Twitchell, 2014-04-08 In Winnebago Nation popular critic James B Twitchell takes a light hearted look at the culture and industry behind the yearning to spend the night in one's car For the young the roadtrip is a coming of age ceremony for those later in life it is the realization of a lifelong desire to be spontaneous nomadic and free Informed by his own experiences on the road Twitchell recounts the RV's origins and evolution over the twentieth century its rise fall and rebirth as a cultural icon its growing mechanical complexity as it evolved from an estate wagon to a converted bus to a mobile home and its role in bolstering and challenging conceptions of American identity Mechanical yet dreamy independent yet needful solitary yet clubby adventurous yet homebound life in a mobile home is a distillation of the American character and an important embodiment of American exceptionalism Richie Rich and Hobo Hank spend time in essentially the same rig at the same campground albeit for different reasons and in different levels of comfort The frontier may be tapped out but we still yearn for the exploratory life Twitchell concludes with his thoughts on the future of RV communities and the possibility of mobile cities becoming a real part of the American landscape *Touring Europe on a Budget* Thomas Lewin, 2021-11-15 Nothing evokes the freedom of the road more so than a motorhome The freedom of the tent the comfort of the caravan and the freedom to go where you want when you want *A Visual History of Motorhomes* Andrew Jenkinson, 2025-03-30

Following on from Andrew's *A Visual History of Caravans* this new title takes a look at the motorhome's heritage spanning over 100 years The motorhome is a popular leisure vehicle with an ever growing demand in the UK as well as abroad From the early designs often built by one man bands this book shows how the motorhome was to evolve in the 1920s but was to be outsold by the popularity of the touring caravan Images from all decades are mainly from the author's own vast archives while some have been loaned and supplied from motorhome industry personnel These pictures demonstrate how the motorhome developed with the advent of smaller chassis cabs from the 1950s major manufacturers such as Bedford Austin Morris and Ford Covering UK brand motorhomes as well imported models the book shows how different UK tastes were to the imported makes Although not an A Z of motorhomes book the author has chosen images that represent as many manufacturers as possible Andrew includes some rare images of coachbuilt motorhomes and shows how the motorhome boom began in the mid 1960s With the further development of chassis cab designs in the 70s with brands such as Commer Toyota and Leyland more manufacturers of motorhomes would emerge as the boom carried on Caravan's International

motorised division was re named Autohomes and became the biggest UK manufacturer of coachbuilt motorhomes going on to also be built in Germany Well known maker Dormobile concentrated on campervans though several coachbuilt motorhomes such as the classic looking Debonair were produced From those early days A Visual History of Motorhomes will make interesting reading to motorhome users showing how the leisure vehicle took shape [RV Vacations For Dummies](#) Christopher Hodapp,Alice Von Kannon,2023-06-27 Hit the open road with help from expert travelers Keep RV Vacations For Dummies by your side as you navigate the highways of the United States and Canada But don t read and drive This Dummies guide will clue you into the most RV ready roads camp sites and attractions to make planning your journey a bit easier Choose from journeys through New England the American heartland the Rocky Mountains or any of the other adventures detailed in this book Get to know the can t miss tourist attractions and the best places to park while you enjoy time off the road This updated edition features all new maps of the RV friendliest routes out there plus the latest on post pandemic destinations Ready set RV Learn the art of planning an RV vacation that won t wear you out Hook up your RV at campsites and explore local attractions Find a list of popular RV routes and cool places to visit Be prepared for mechanical issues and other hiccups in your travel plans This Dummies guide is a must for RV owners and RV renters in need of guidance on well planned travel routes campground destinations and attractions
