Tanner, 2022-03-11 Why Quatro It is pretty simple Quatro means four and this book contains four novellas These four works are not related to one another in any possible way except for the fact they were all written by the same author They all have distinct characters with diverse personalities Where each story takes place is unique They are all of varying lengths and not surprisingly they all have individual titles so it does not matter in which order you read them 15 Minutes to Live Five chapters five dissimilar people five separate locations five different times All with one thing in common they all have only fifteen minutes to live Hamden Notch A sleepy little town with a grisly little secret HouseBeat There's no place like home except if the home doesn't want you there Crust Heaven Travel back in time before computers before cell phones even before most homes had televisions Back when life was simpler especially when viewed through the eyes of a nine year old boy

Crust Heaven Vincent Tanner, 2022-05-31 Crust Heaven a strange name Crust Heaven is a retrospect looking back from an adult's perspective to a nine year old's visions of the world surrounding him Travel back in your mind to a time before computers before cell phones even before most homes had televisions Back when life was simpler My grandson Joey had just turned nine years old One day he said to me You know Papa You cook so good you should open up a restaurant I would if I could I told him You could call it Crust Heaven he stated I have no idea where or how he came up with that name but it stuck in my mind so I started to write this story I only wrote down the first chapter After that it just sat there That was almost twenty years ago I resurrected the story but going back in time to the early fifties to a simpler life when I was growing up I used my grandson Joey as the main character basing much of the story on things he did and said as he was growing up Other happenings and characters are fashioned after things the kids and I did that I grew up with All the things that happen in this story are centered on real life experiences My life's experiences blended in with Joey's There's very little fiction in this story most of it happened at one time or another I am offering you the chance to live and grow up around Crust Heaven and if you're a baby boomer like me you might get a few laughs One of the many people who do proofreading for me and who grew up at the same time as I did wrote to me after reading the first drafts and said Thanks for the memories **POSSESSIVE**

Your Brooklyn* Kevin J.
