Ecclesiastes is a persuasive speech with a rhetoric so unique that it can be easily misunderstood It speaks powerfully to believers as well as nonbelievers because it addresses the question of the meaning of life in the most satisfying way The heart of this book is an expositional commentary that interprets *Ecclesiastes* as authoritative Scripture It seeks to recover the rhetoric of the speech in terms of its comprehensive message on the meaning of life as well as its compelling force to get the message across Preceding the expositional commentary is an introduction to *Ecclesiastes* that presents a new approach to outlining and reading *Ecclesiastes* as a coherent speech It also presents an overview of the forest the overall rhetorical flow

of the speech from beginning to end This is to prevent one from getting lost when immersed in the trees of the expository commentary Following the expository commentary are two topical studies to give Ecclesiastes the breadth and depth of coverage it deserves The first is an interdisciplinary exposition on the meaning of life The second is an interpretive essay to defend exegetically the interpretation of Ecclesiastes as a coherent speech *The First Principle in Late Neoplatonism* Jonathan Greig,2020-11-04 In *The First Principle* Jonathan Greig examines the philosophical theology of the two Neoplatonists Proclus and Damascius 5th 6th centuries A D on the One as the first cause Both philosophers address a tension in the Neoplatonic tradition namely that the One was seen as absolutely transcendent yet it was also seen as intimately related to other things as the source of their unity and being Proclus solution is to posit intermediate causes after the One while Damascius posits a distinct principle the Ineffable above the One This book provides a new thorough study of the theories of causation that lead each to their respective position and reveals crucial insights involved in a rigorous negative theology employed in metaphysics West Broadway Nina Wilcox Putnam,1921 **Heating & Air Conditioning Contractor** ,1927 **Official Reports of the Debates of the House of Commons of the Dominion of Canada** Canada.
