Selected Journals Of L M Montgomery Vol 2 1910 1921:

The Selected Journals of L.M. Montgomery: 1910-1921 Lucy Maud Montgomery, 1985 **The Selected Journals of L.M. Montgomery Volume II: 1910-1921** Mary ed Rubio, 1987 **The L.M. Montgomery Reader** Benjamin Lefebvre, 2014-12-18 Now available in paperback The L M Montgomery Reader assembles rediscovered primary material on one of Canada's most enduringly popular authors spanning the entirety of her high profile career and the years since her death Volume Three A Legacy in Review examines a long overlooked portion of Montgomery's critical reception reviews of her books Although Montgomery downplayed the impact that reviews had on her writing career claiming to be amused and tolerant of reviewers contradictory opinions about her work she nevertheless cared enough to keep a large percentage of them in scrapbooks as an archive of her career This volume presents more than four hundred reviews from eight countries that raise questions about and offer reflections on gender genre setting character audience and nationalism much of which anticipated the scholarship that has thrived in the last four decades Each volume in The L M Montgomery Reader is accompanied by an extensive introduction and detailed commentary by leading Montgomery scholar Benjamin Lefebvre that traces the interplay between the author and the critic as well as between the private and the public Montgomery **The Intimate Life of L.M. Montgomery** Irene Gammel, 2005-01-01 Who ultimately is L M Montgomery and why was there such an obsession with secrecy hiding and encoding in her life and fiction Delving into the hidden life of Canada's most enigmatic writer The Intimate Life of L M Montgomery answers these questions The eleven essays illuminate Montgomery's personal writings and photographic self portraits and probe the ways in which she actively shaped her life as a work of art This is the first book to investigate Montgomery's personal writings which filled thousands of pages in journals and a memoir correspondence scrapbooks and photography Using theories of autobiography and life writing the essays probe the author's flair for the dramatic and her exuberance in costuming while also exploring the personal facts behind some of her fiction including the beloved Anne of Green Gables Focussing on topics such as sexuality depression marriage aging illness and writing the essays strip away the layers of art and artifice that disguised Montgomery's most intensely guarded secrets including details of her affair with Herman Leard her marriage with Ewen Macdonald and her friendships with Nora Lefurgey and Isabel Anderson The book also includes rare photographs taken by Montgomery and others many of which have not previously appeared in print One of the highlights of The Intimate Life of L M Montgomery is the inclusion of a secret diary that Montgomery wrote with Lefurgey in 1903 This hilarious document is a rare find for Montgomery's teasing banter presents us with a new voice that is distinct from the sombre tone of her journals Published here for the first time more than 100 years after its composition this diary is virtually unknown to readers and scholars and is a welcome addition to the literature on this important figure This volume fills in many of the blanks surrounding Montgomery's personal life Engaging and erudite it is a boon for scholars and Montgomery fans alike The Selected Journals of L.M. Montgomery Lucy Maud

Montgomery, 2001 These journals record great change and upheaval in society as well as in Montgomery's life. She tells of her wedding and honeymoon, her departure from Prince Edward Island to an Ontario village, the joys of motherhood and the traumas of a disturbed marriage. Literary Culture and Female Authorship in Canada 1760-2000 Faye Hammill, 2021-10-18

There are two ladies in the province I am told who read writes Frances Brooke's *Arabella Fermor* but both are above fifty and are regarded as prodigies of erudition. Brooke's *The History of Emily Montague* 1769 was the first work of fiction to be set in Canada and also the first book to reflect on the situation of the woman writer there. Her analysis of the experience of writing in Canada is continued by the five other writers considered in this study: Susanna Moodie, Sara Jeannette Duncan, L. M. Montgomery, Margaret Atwood, and Carol Shields. All of these authors examine the social position of the woman of letters in Canada, the intellectual stimulation available to her, the literary possibilities of Canadian subject matter, and the practical aspects of reading, writing, and publishing in a post-colonial country. This book turns on the ways in which those aspects of authorship and literary culture in Canada have been inscribed in imaginative autobiographical and critical texts by the six authors. It traces the evolving situation of the Canadian woman writer over the course of two centuries and explores the impact of social and cultural change on the experience of writing in Canada. Mobilizing Mercy Sarah Glassford, 2017-05-31

An engaging history that follows Canada's leading humanitarian organization through decades of war, peace, and social change. Canadian History: Confederation to the present Martin Brook Taylor, Doug Owram, 1994-01-01

In these two volumes which replace the Reader's Guide to Canadian History, experts provide a select and critical guide to historical writing about pre and post Confederation Canada, with an emphasis on the most recent scholarship. Cover A Sisterhood of Suffering and Service Sarah Glassford, Amy J. Shaw, 2012-04-15

As the body of First World War literature continues to grow, women's experiences of this period remain largely obscure. This innovative collection addresses the invisibility of women in this literature, particularly with regard to Canadian and Newfoundland history. Drawing upon a multidisciplinary spectrum of recent work, studies on mobilizing women, paid and volunteer employment at home and overseas, grief, childhood, family life, and literary representations, this book brings Canadian and Newfoundland women and girls into the history of the First World War and marks their place in the narrative of national transformation. Character Parts Brian Busby, 2010-11-05

Ever wondered where novelists get the inspiration for their characters? Why the hero or villain of your favourite book seems oddly familiar? Who inspired Mordecai Richler to create Bernard Gursky? Margaret Atwood to create Zenia in *The Robber Bride*? In which novel does Northrop Frye appear as a character named Morton Hyland? The answers can be found in *Character Parts*, Brian Busby's irreverent yet authoritative guide to who's really who in Canadian literature. The most original and entertaining reference book to be published in years, *Character Parts* is the behind-the-scenes look at CanLit we have all been waiting for. Brian Busby settles the suspicions that arise when a fictional character reminds you of a real-life one, listing the sources for characters from the whole of Canadian literature. His canvas stretches

from the settlers who inspired 1852's *Roughing It in the Bush* to Glenn Gould's appearance as Nathaniel Orlando Gow in Tim Wynne Jones' *The Maestro* and beyond. But *Character Parts* is also chock full of fascinating less famous people who have been immortalized in Canadian books: seductive Alberta politicians, British army generals, anarchists, models, aristocrats, and of course parents, siblings, and ex-spouses. Authoritative but presented with a light touch, *Character Parts* is as at home in a university library as on a bathroom shelf. It's that rare find: an exemplary reference book that is also an absolutely entertaining read in its own right.
