Paging New Jersey A Literary Guide To The Garden State

Maxine N. Lurie, Marc Mappen

Paging New Jersey A Literary Guide To The Garden State:

Paging New Jersey James F. Broderick, 2003 This engaging book answers such intriguing questions as how author Peter Benchley got the idea for Jaws where Aaron Burr shot Alexander Hamilton and why the Hindenberg exploded over Lakehurst in 1937

American Anti-Pastoral Thomas Gustafson, 2024 Combining literary analysis with historical research Thomas Gustafson examines how Philip Roth's acclaimed 1997 novel American Pastoral draws upon the history of Brookside New Jersey as its model for the fictional hamlet of Old Rimrock American Anti Pastoral peels back myths about the bucolic Garden State countryside to reveal deep fissures within the heart of American democracy

Notorious New Jersey Jon Blackwell, 2007-10-29 Notorious New Jersey is the definitive guide to murder mayhem the mob and corruption in the Garden State With tabloid punch Jon Blackwell tells riveting accounts of Alexander Hamilton falling mortally wounded on the dueling grounds of Weehawken Dutch Schultz getting pumped full of lead in the men's room of the Palace Chop House in Newark and a gang of Islamic terrorists in Jersey City mixing the witch's brew of explosives that became the first bomb to rock the World Trade Center Along with these dramatic stories are tales of lesser known oddities such as the nineteenth century murderer whose skin was turned into leather souvenirs and the state senator from Jersey City who faked his death in a scuba accident in the 1970s in an effort to avoid prison Blackwell also sheds light on some historical whodunits was Bruno Hauptmann really guilty of kidnapping the Lindbergh baby Who was behind the anthrax attacks of 2001 Not forgotten either are notorious characters who may actually be innocent including Rubin Hurricane Carter and those who have never been convicted of wrongdoing although they left office in scandal including Robert Torricelli and James McGreevey Through 100 historic true crime tales that span over 300 years of history Blackwell shows readers a side of New Jersey that would make even the Sopranos shudder

A Study Guide for Judith Ortiz Cofer's "Catch the Moon" Gale, Cengage Learning, A Study Guide for Judith Ortiz Cofer's Catch the Moon excerpted from Gale's acclaimed Short Stories for Students This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Short Stories for Students for all of your research needs

Finding North Jersey James W. Marcum, 2012-10-09 Northern New Jersey is one of the most densely populated places in the nation but it is constantly defined by its relationship to New York City In this insightful study longtime North Jersey resident James Marcum asks why looking well past the false stereotypes to a distinct regional culture and fascinating history How did North Jersey become what it is today and even more fundamentally can we define its boundaries Is it essentially suburban What characterizes the region and its people Join Marcum as he explores these and other issues to come to a better understanding of one of the most intriguing and diverse corners of the Garden State

Encyclopedia of New Jersey Maxine N. Lurie, Marc Mappen, 2004 Contains nearly original articles along with illustrations and maps collecting a wealth of information about the state of New Jersey

Mary Higgins Clark Linda De Roche, 2011-03-21 This incisive exploration

probes the relationship between the novels of bestselling author Mary Higgins Clark and the key events and influences of her life In her 2002 memoir *Kitchen Privileges* Mary Higgins Clark shared the details of her life with her readers but she offered little significant reflection on those details For that readers must look to her fiction where her themes characters and subjects suggest her responses to her life experiences Mary Higgins Clark *Life and Letters* provides readers with an analysis of these connections in a volume that should increase their understanding and appreciation of the author and her work Focusing on subjects associated with the literary elements of representative Clark novels Linda De Roche explores the relationship between the life of this bestselling author and the books that have won her legions of fans for more than a quarter century Themes and issues woven into Clark s fiction such as the role of the past in people s lives repercussions of violence and the concept of identity are considered while close critical readings uncover psychological feminist and sociopolitical interpretations that will delight fans and inform scholars **Left Bank of the Hudson** David J.

Goodwin,2017-10-03 In the late 1980s a handful of artists priced out of Manhattan and desperately needing affordable studio space discovered 111 1st Street a former P Lorillard Tobacco Company warehouse Over the next two decades an eclectic collection of painters sculptors musicians photographers filmmakers and writers dreamt and toiled within the building s labyrinthine halls The local arts scene flourished igniting hope that Jersey City would emerge as the next grassroots center of the art world However a rising real estate market coupled with a provincial political establishment threatened the community at 111 1st Street The artists found themselves entangled in a long complicated and vicious fight for their place in the building and for the physical survival of 111 1st Street itself a site that held so much potential so much promise for Jersey City **Left Bank of the Hudson** offers a window into the demographic political and socio economic changes experienced by Jersey City during the last thirty years Documenting the narrative of 111 1st Street as an act of cultural preservation author David J Goodwin s well researched and significant contribution addresses the question of the role of artists in economically improving cities As a Jersey City resident Goodwin applies his knowledge of the city s rich history of political malfeasance and corruption including how auspicious plans for a waterfront arts enclave were repeatedly bungled by a provincial minded city administration In writing this story Goodwin interviewed thirteen artists and residents two businesses three government officials and five non profits civic organizations and community activists The book chronologically explores the history and business of the P Lorillard Tobacco Company its evolution into a bustling arts community the battle to preserve the warehouse as a historic structure and the lessons to be drawn from the loss and ultimate demolition of the building in 2007 as well as the present state of the neighborhood Setting the facts straight for future generations **Left Bank of the Hudson** provides an illustrative lesson to government officials scholars students activists and everyday citizens attempting to navigate the rediscovery of American cities **Encyclopedia of American Popular Fiction** Geoff Hamilton,Brian Jones,2015-04-22 Provides information on American authors and their works who have been ignored by most literary guides **Bibliographic**

Index ,2004
