

Robert Johnsonat The Crobroads

Robert Johnson

Robert Johnson at The Crossroads:

Crossroads Tom Graves, 2008 This book provides an introduction to theories in communication as well as case studies

Crossroads John Calhoun Merrill, Tom Graves, 2008 Decision making in American government and other institutions in the 21st century is likely to become more authoritarian and will drift away from the democratic ideals of the Enlightenment That is the main conclusion John C Merrill a professor emeritus of journalism reaches in *Call to Order* which is sure to be one of his most provocative books The postmodern inclination toward relativism and subjectivism when faced with the real dangers of human survival will begin to fade away and acute dangers require strong leaders and disorder exemplified in the 20th century politics will demand ever stricter government controls and social order Hobbes with his clarion call from Plato will raise his voice again against the champions of people's sovereignty Human responsibilities will increasingly replace human rights as power systems step in to bring order to nations and to larger governmental blocs In the name of the poor and downtrodden the exploited environment the impulse to egalitarianism and the need for a common health care and education the state controllers will join forces to centralize power in their hands As citizens become more individually impotent social order will be assured In *Call to Order* Merrill summarizes Plato's ideas about social control which emphasize a benevolent but authoritarian system and then briefly traces its legacy covering all major thinkers up to the present Merrill is particularly concerned about the rise of neo-Marxist theories postmodernism and the communitarianism and public journalism movements They have not directly condemned freedom but in very subtle ways have proposed limiting the power of the media managers and putting it in the hands of the citizens or in government agencies The assumption here is that some extra press authority would be more responsible managers than are the current directors publishers and editors Merrill isn't completely pessimistic He says newspapers like The New York Times France's *Le Monde* and England's *The Independent* will continue to improve and provide credible information However the long term prospects for libertarian ideas of freedom and individuality are not promising *Call to Order* is highly readable and sure to spark considerable debate among scholars from numerous disciplines as well as from students in upper level undergraduate and graduate courses in media theory First Amendment and media ethics

Down at the Crossroads Robert Johnson, 2003 **At the Crossroads** John Hammond, 2003 **A**

Meeting at the Crossroads Matt Frederick, 2022-02-28 The story of bluesman Robert Johnson and his deal with The Devil at the crossroads is one of the core myths at the heart of both blues and rock n roll In *A Meeting At The Crossroads* Matt Frederick explores the history and meaning of the myth from the Mississippi Delta to the crossroads gods of ancient times

Blues Dick Weissman, 2005 *Blues The Basics* offers a concise introduction to a century of the blues Organized chronologically it focuses on the major eras in the growth and development of this popular musical style Material includes a definition of the blues and the major genres within it key artists such as Ma Rainey Bessie Smith Robert Johnson and Blind Lemon Jefferson key recordings Complete with timelines and suggestions for further investigation this fascinating overview is

ideal for students and interested listeners **Robert Johnson** Barry Lee Pearson,Bill McCulloch,2010-10-01 Even with just forty one recordings to his credit Robert Johnson 1911-38 is a towering figure in the history of the blues His vast influence on twentieth century American music combined with his mysterious death at the age of twenty seven still encourage the speculation and myth that have long obscured the facts about his life The most famous legend depicts a young Johnson meeting the Devil at a dusty Mississippi crossroads at midnight and selling his soul in exchange for prodigious guitar skills Barry Lee Pearson and Bill McCulloch examine the full range of writings about Johnson and weigh the conflicting accounts of Johnson's life story against interviews with blues musicians and others who knew the man Their extensive research uncovers a life every bit as compelling as the fabrications and exaggerations that have sprung up around it In examining the bluesman's life and music and the ways in which both have been reinvented and interpreted by other artists critics and fans Robert Johnson Lost and Found charts the cultural forces that have mediated the expression of African American artistic traditions

What Happens Next? Gail de Vos,2012-06-26 This fascinating book uncovers the history behind urban legends and explains how the contemporary iterations of familiar fictional tales provide a window into the modern concerns and digital advancements of our society What do ghost hunting legend tripping and legendary monsters have in common with email hoaxes chain letters and horror movies In this follow up to Libraries Unlimited's Tales Rumors and Gossip Exploring Contemporary Folk Literature in Grades 7-12 author Gail de Vos revisits popular urban legends and examines the impact of media online social and broadcast on their current iterations What Happens Next Contemporary Urban Legends and Popular Culture traces the evolution of contemporary legends from the tradition of oral storytelling to the sharing of stories on the Internet and TV The author examines if the popularity of contemporary legends in the media has changed the form role and integrity of familiar legends In addition to revisiting some of the legends highlighted in her first book de Vos shares new tales in circulation which she sees as a direct result of technological advancements [The Possessive Investment in Whiteness](#)

George Lipsitz,2009-08-21 A widely influential book revised to reveal racial privilege at work in the 21st century **Robert Johnson, Mythmaking, and Contemporary American Culture** Patricia R. Schroeder,2004-06-14 Suddenly Robert Johnson is everywhere Though the Mississippi bluesman died young and recorded only twenty nine songs the legacy legend and lore surrounding him continue to grow Focusing on these developments Patricia R Schroeder's Robert Johnson Mythmaking and Contemporary American Culture breaks new ground in Johnson scholarship going beyond simple or speculative biography to explore him in his larger role as a contemporary cultural icon Part literary analysis part cultural criticism and part biographical study Robert Johnson Mythmaking and Contemporary American Culture shows the Robert Johnson of today to be less a two dimensional character fixed by the few known facts of his life than a dynamic and contested set of ideas Represented in novels in plays and even on a postage stamp he provides inspiration for highbrow cultural artifacts such as poems as well as Hollywood movies and T-shirts Schroeder's detailed and scholarly analysis directly

engages key images and stories about Johnson such as the Faustian crossroads exchange of his soul for guitar virtuosity navigating the many competing interpretations that swirl around him to reveal the cultural purposes these stories and their tellers serve Unprecedented in both range and depth Schroeder s work is a fascinating examination of the relationships among Johnson s life its subsequent portrayals and the cultural forces that drove these representations With penetrating insights into both Johnson and the society that perpetuates him Robert Johnson Mythmaking and Contemporary American Culture is essential reading for cultural critics and blues fans alike
