Louis Dudek A Checklist:

Open Letter, 1981 **Canadiana**, 1987 **A Checklist of Printed Materials Relating to French-Canadian Literature, 1763-1968** University of British Columbia. Library, Gérard Tougas, 1973 This second enlarged edition of Gérard Tougas Checklist is essentially a primary bibliography of French Canadian literature from the nineteenth century to 1968 The Checklist containing over 2800 titles represents the holdings of the University of British Columbia Library The UBC collection comprises a substantial portion of the total body of work published in this field Included are books pamphlets and microfilms In this bibliography the term literature has been interpreted to include separately published chronicles literary criticism biographies and folklore as well as novels poetry drama and short stories The second edition has been expanded to include bibliographies and theses *Journal of Canadian Fiction*, 1979 **Canadian Books in Print** Martha Pluscauskas, 1976 **Keepers of the Code** Robert Lecker, 2013-01-01 Robert Lecker explores the ways in which these anthologies contributed to the formation of a Canadian literary canon the extent to which this canon was tied to an ideal of English Canadian nationalism and the material conditions accounting for the anthologies production *Shy of the Squirrel's Foot* Andy Martrich, 2024-11-11 The Jargon Society a boundary pushing publisher of poetry and experimental writing was founded by Jonathan Williams 1929 2008 in 1951 Jargon quickly gained a reputation as the home of the poetic and literary avant garde including noted midcentury poets like Charles Olson and Lorine Niedecker Williams himself looms large in this story as the publisher at Jargon until his death making this book as much about his life and work as the press he founded which today operates through the Black Mountain College Museum in Asheville North Carolina Andy Martrich authors this story in a manner befitting Jargon's ethos of literary experimentation by focusing on the books the Society cataloged but never published While it's not uncommon for a small press to plan for books that don't make it to publication Martrich argues that Jargon's incessant financial difficulties coupled with Williams's impressive network makes its trail of unfinished projects unique and an ideal way to chronicle the press itself Using archival research interviews with volunteers at Jargon and more Martrich gives readers not only an intimate look into a Southern press and publisher but also an important history of modern and experimental literature in twentieth century America *Shy of the Squirrel's Foot* includes an epilogue by Anne Midgette an afterword by Nicole Raziya Fong and Jargon's complete annotated bibliography which details every book the press published compiled in one place for the first time **The Politics of Art**, 2022-06-08 **The Publishers' Trade List Annual**, 1985 **Canadian Reference Sources** Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people institutions organizations publications art literature languages and history It lists books of a general nature as well as works in the disciplines of history and the humanities These large divisions are then broken down by subject genre type of document and province or territory Titles of national provincial territorial or regional interest are included in every subject area when available The contents of the book are indexed

fourways by name title French subject and English subject And to facilitate browsing the major reference books those dealing with more than one subject or a large geographical region are also cross referenced Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages Entries for unilingual works include citation in the language of the publication and a bilingual annotation The annotations are descriptive and provide information on the content arrangements and indexing of works the availability of non print formats previous editions and title changes and related works Canadian Reference Sources will be an invaluable reference tool for future scholars and researchers
