Prynce Hopkins,2013-09-13 First Published in 1999 This is Volume VIII of twenty eight in the Psychoanalysis series Written in 1927 this study explores the thesis that attitudes which had their origin in the infantile relationship of father son are often the true cause of the adult s orientation toward particular social movements Current Opinion Edward Jewitt Wheeler,1907 **Current Literature** ,1907 *The Nation* ,1922 *Dr. W. John Murray's Magazine* ,1919 *Fathers Or Sons?* Hopkins, Prynce,2013-09-13 First Published in 1999 This is Volume VIII of twenty eight in the Psychoanalysis series Written in 1927 this study explores the thesis that attitudes which had their origin in the infantile relationship of father son are often the true cause of the adult s orientation toward particular social movements **Christian Science** Lyman Pierson Powell,1907 The Journal of Practical Metaphysics Horatio Willis Dresser,1897 **The Quimby Manuscripts** Phineas Parkhurst Quimby,1961-01-01 For many years a mass of documents of interest to Christian Scientists and to their critics as

well has been withheld from publication although earnestly sought These documents were written by Dr P P Quimby of Portland Maine and contain his views regarding mental and spiritual healing They became familiar to Mrs Mary Baker Eddy when she visited Dr Quimby as a patient and it has been charged by her critics that many of the ideas later promulgated in her teachings were born of the Quimby theories In order to set this controversy at rest many attempts have been made to gain access to the Quimby manuscripts but heretofore without success except in piecemeal or disjointed form The present editor however has been fortunate in securing from Mrs George A Quimby owner of the manuscripts permission to print the documents in full Many of them now see the light of the printed page for the first time Others give a full and authentic version of material from which only short extracts have previously appeared The editor s point of view is that of the expositor never critical save as the author of the manuscripts might have criticized his own work All subject matter in brackets is by the editor also all footnotes Italics and quotation marks have been introduced to a slight extent Scriptural quotations have not been corrected because Dr Quimby was in the habit of paraphrasing in order to show how he interpreted the Bible Some of the articles have been condensed to avoid repetition but no material changes have been made The terms Science Truth Wisdom have been capitalized throughout in conformity with the usage in some of the articles in which these words are synonyms for Christ or God The same is true of the general terms for Quimby s theory the Science of Health the Science of Life and Happiness The term Christian Science is used with reference to the growth of the original teaching of Jesus **The Faith, the Falsity and the Failure of Christian Science** Woodbridge Riley, Frederick William Peabody, Charles Edward Humiston, 1925 **PHINEAS PARKHURST QUIMBY** Igor I. Sikorsky, Vincent J. Tanner, 2022-04-05 Phineas Parkhurst Quimby was a mid 1800s clockmaker in Belfast Maine He became fascinated with the practice of hypnotism then called mesmerism He dropped his clockmaking profession and traveled around Maine offering demonstrations of mesmerism Over the years he studied how the body when mesmerized could perform astonishing feats Gradually Quimby developed what he called science of the mind and used his concepts to heal the sick This is the story of how he evolved his theory Consequently his work was directly related to the founding of the Unity movement and Christian Science The author s position is that the New Age philosophy that the mind controls the body was inspired by a Maine clockmaker *Unity*, 1907
