Seeing Christ in the Old Testament Ervin N. Hershberger, 1999

Knowing Jesus Through the Old Testament

Christopher J. H. Wright, 2014-10-14 We cannot know Jesus without knowing his story And that story began long before Jesus was born in Bethlehem The Gospels tell us clearly that Jesus himself along with his earliest followers understood who he was and what he came to do in the light of the story of Israel as told in the pages of the Old Testament Like them we too will find that our own understanding of both Jesus and the Old Testament is transformed as we see each in the light of the other Engaging with the Scriptures Christopher J H Wright uncovers Jesus self understanding as Son of Man and Son of God following the path and fulfilling the call that God had placed before Israel Through this we discover that the deeper we go into understanding the Old Testament the closer we come to the heart of Jesus In this revised and updated second edition Wright digs deeper into the Old Testament revealing the God whom Jesus embodied Each chapter is followed with questions and exercises which can be used either in personal study or in group discussion

The Gospels Through Old Testament

Eyes Nicholas P. Lunn, 2023-09-22 Recognising veiled allusions to the Old Testament in the four Gospels has long contributed to our understanding of the Gospels message Nicholas Lunn takes the investigation of allusion a significant step further in The Gospels Through Old Testament Eyes He explores allusions not just in isolated verses but rather occurring throughout whole passages demonstrating that many Gospel episodes interact with specific Old Testament accounts through an extended sequence of allusions Furthermore his examination is not restricted to episodes presented by a single Gospel but includes allusions distributed across two or more Gospel treatments of the same event In The Gospels Through Old Testament Eyes Lunn offers a series of self contained studies that bring to light allusions many of them previously unnoted that affirm the intricate interweaving of New Testament texts with those of the Old This volume will greatly enhance your appreciation of the Gospels presentation of Jesus s life and ministry It will inform and equip scholars pastors preachers Bible teachers and readers to appreciate new depths in the Gospels

Ancient Jewish and Christian Scriptures

John J. Collins, Craig A. Evans, Lee Martin McDonald, 2020-08-25 Ancient Jewish and Christian Scriptures examines the writings included in and excluded from the Jewish and Christian canons of Scripture and explores the social settings in which some of this literature was viewed as authoritative and some was viewed either as uninspired or as heretical John J Collins Craig A Evans and Lee Martin McDonald examine how those noncanonical writings demonstrate the historical literary and religious aspects of the culture that gave rise to the writings They also show how literature excluded from the Jewish and Christian canons of Scripture remains valuable today for understanding the questions and conflicts that early Jewish and Christian faith communities faced Through this discussion contemporary readers acquire a broader understanding of biblical Scripture and of Jewish and Christian faith inspired by Scripture

'THE REAL SCRIPTURES' OF GOD - OLD TESTAMENT

James Platter, 2012-11-21 Inside the covers of this book you will find the Real Scriptures of the Christian churches Many church

leaders know that other Christian churches hold to these books but they are only willing to state what they have been brain washed to believe that is about the other inferior books It isn't in the canon of scripture formed of course by the early Catholic Church at various stages and Councils from the fourth century A D therefore no one has the right to change what is in the canon of scripture and the Catholic Church changed it in their councils not in agreement of other Christians but to hide their offence at the words of God They would not even imagine that different churches have different scriptures and assume that the correct canon of scripture must be the one first declared by the Catholic Church and its priests but other priests must be considered demented or apostate but they are not affected by the changes they made to the canon of Scripture over many centuries They will not consider the canons of Orthodox Churches or others because they vary in different regions of the world So is European Christianity based in the Vatican City right about all its holy scriptures while everyone else's church scriptures are false scriptures Ethiopia it seems got most books of scripture right even with their translation into an ancient language The Real Scriptures edited by James Platter above a layman who formerly studied the scriptures for many years with the Baptist Bible Fellowship in San Dimas California in the United States but now rejects the reduced 1627 A D Version of the KJV Bible and formally learned the Greek language of the New Testament at Capernwray Missionary Fellowship Moss Vale N S W Australia under the Reverend Alan Catchpoole in 1973 Old Testament Theology Robin Routledge, 2020-05-21 Numerous useful books on Old Testament theology are now available However they often give too much information or too little Some can seem large and daunting to the ordinary student or pastor and because of their layout information may be hard to access Others take a more introductory approach and do not deal with many of the theological issues and questions that the Old Testament raises Robin Routledge's aim is to bridge this gap He provides a substantial overview of the central issues and themes in Old Testament theology in the main body of the text with more detailed discussion and references for further reading in the footnotes His purpose is to examine the theological significance of the various texts in their wider canonical context noting unity and coherence within the Old Testament and to some extent between the Old and New Testaments whilst also being aware of diversity A brief outline of the relationship between exegesis and biblical theology within the overall task of interpreting and applying biblical material is given in the first chapter His hope as a Christian minister is that while this volume has grown out of a teaching context and is intended for students it will also be of benefit to others who want to take the theological content of the Old Testament seriously and to apply its message to the life and ministry of the church today **The Wiersbe Bible Commentary: Old Testament** Warren W. Wiersbe, Whether you are a pastor teacher or layperson now you can study the Bible in easy to read sections that emphasize personal application as well as biblical meaning Developed from Dr Wiersbe's popular Be series of Bible study books this commentary carefully unpacks all of God's Word The Wiersbe Bible Commentary Old Testament offers you Dr Wiersbe's trustworthy insights on the entire Old Testament's New Biblical images maps and charts Introductions and outlines

for each book of the Bible Clear readable text that is free of academic jargon Let one of the most beloved and respected Bible teachers of our time guide you verse by verse through the Scriptures It is the trusted reference you will love to read *Seeing Judaism Anew* Mary C. Boys, 2005-03-22 In September 2002 twenty one prominent Catholic and Protestant scholars released the groundbreaking document *A Sacred Obligation* which includes ten statements about Jewish Christian dialogue focused around a guiding claim Revising Christian teaching about Judaism and the Jewish people is a central and indispensable obligation of theology in our time Following the worldwide reception of their document the authors have expanded their themes into *Seeing Judaism Anew* The essays in this volume offer a conceptual framework by which Christians can rethink their understanding of the church's relationship to Judaism and show how essential it is that Christians represent Judaism accurately not only as a matter of justice for the Jewish people but also for the integrity of Christian faith By linking New Testament scholarship to the Shoah Christian liturgical life and developments in the church this volume addresses the important questions at the heart of Christian identity such as Are only Christians saved Why did Jesus die Why is Israel so important to Jews and what should we think about the conflict in the Middle East How is Christianity complicit in the Holocaust What is important about Jesus being a Jew *Interpreting the Gospel and Letters of John* Brown, Sherri L., Moloney, Francis J., SDB, 2017 Accessible comprehensive and up to date *Interpreting the Gospel and Letters of John* is an ideal text for students new to the discipline of biblical studies Sherri Brown and Francis J Moloney present a broad overview of the story of Christianity arising out of its Jewish foundations and proceed to guide readers expertly through the contents of the Gospel and Letters of John Maintaining that Johannine literature is best understood against the background of the Old Testament covenant metaphor Brown and Moloney focus on the central role of covenant in the narrative of John's Gospel and highlight the Evangelist's use of fulfillment language Helpful sidebars maps questions for review and further reading lists are placed throughout the text making this volume well suited for classroom use **The Old Testament and the Significance of Jesus** Fredrick Carlson Holmgren, 1999 A perennial question throughout the history of the Christian faith has centered on the character of the Old Testament and its relationship to Jesus Christ It is in this area that Christians and Jews have parted ways creating a deep and enduring chasm between the two faith communities With this new volume Fredrick Holmgren aids in closing this hurtful breach by engaging with views on both sides of this important conversation Holmgren dialogues with Christians from every point on the theological spectrum urging the church to a new respect for the Jewish Bible the enduring role of the Old Testament as Christian scripture and the valuable contributions of Judaism to the Christian faith Warning the church against either caricaturing the Old Testament and Judaism or romanticizing Christianity Holmgren sensitively shows that the New Testament proclamation of newness in Christ carries forward the witness of the Old Testament without making obsolete its Jewish interpretation
