institution the local church wrestled with the challenges and compromises of competing in the modern marketplace through adopting the advertising public relations and marketing methods of business It follows these sacred promoters and their critics as they navigated between divinely inspired and consumer demanded Amid an animated and contentious battleground for principles practices and parishioners John C Hardin explores the landscape of selling religion in America and its evolution over the twentieth century

An Inside Story of Modern Syria Omar Imady, 2023-02-22 The Syrian Arab Republic has rarely been out of the headlines following the rise to power of Hafiz al Asad in 1970 and Bashar al Asad in 2000 and has been at the heart of the popular protests which have come to be known as the Arab Spring This is a political biography of the author's father Dr Muhammad Imady the longest serving minister of economy in modern Syria and holder of several senior government posts Dr Imady served at the center of government personally and professionally during Hafiz al Asad's presidency and was an intimate and objective observer of all aspects of Syria's turbulent history Omar Imady follows his father's story from his beginnings to the present day charting out the seemingly never ending civil conflict human suffering and international interventions that plague the country's past and present This is an inside story based on rare sources and experiences from both father and son It illustrates the original and unique contribution of Muhammad Imady as a Damascene Reformer a rare individual who pursued the seemingly impossible task of implementing positive change while serving a regime that demanded obedience and loyalty in response to actions often at odds with Muhammad Imady's own liberal democratic political ideas At its heart this book examines the timeless challenge of maintaining one's own integrity and principles in the face of a power system which seems bent on promoting the opposite

Lies from the Pit Joseph Nadeau, 2016-06-06 Who buys these lies There is no God If you do more good than bad you'll go to Heaven When you die you will be reincarnated David and Jonathan were homosexuals The pope is infallible Jesus Christ was just a man All religions are really the same Heaven and Hell are only states of mind Isaiah 53 refers to the Jewish people not to Jesus Christ There are many ways to God The Lord Jesus Christ said of Satan When he speaketh a lie he speaketh of his own for he is a liar and the father of it John 8:44 In this spiritually seductive and dangerous age there is no dearth of the devil's falsehoods Which ones do you believe It has been said that no lie can live forever but lies from the pit of Hell will prevent you from living forever with the Lord Jesus Christ who alone is the Way the Truth and the Life John 14:6 Now more than ever in this undiscerning time of tolerance we must identify and condemn the devil's counterfeits regardless

of who is offended This compilation of religious and moral lies and their refutations will inform as well as offend both unawakened sinners and soft theology Christians provoking them to seek the truth of Gods Word and the salvation that is only in His Son for outside of Gods Kingdom writhing in eternal fire will be whosoever loveth and maketh a lie Revelation 22 15

Pluralism Comes of Age Charles H. Lippy, 2015-05-20 This acclaimed work surveys the varied course of religious life in modern America Beginning with the close of the Victorian Age it moves through the shifting power of Protestantism and American Catholicism and into the intense period of immigration and pluralism that has characterized our nation s religious experience

Self-Help and Popular Religion in Modern American Culture Roy M. Anker, 1999-11-30 The second of two volumes on the relationship between popular religion and the self help tradition in American culture this book continues chronologically where the first left off As with the first volume this work focuses on the intersection of American history and popular religion and is intended as an introductory interpretive guide to major self help figures and movements with origins in popular religious movements This volume spans from Romanticism the Gilded Age and the history of Christian Science with discussions of Mary Baker Patterson Phineas Parkhurst Quimby and Mary Baker Eddy through Norman Vincent Peale and Robert Schuller Peale and Schuller with the exception of Evangelist Billy Graham constitute the public face of mainstream American Protestantism and bring this two volume study to its conclusion in the second half of the 20th century This reference will serve as a valuable research tool for American religion and popular culture scholars Together with the first volume *Self Help and Popular Religion in Early American Culture* these two meticulously researched volumes clearly define and present the broad scope of the self help tradition as it pervades American culture and as it developed and was influenced by popular religion An extensive bibliography is included

Happy Lies Melissa Dougherty, 2025-01-28 In this groundbreaking book popular apologist Melissa Dougherty helps us understand how our society got to be so toxically subjective why endless positivity is inherently destructive and how we can live with faithful truth and genuine love in these self obsessed times Melissa Dougherty skillfully diagnoses the issue and provides the cure the authentic and life giving truth of the Christian worldview Wesley Huff Have you ever wondered how we ended up in a world where personal feelings could become the authority for reality Or why so many of us are on a relentless pursuit for happiness yet somehow feel more exhausted and sadder than ever You re not alone Melissa deftly traces the roots of today s social chaos back to a little known but very influential 1800s philosophy known as New Thought A former follower of its teachings Melissa provides clarity and compassion mixed with a dash of loving snark as she exposes New Thought s deceptions and its many concerning tendrils within the church and our self help culture You ll be shocked grieved and encouraged as you learn How you can experience true freedom hope and peace instead of the world s counterfeits How an anti God ideology so easily hijacked Christian sounding ideas Why thinking positively is entirely different from the unbiblical and burdensome positive thought movement Why fake authenticity short circuits real redemption How understanding the New Thought mindset can help us share our

faith more effectively Uncover a dangerous ideology that nearly everyone has met yet few of us can name in order to better understand our culture and joyfully live faithful to the gospel that is so much better than our world s Happy Lies **Social Movements** Dianne Dentice,2021-02-03 Social movements continue to provide rich fodder for social researchers in the twenty first century This reader gives range and depth to ongoing debates about what constitutes a social movement what motivates actors to participate in social movements and how social movements continue to evolve in post industrial societies such as the United States Not all social movements are about positive social change and some movements have been and will be destructive The nine essays contained in this text represent classical movements such as the Oneida utopian movement of nineteenth century America and contemporary emerging movements such as the church growth movement The authors examine movements that are attempting to revitalize American health care and religious practice along with movements that are counter to social justice such as the white supremacist movement Was Jonestown a cult or social movement How does a charismatic leader such as John Humphrey Noyes sell the notion of selective breeding to Oneida communitarians What is motivating people to participate in the contemporary communal movement in the United States Such questions are fundamental to our understanding of the emergence and sustainability of social movements This reader provides authoritative answers to these questions and many more as well as providing a basis for further thought and discussion among students of social movements While this volume does not attempt to present a unified theory of social movements the authors apply different theoretical approaches to their explanation of the movements they write about Authors represent various disciplines such as anthropology education and sociology and specialty areas such as criminal justice immigration and religion This multidisciplinary approach adds to the appeal of this reader with the goal of accessibility to a wide range of audiences who are interested in social movement phenomena both past and present *Iowa Biographical Dictionary* Jan Onofrio,2000-01-01 Iowa Biographical Dictionary contains biographies on hundreds of persons from diverse vocations that were either born achieved notoriety and or died in the state of Iowa Prominent persons in addition to the less eminent that have played noteworthy roles are included in this resource When people are recognized from your state or locale it brings a sense of pride to the residents of the entire state Do Real Men Pray? Charles H. Lippy,Jeffrey B. Leak,2005 White male spirituality and the Christian man The dutiful patriarch The gentleman entrepreneur The courageous adventurer The efficient businessman The positive thinker The faithful leader Male spirituality in white Protestant America The Story of Everything Jared C. Wilson,2015-10-14 Most of life is mundane work school home TV church sleep repeat Sometimes it seem as if there s no point to our normal lives But what we must remember is that we re actually part of something huge God s story the greatest story ever told In The Story of Everything Jared Wilson takes readers on a journey that starts before the creation of the world and ends after everything has been made new Wilson shows us that the gospel isn t just a ticket to heaven but God s incredible and unstoppable vision for all of creation Looking at God s redemptive plan for humanity this

book will help you understand what the gospel means for your life your home your pets your hobbies and more
