Sectionalism Politics And American Diplomacy:

Sectionalism, Politics, and American Diplomacy Edward W. Chester, 1975 *Democracy and Diplomacy* Melvin Small, 1996 The book gives particular attention to the events of the twentieth century when the United States became a major power and then a superpower **Historical Dictionary of U.S. Diplomacy from the Revolution to Secession** Debra J. Allen, 2012-09-13 Historical Dictionary of U S Diplomacy from the Revolution to Secession covers the period from 1776 when the nation declared its independence from Great Britain through 1861 when the Civil War presented the biggest challenge to the continuation of the republican experiment Probably the most common misconception about the diplomatic history of this period is that American leaders tried to stay isolated from world events when in fact the early United States was part of one grand interwoven tapestry of nations The Historical Dictionary of U S Diplomacy from the Revolution to Secession relates the events of this crucial period in American history through a chronology an introductory essay and several hundred cross referenced dictionary entries on key persons places events institutions and organizations This book is an excellent access point for students researchers and anyone wanting to know more about American diplomacy **The American South and the Vietnam War** Joseph A. Fry, 2015-06-19 To fully comprehend the Vietnam War it is essential to understand the central role that southerners played in the nation s commitment to the war in the conflict s duration and in the fighting itself President Lyndon B Johnson of Texas and Secretary o American Political Science Research Guide George W. Johnson, 2012-12-06 The American Political Science Research Guide to their efforts Individuals in administration is a new series dealing generally with American positions will also find that the APSRG offers a means for keeping current on public government and specifically with public administration state and local government policy questions despite the normal restriction of the legislative and executive branches and time and circumstance the judiciary The key to the entire program is the use of the database of the Political Science Series of As an innovative idea the APSRG is an approach to political research which focuses upon a the Universal Reference System Combining a single area within the discipline of political science with the definitive URS Supplement and a science The first in a proposed series of refined indexing procedures the APSRG is a softcover research guide the APSRG is reproduced under the supervision of the same scholarly organization of the guiding principle of providing scholars who develop that annual supplement **St. Louis and Empire** Henry W Berger, 2015-04-23 From its eighteenth century French fur trade origins to post Cold War business dealings with Latin America and Asia the city has never been neglected nor been ignored by the world outside its borders In this pioneering study Henry W Berger analyzes St Louis s imperial engagement from its founding in 1764 to the present day revealing the intersection of local political cultural and economic interests in foreign affairs **The Political Economy of Grand Strategy** Kevin Narizny, 2007 Theory The political economy of the United States 1865 1941 American grand strategy toward the periphery American grand strategy toward the great powers The political economy of Great Britain 1868 1939 British grand strategy toward the periphery

British grand strategy toward the great powers Conclusions The Literature of the Ozarks Phillip Douglas Howerton,2019
This book surveys two centuries of Ozarks literature from an Osage creation story to contemporary poetry and fiction This anthology presents writings from more than forty authors and connects these works to major literary movements while exploring their regional themes and their contributions to the social construction of the Ozarks **The New South Faces the World** Tennant McWilliams,Tennant S. McWilliams,2007-01-15 McWilliams book is a subtle exploration of the evolution of southern ideas and actions about foreign policy Virginia Quarterly Review **Defining the National Interest** Peter Trubowitz,1998-02-17 The United States has been marked by a highly politicized and divisive history of foreign policy making Why do the nation s leaders find it so difficult to define the national interest Peter Trubowitz offers a new and compelling conception of American foreign policy and the domestic geopolitical forces that shape and animate it Foreign policy conflict he argues is grounded in America s regional diversity The uneven nature of America s integration into the world economy has made regionalism a potent force shaping fights over the national interest As Trubowitz shows politicians from different parts of the country have consistently sought to equate their region s interests with that of the nation Domestic conflict over how to define the national interest is the result Challenging dominant accounts of American foreign policy making Defining the National Interest exemplifies how interdisciplinary scholarship can yield a deeper understanding of the connections between domestic and international change in an era of globalization
