Seeking God In Story:

Seeking God in Story John Navone, 1990-01 This work is a superb example of how the story genre of the New Testament makes storytellers of us all The author leads us toward a theology of story by which we may seek and find God **Seeking**

God in Story John Navone (s.j.), 1990 Finding Ourselves in God's Story Michele Hershberger, 2025-05-20 Why is the church so important to God What's really going on in the Bible How can I make sense of my life Finding Ourselves in God's Story addresses the pressing questions and concerns that today's youth bring to their faith Introducing Christian faith from an Anabaptist perspective author Michele Hershberger puts readers in touch with two stories that Christians constantly hear and tell First there is the Bible's story of God working to restore us and all of creation to wholeness The center of this story is Jesus Christ who lived died rose and still lives for us The second story involves our own lives today asking how we can connect with God's story where God is working in our lives and what we will do with Jesus' invitation to follow him Hershberger invites readers to join a conversation that covers these and other questions about faith Drawing on direct honest dialogue with Mennonite teenagers young adults and pastors this guide engages groups in the discussions that matter most as it leads readers deeper into a faith that can become their own as they consider baptism or church membership

Gideon's Fleece: Seeking God's Assurance Ahmed Musa , 2024-12-13 A reluctant leader A fleece of doubt God's unwavering confirmation When the Midianites oppressed Israel Gideon was called by God to deliver His people Yet Gideon struggled with doubt feeling unworthy of such a monumental task In a moment of uncertainty he placed a fleece on the ground asking God for a sign If this fleece is wet with dew and the ground is dry I will know that You have truly called me When God answered his request Gideon sought another confirmation Let the fleece remain dry and the ground wet God responded again affirming His call Gideon's Fleece Seeking God's Assurance explores this deeply human moment of doubt and faith revealing how God patiently reassures those He calls even in moments of fear and insecurity In Gideon's Fleece Seeking God's Assurance you will discover The story of Gideon's call and the challenges he faced in stepping out in faith to lead Israel against overwhelming odds The significance of the fleece and how it symbolizes the balance between human doubt and divine reassurance The deeper meaning behind Gideon's request for signs and how God's response was not a sign of weakness but an act of mercy to build Gideon's faith and courage How God meets us where we are offering His assurance in ways that speak to our hearts even when we struggle with doubt or insecurity The lessons we can learn from Gideon's story about the importance of seeking God's guidance and trusting in His promises even when we are uncertain about His plans for us Gideon's fleece is more than just a request for confirmation it is a beautiful illustration of God's grace in the midst of human weakness Gideon though uncertain and filled with self-doubt was assured by God that His will would be accomplished This story shows us that it is okay to seek confirmation from God but it also challenges us to trust His voice and step forward in faith even when we don't have all the answers How often do you struggle with doubt when God calls you to

something big How does Gideon s story encourage you to seek God s assurance and trust in His plans for you Gideon s fleece reminds us that our doubts do not disqualify us from God s calling God is patient with our insecurities and willing to confirm His will but He also calls us to take bold steps forward in faith knowing that His presence will guide us every step of the way Step into Gideon s Fleece Seeking God s Assurance and discover how to trust God s guidance even in moments of uncertainty God s assurances are not signs of weakness but of His love care and commitment to His people

Finding God's Will
Gregg Matte,2010-11-25 Pastor Gregg Matte writes God s will is not the needle in the haystack discovered only by Navy SEALs for Jesus it is actually the hay in the haystack to be found by every believer This is great news for any Christian who has ever wondered about finding and living in the will of God Through an extensive intimate examination of God s encounter with Moses in the burning bush Finding God s Will invites readers to shift their understanding of God s will from an event to be experienced to a process to live God s will is what happens when we seek him Readers will discover how to be on the lookout for their own burning bushes how to focus on pleasing Thee not they and how to expect God s power as they seek his will They may also be surprised to find that as they seek a deeper relationship with God his direction and guidance become clear A life centered in God s will is a promise offered to every believer and every Christian can learn how to receive that gift

Story Work/Story Play Mary LaMont, 2023-05-02 A central assumption of narrative spirituality is that the act of retelling the story of episodes of our lives can help us better see the larger Guiding Story that God dreams for us When I can see my Guiding Story more clearly I am better able to handle crisis and transition and better able to see my true purpose Story Work Story Play lays out a four door method of spirituality that invites participants to explore their Guiding Story through four doors that correspond to the four parts of any story a main character a problem to solve the power needed to solve it and the action taken by the main character The chapter for each of these four doors provides theological psychological and scriptural foundations for the narrative method and includes up to ten to fifteen story work story play exercises the reader can use to practice the method Each chapter also includes profile stories of real people who have discovered layers of their own Guiding Stories The book ends each chapter with a Guided Visualization The book's final chapter explains how members of a narrative circle can use the narrative spirituality tools of this book to discern each one's own unique Guiding Story
