Secrets Of Voodoo:

Secrets of Voodoo Milo Rigaud, 1985-06 *Secrets of Voodoo* traces the development of this complex religion in Haiti and the Americas from its sources in the brilliant civilizations of ancient Africa. This book presents a straightforward account of the gods or loas and their function, the symbols and signs, rituals, the ceremonial calendar of Voodoo, and the procedures for performing magical rites. Voodoo derived from words meaning introspection and mystery is a system of belief about the formation of the world and human destiny with clear correspondences in other world religions. Rigaud makes these connections and discloses the esoteric meaning underlying Voodoo's outward manifestations which are often misinterpreted. Translated from the French by Robert B. Cross. Drawings and photographs by Odette Mennesson. Rigaud, Milo. Rigaud was born in Port au Prince, Haiti, in 1903 where he spent the greater part of his life studying the Voodoo tradition. In Haiti, he studied law, and in France, ethnology, psychology, and theology. The involvement of Voodoo in the political struggle of Haitian blacks for independence was one of his main concerns. **Secrets of Voodoo** Milo Rigaud, Cross, Robert B., Mennesson-Rigaud, Odette, 1971-01. Milo Rigaud was born in Port au Prince, Haiti, in 1903 where he spent the greater part of his life studying the Voodoo tradition. In Haiti, he studied law, and in France, ethnology, psychology, and theology. The involvement of Voodoo in the political struggle of Haitian blacks for independence was one of his main concerns. **Secrets of Voodoo** Milo Rigaud, 1985. **Mysteries and Secrets of Voodoo, Santeria, and Obeah** Patricia Fanthorpe, 2008-07-28. The secrets of Santeria, Voodoo, and Obeah are among the oldest enigmas in the world. Their roots go back to prehistoric Africa, perhaps even beyond that. From the 16th century onwards, the slave trade brought these ancient mysteries to the West, where they blended strangely with traditional Christianity: the ancient African gods became identified with legendary saints. This integration of the two faiths slowly evolved to form the many varieties of Santeria, Obeah, and Voodoo that are widely practiced throughout the world today. Their characteristic dancing and drumming seem able to invoke strange states of mind in which almost anything is possible. Even stories of zombies, the walking dead, still persist. Is there a rational explanation for them? Contemporary Voodoo priests, priestesses, magicians, and enchanters use rare herbs and spices as well as charms, dolls, and talismans to control the natural world in ways that science cannot always explain. Accounts of their inexplicable successes are examined in depth. Most intriguing of all are the claims that are made for their love philtres and aphrodisiacs. What powers do these old religions still possess? **Voodoo. Secrets of Voodoo: Beginner's Guide** David Tovey, 2016-10-29. When Voodoo is brought up in discussions, non-Voodooists will often make incorrect assumptions that it is a terrifying religion that consists of devil worship, cannibalism, Black Magic, and Voodoo dolls. As these might be the common assumptions that one makes when thinking about Voodoo, none of that is connected with the religion at all. In no way am I expecting you to believe in the Voodoo religion or, in any way, am I attempting to convert you to the religion. I'm simply here to educate and teach you that Voodoo is not any of the evil that you just might think. But please do recognize that its followers

do not only consists of Haitians or Africans but many different ethnicities and nationalities follow the religion as well With this book I am hoping to teach you about the very fundamentals of the religion You will understand that Voodoo is not the religion that some think of it You will get to know about the basics of rituals the spirits associated with it what Voodooists believe as well with the myths of Voodoo debunked You will get to know a depth of knowledge surrounding Voodoo and will learn much more than what it is needed for the religion
