Roudané,2013-12-19 Unrivalled in its coverage of recent work and writers The Methuen Drama Guide to Contemporary American Playwrights surveys and analyses the breadth vitality and development of theatrical work to emerge from America over the last fifty years This authoritative guide leads you through the work of 25 major contemporary American playwrights discussing more than 140 plays in detail Written by a team of 25 eminent international scholars each chapter provides a biographical introduction to the playwright s work a survey and concise analysis of the writer s most important plays a discussion of their style dramaturgical concerns and critical reception a bibliography of published plays and a select list of critical works Among the many Tony Obie and Pulitzer prize winning playwrights included are Sam Shepard Tony Kushner Suzan Lori Parks August Wilson Paula Vogel and Neil LaBute The abundance of work analysed enables fresh illuminating conclusions to be drawn about the development of contemporary American playwriting *Robert Bolt's A Man for All Seasons* Sally Roberts Ginter,1993 Most of the audience seeing Robert Bolt s play *A Man For All Seasons* would believe it is a factually accurate historical drama Bolt however has made it quite clear in interviews that he did not set out to write a play about Tudor lives and times He saw in biographies of More something the world of the 1960s needed a model of a man of total integrity a man with an adamant sense of his own self Bolt shaped the historical material to suit his purposes and in doing so perpetuates and expands the myth which has gathered around More Interpretation of character is as various as interpreters Historians have their prejudices and their biases Even such seemingly concrete things as dates and names are not reliable when they come from times in which accurate records were not kept Yet by balancing one account against another by comparing people s recorded words with their deeds and with the evaluations of their contemporaries by taking into account new documents which come to light it is possible to arrive at something approaching an accurate appraisal of an historical figure or event This paper will take into account multiple sources and interpretations *A Man For All Seasons* will be examined from several directions The play will be explored in terms of the way it fits into the general category of historical drama and in terms of the intentions Bolt had for writing the play It will become apparent that

the trappings of historical drama are convenient but hardly crucial A Man For All Seasons shows us Thomas More the hero and gives us the challenge to become heroic A closer look at More's biography shows us Thomas More the man and tells us our conflicts our uncertainties our self-serving pride are not insurmountable obstacles to living as persons of integrity p 13 117
