

**SELECTED JUDGMENTS
of the
SUPREME COURT
OF ISRAEL**

Special Volume

EDITED BY
Asher Felix Landau

Selected Judgments Of The Supreme Court Of Israel Special Volume

Simon Rabinovitch

Selected Judgments Of The Supreme Court Of Israel Special Volume:

Palestine and Israel John B. Quigley, 1990 The dispute over Palestine between the Palestinian Arabs and the Israelis is one of the most volatile and intractable conflicts in the world today Palestine and Israel examines the history of this battle from the perspective of international law and it argues that a long term solution to the conflict must protect legitimate interests to remain viable an element the author believes has so far been seriously neglected This extensively documented work details the complex politics and agonizing struggles that have characterized the clash between Jews and Arabs examining in depth the competing claims to Palestine and the extent to which legitimate interests remain to be fulfilled Beginning with the early Zionist settlement in Palestine that rose from the effort by Jews to escape long standing discrimination in Europe Qigley investigates the origins of the dispute including the British occupation of Palestine the British Mandate and the involvement of the United Nations He examines the 1948 War the establishment of Israel and explores the legal and political status of Jews there After a detailed analysis of the 1967 War and Israel s occupation of the West Bank and Gaza Strip he concludes with recommendations for resolving the conflict including discussions of the responsibility of other states for the persisting injustice the role of other states in settling the dispute and steps to a possible solution

Selected Judgements by the Supreme Court of Israel Israel. Bet ha-mishpaḥU'ha-'elyon, 1971 **The Genocide Convention** John Quigley, 2016-03-09 The Genocide Convention explores the question of whether the law and genocide law in particular can prevent mass atrocities The volume explains how genocide came to be accepted as a legal norm and analyzes the intent required for this categorization The work also discusses individual suits against states for genocide and finally explores the utility of genocide as a legal concept

Selected Judgments of the Supreme Court of Israel Asher Felix Landau, 2023-07-28 Is Judaism a religion or a nationality Can a person claim Jewish nationality and at the same time no religion Does conversion from Judaism prevent an individual from emigrating to Israel under the Law of Return These questions were recently considered by the Israeli Supreme Court and the judgments rendered are translated in this volume Palestinian and Israeli statutes concerning immigration nationalization and registration are interpreted by the judges

Jewish Law in Legal History and the Modern World Bernard S. Jackson, 1980-01-01 **The Case for Palestine** John B. Quigley, 2005 A history of the conflict between Israel and the Palestinians from the perspective of international law that examines the extent to which legitimate interests remain to be fulfilled *A Multicultural Entrapment* Michael Karayanni, 2020-12-17 The religion and state debate in Israel has overlooked the Palestinian Arab religious communities and their members focusing almost exclusively on Jewish religious institutions and norms and Jewish majority members Because religion and state debates in many other countries are defined largely by minority religions issues the debate in Israel is anomalous Michael Karayanni advances a legal matrix that explains this anomaly by referencing specific constitutional values At the same time he also takes a critical look at these values and presents the argument that what might be seen as liberal

and multicultural is at its core just as illiberal and coercive In making this argument A Multicultural Entrapment suggests a set of multicultural qualifications by which one should judge whether a group based accommodation is of a multicultural nature

Sovereignty and Religious Freedom Simon Rabinovitch, 2024-11-26 A comparative legal history of Jewish sovereignty and religious freedom illuminating the surprising ways that collective and individual rights have evolved over the past two centuries It is a common assumption that in Israel Jews have sovereignty and in most other places where Jews live today they have religious freedom instead As Simon Rabinovitch shows in this original work the situation is much more complicated Jews today possess different kinds of legal rights in states around the world some stem from religious freedom protections and others evolved from a longer history of Jewish autonomy By comparing conflicts between Jewish collective and individual rights in courts and laws across the globe from the French Revolution to today this book provides a nuanced legal history of Jewish sovereignty and religious freedom Rabinovitch weaves key themes in Jewish legal history with the individual stories of litigants exploring ideas about citizenship and belonging who is a Jew what makes a Jewish family and how to define Jewish space He uses recent court cases to explore problems of conflicting rights and then situates each case in a wider historical context This unique comparative history creates a global picture of modern legal development in which Jews continue to use the law to carve out surprising forms of sovereignty

Israel Yearbook on Human Rights, Volume 16 (1986) Yoram Dinstein, 2020-10-26 *Law and Government in Israel* Gideon Doron, Arye Naor, Assaf Meydani, 2013-10-31 While most current studies on law and politics in Israel focus on the legal aspects of public policymaking within the courts this book explores the relationship between law and government from a positive perspective That is to say that the question asked is how the political relationships between the three branches of government affect public policy and hence social outcomes The eleven contributors to this volume concentrate on Israel from theoretical comparative and critical approaches and hence the analysis presented could as well be applied to other polities This book was published as a special issue of Israel Affairs

Unveiling the Energy of Verbal Artistry: An Psychological Sojourn through **Selected Judgments Of The Supreme Court Of Israel Special Volume**

In some sort of inundated with monitors and the cacophony of immediate communication, the profound energy and emotional resonance of verbal art often diminish in to obscurity, eclipsed by the constant assault of noise and distractions.
