Pain Versus Man:

Male vs. Man Dondré T. Whitfield, 2020-04-07 Males look to be served Men look to be of service Emmy Award nominated actor best known for his role on Queen Sugar and transformational speaker Dondré Whitfield challenges us to be real men in this provocative look at the power found in serving others Too many males abuse the power they have Often those males grow up without healthy role models and so while they look like men they act like boys Only now there are adult consequences to their actions And many of us are caught in the shifting cultural ideas about manhood unsure of how to make sound decisions or truly be a man Every day we find evidence that the role of men at home at work and out in the world is deeply misinterpreted In Male vs Man Dondré Whitfield equips us to become men rather than simply grown males Men are healthy and productive servant leaders who bring positive change to their communities Males are self serving and stuck in negative cycles that we hear and read about daily They create chaos instead of cultivating calm Male vs Man is an uplifting playbook for men who want to level up It will help men and women alike understand what real manhood is based on biblical wisdom as well as hard earned lessons from someone who has been there With practical guidance and a strong spiritual foundation Dondré shows how to cultivate the life changing spiritual emotional and psychological attributes of servant leadership at home at work and in our communities
