**Love, Freedom, and Aloneness** Osho,2002-12-13 Why it is that people who are happy being alone have the best chance to have good relationships with others      **Yoga** Osho,2002-12-06 Drawing from yoga's original teachings Osho clarifies the mind body relationship and reveals yoga to be not only a set of physical exercises but what he calls a science of the soul

**India My Love** Osho,2002-01-23 India is not just a geography or history It is not only a nation a country a mere piece of land It is something more it is a metaphor poetry something invisible but very tangible It is vibrating with certain energy fields that no other country can claim For almost ten thousand years thousands of people have reached to the ultimate explosion of consciousness Their vibration is still alive their impact is in the very air you just need a certain perceptivity a certain capacity to receive the invisible that surrounds this strange land It is strange because it has renounced everything for a single search the search for the truth In these pages we are treated to a spellbinding vision of what Osho calls the real India the India that has given birth to enlightened mystics and master musicians to the inspired poetry of the Upanishads and the breathtaking architecture of the Taj Mahal We travel through the landscape of India's golden past with Alexander the Great and meet the strange people he met along the way We are given a front row seat in the proceedings of the legendary court of the Moghul Emperor Akbar and an insider's view of the assemblies of Gautama the Buddha and his disciples In the process we discover just what it is about India that has made it a magnet for seekers for centuries and the importance of India's unique contribution to our human search for truth      **Spiritual Liberation** Michael Bernard Beckwith,2009-10-06

Michael Bernard Beckwith the dynamic spiritual leader who touched millions of readers and viewers in The Secret and through the spiritual community he founded the Agape International Spiritual Center is now sharing his transforming central message and his powerfully accessible means for embodying that message in daily life a process he calls aspiring toward spiritual liberation Michael Beckwith teaches that inner spiritual work not religiosity or dogma liberates us He draws on a wide spectrum of ancient wisdom teachers such as Jesus the Christ and Gautama the Buddha contemporary spiritual luminaries Thich Nhat Hanh Sri Aurobindo and the Dalai Lama and Western contributors to the New Thought tradition of spirituality such as Emanuel Swedenborg Walter Russell and Dr Howard Thurman to create a profound new belief synthesis Either read silently or aloud Spiritual Liberation can be included during meditation or prayer Each chapter includes an affirmation that distills its core concepts into a sentence or two for the reader to easily practice throughout the day Beckwith's personal and touching accounts guide the practitioner to integrate and activate the intrinsic gifts of divinity into everyday life The core concepts of Beckwith's teachings are cohesively conceived and convincingly stated in the provocative chapters of Spiritual Liberation Topics covering Evolved People Transportation to Transformation Transcending the Tyranny of Trends and Inner Ecology are some of his foundational teachings that bring together insights from a range of spiritual paths to form a coherent practice that is neither Eastern nor Western but truly spiritually global Regardless of their belief system

readers will find it impossible to finish this book without at least a few Aha moments      **Engaging the Heart in Business**

Alice Alessandri, Alberto Aleo, 2020-07-22 In the wake of the profound upheavals that our society has been facing the business world is undergoing change Values such as trust well being sustainability and respect for human beings and their deeper ambitions are becoming increasingly important Corporations and professionals can achieve and maintain success only if they can bring their relationship with their customers to a new higher level The condition that links the two is very similar to that created when we fall in love The organizational models and marketing approaches based on the metaphor of war and the inherent rhetoric of command and control are no longer valid to form such a bond we need love The authors are aware of this Since 2013 in collaboration with international scholars they have been studying the new market dynamics and the fundamental role of ethics in gaining commercial results While their previous book *Sales Ethics* 2015 helped to set up and manage customer relationships based on trust and fairness this new book will support you in building your business strategy and designing marketing tools from customer analysis to the definition of your offer and the style of communication up to the positioning of prices and the management of resources in the light of a new model the Loving Business Model which aims to make the customer fall in love with you and you with your work This book like its predecessor is the result of independent research conducted between Italy and the United States combined with the authors many years of professional experience It contains the most up to date and effective techniques available in the modern marketing landscape supported by case studies concrete examples and activities which will guide you to put your newly acquired knowledge into practice      *Mafia State*

Luke Harding, 2021-07-01 Award winning journalist and bestselling author Luke Harding s haunting brilliant account of the insidious methods used against him by a resurgent Kremlin which led to him becoming the first western reporter to be deported from Russia since the days of the Cold War FEATURING A NEW FOREWORD FROM THE AUTHOR A courageous and explosive expos ORLANDO FIGES Luke Harding is one of the best reporters in the world ROBERT SAVIANO An essential read NEW STATESMAN In 2007 Luke Harding arrived in Moscow to take up a new job as a correspondent for the British newspaper the Guardian Within months mysterious agents from Russia s Federal Security Service the successor to the KGB had broken into his flat He found himself tailed by men in cheap leather jackets bugged and even summoned to Lefortovo the KGB s notorious prison The break in was the beginning of an extraordinary psychological war against the journalist and his family Vladimir Putin s spies used tactics developed by the KGB and perfected in the 1970s by the Stasi East Germany s sinister secret police This clandestine campaign burst into the open in 2011 when the Kremlin expelled Harding from Moscow Luke Harding s *Mafia State* gives a unique personal and compelling portrait of today s Russia two decades after the end of communism that reads like a spy thriller      **Expelled** Luke Harding, 2024-09-04 In 2007 Luke Harding arrived in

Moscow to take up a new job as a correspondent for the British newspaper The Guardian Within months mysterious agents from Russia s Federal Security Service the successor to the KGB had broken into his apartment He found himself tailed by

men in leather jackets bugged and even summoned to the KGB's notorious prison Lefortovo. The break in was the beginning of an extraordinary psychological war against the journalist and his family. Windows left open in his children's bedroom, secret police agents tailing Harding on the street and customs agents harassing the family as they left and entered the country became the norm. The campaign of persecution burst into the open in 2011 when the Kremlin expelled Harding from Moscow, the first western reporter to be deported from Russia since the days of the Cold War. Expelled is a brilliant and haunting account of the insidious methods used by a resurgent Kremlin against its so-called enemies: human rights workers, western diplomats, journalists and opposition activists. It includes illuminating diplomatic cables which describe Russia as a virtual mafia state. Harding gives a personal and compelling portrait of Russia that in its bid to remain a superpower is descending into a corrupt police state.

**Guru English** Srinivas Aravamudan, 2006. *Guru English* is a bold reconceptualization of the scope and meaning of cosmopolitanism, examining the language of South Asian religiosity as it has flourished both inside and outside of its original context for the past two hundred years. The book surveys a specific set of religious vocabularies from South Asia that Aravamudan argues launches a different kind of cosmopolitanism into global use. Using *Guru English* as a tagline for the globalizing idiom that has grown up around these religions, Aravamudan traces the diffusion and transformation of South Asian religious discourses as they shuttled between East and West through English language use. The book demonstrates that cosmopolitanism is not just a secular Western discourse that results from a disenchantment with religion, but something that can also be refashioned from South Asian religion when these materials are put into dialogue with contemporary social movements and literary texts. Aravamudan looks at religious forms of neoclassicism, nationalism, Romanticism, postmodernism and nuclear millenarianism, bringing together figures such as Swami Vivekananda, Sri Aurobindo, Mahatma Gandhi and Deepak Chopra with Rudyard Kipling, James Joyce, Robert Oppenheimer and Salman Rushdie. *Guru English* analyzes writers and gurus, literary texts and religious movements and the political uses of religion alongside the literary expressions of religious teachers, showing the cosmopolitan interconnections between the Indian subcontinent, the British Empire and the American New Age.

**Amor, Liberdade E Solitude** Osho, 2006-10-25. Por que tantas pessoas vivem sozinhas hoje em dia? O modelo da família tradicional está ruindo, os filhos mal entram na adolescência e já conhecem o sexo enquanto metade dos casamentos acaba em divórcio. Neste livro, Osho explica por que esses fenômenos estão acontecendo e como podem, na verdade, ser vistos como motivo de celebração e não de preocupação. Num mundo pós-ideológico em que todas as antigas moralidades estão claramente ultrapassadas, temos uma oportunidade de ouro para redefinir e revitalizar as próprias bases da nossa vida. Provocador como sempre, Osho é tão divertido quanto divertido. Um guia encantador e sensato que nos leva, com desenvoltura, a compreender as complexidades dos relacionamentos e da vida moderna.
