**Worship with Teenagers**

Eric L. Mathis, 2022-02-15 This book addresses the vital role of public Christian worship in adolescent spiritual formation and shows how important youth ministry and worship ministry are to each other. Despite numerous research projects, books, articles, and resources that have been published about teenagers and about worship in recent years, the relationship between the two has been addressed only peripherally, if not altogether overlooked. Drawing on his extensive experience in worship ministry and youth ministry, Eric Mathis offers insights into the worship practices of teenagers, corrects common misperceptions about worship, and critically examines four prominent worship models in current practice. Mathis invites youth pastors, worship leaders, ministerial students, and congregations to elevate the voices of young people in the worshiping community and enhance worship for all ages. The book includes a foreword by Kenda Creasy Dean. *A Single Parent's Guide to Raising Children God's Way*. Winsome Tennant, 2006-08 The author motivates parents to seek the face of The Creator for the spiritual, emotional, and social well-being of their children. *Practical Life: Your Boy*. Vicki Courtney, 2012-07 Guides parents as they navigate the most important topics related to raising sons. *Every Child Needs a Praying Mom*. Fern Nichols, Janet Kobobel Grant, 2003 This guide shows mothers how God cares for their children and how He can use the power of prayer to renew their hearts, their energy, and their strength to meet every situation. It teaches readers how to pray effectively with others and how to persist no matter what. *Moms in Prayer*. Fern Nichols, 2013-09-03 What principles enabled the concerned mom of two junior high school students to move from deciding she needed to pray for her kids at school to becoming the founder of a worldwide prayer movement called Moms In Prayer International? Fern Nichols is a passionate believer in the power of prayer. She knows that a regular habit of prayer can change things, can bring home wayward children, heal broken marriages, and provide answers to desperate situations. Prayer can also bring a new kind of peace and contentment no matter what hardships or disappointments we face. But most important, Fern knows that through prayer we can experience firsthand an ever-increasing intimacy with God. In *Moms In Prayer*, Fern Nichols reveals how she teaches women to pray in a way that changes their lives and the lives of those they love. She teaches the principles and practices that will not only revolutionize the way people think about prayer but the way they do pray, leading them into a deeper intimacy with Jesus who is always interceding on our behalf. Sparkling with real-life stories of God at work in the lives of praying moms, Fern introduces us to the four prayers that are the foundation of the Moms In Prayer approach to prayer: Praise, Praying according to the attributes of God, Confession, Breaking strongholds, Thanksgiving, Expressing a grateful heart, Intercession, Standing in the gap with Jesus. What transforms these well-known elements of prayer into such a powerful force in *Moms In Prayer International*? Fern Nichols introduces a way of praying that energizes, creates an appetite for intimacy with God, overcomes spiritual paralysis, eliminates fear, unveils the heart and character of God, and transforms the pray-er's life and perspective. She teaches how to pray effectively with others, how to prepare for the spiritual battles that swirl when prayer is on the move, how to persist in prayer in the face of hopelessness and despair, and how to use Scripture for effective
