Show Of Force:

Show of Force Charles D. Taylor, As the two largest most powerfully equipped naval fleets in history move slowly toward each other near Islas Piedras an American missile site in the Indian Ocean that threatens Russia's grip on the Middle East two men stand in the darkened control rooms of their ships David Charles and Alex Kupinsky are worried because as the admirals of these fleets they may be responsible for all out nuclear war They are also concerned because once a long time ago they were the best of friends As Admirals Charles and Kupinsky face imminent disaster forced to make their moves on the chessboard of modern warfare we look back over their pasts as men of peace and men of war David Charles learned the hard way in the tragic Bay of Pigs on the treacherous rivers of Vietnam and in the backrooms of embassies around the world Alex Kupinsky was raised by the man who watched his father die in World War II the same man who has since become Admiral of the Fleet of the Soviet Union Moving from the real past to the possible future from romantic memories of the women left behind to hard action on the high seas SHOW OF FORCE is the story of men turned warriors of a world turned battlefield And as communications break down between Washington Moscow and the fleets themselves it becomes the story of two men with the power to stop that ultimate folly of the mighty World War III **Show of Force** AJ Quinn,2013-09-16 It should have been simple but life has a way of getting complicated When correspondent Tate McKenna broke her own rules and took navy pilot Lieutenant Commander Evan Kane home from an embassy dinner in Bahrain she knew all the reasons why it wouldn't work Long unpredictable work hours Extended absences The dangers inherent in their jobs Yet after being with Evan once it was inconceivable she wouldn't be with her again When they finally have a chance to get things right danger follows them home from Afghanistan Now Tate and Evan must stand together in a show of force or risk losing everything including their lives *Military Law Review* ,1993 **Show of Justice** Alan Ward,2013-10-01 First published in 1974 A Show of Justice remains the essential and definitive text on official policies towards the Māori people in the nineteenth century Professor Ward shows how an understanding of the past explains why Māori today formally equal under the law continue having to demand rights assured under the Treaty of Waitangi and why major issues have yet to be recognised and addressed A Show of Justice also has a glossary of Māori terms a full index and notes **Hearings** United States. President's Commission on Law Enforcement and Administration of Justice, 1967 Juridification of Warfare and Limits of Accountability Martina Kolanoski, 2022-07-18 The book provides an empirical account of the laws that regulate today's scenes of armed conflict by looking into the details of one particular military incident and its ex post legal accounting Empirically the book focuses on a highly controversial airstrike in Afghanistan 2009 in which large numbers of civilians were identified as combatants and killed as such The incident lends itself to reflect upon the relation between the violation of procedural rules and the violation of the international laws of armed conflict The ethnomethodological Law in Action research investigates the practical details of legal accountability and explores how the event shaped and specified the legally required protection of civilians in armed conflict Exploring the collaborative and systematic work that goes into the application of law at the military and the judiciary site the study develops an empirical respecification of the concept of juridification of warfare **Field Surveys: The police and the community, by J. D. Lohman and G. E. Misner** United States. President's Commission on Law Enforcement and Administration of Justice, 1966 **Strategic Culture, Securitisation and the Use of Force** Wilhelm Mirow, 2016-04-14 This book investigates and explains the extent to which different liberal democracies have resorted to the use of force since the 9 11 terrorist attacks The responses of democratic states throughout the world to the September 2001 terrorist attacks have varied greatly This book analyses the various factors that had an impact on decisions on the use of force by governments of liberal democratic states It seeks to explain differences in the security policies and practices of Australia Canada France Germany and the UK regarding the war in Afghanistan domestic counterterrorism measures and the Iraq War To this end the book combines the concepts of strategic culture and securitisation into a theoretical model that disentangles the individual structural and agential causes of the use of force by the state and sequentially analyses the impact of each causal component on the other It argues that the norms of a strategic culture shape securitisation processes of different expressions which then bring about distinct modes of the use of force in individual security policy decisions While governments can also deviate from the constraints of a strategic culture this is likely to encounter a strong reaction from large parts of the population which in turn can lead to a long term change in strategic culture This book will be of much interest to students of strategic culture securitisation European politics security studies and IR in general **Executive Sessions of the Senate Foreign Relations Committee** United States.
