Painted Moon:

Fantasy Baseball Alan M. Gratz, 2011-03-17 The Wizard of Oz meets America's favorite pastime Alex Metcalf must be dreaming What else would explain why he's playing baseball for the Oz Cyclones with Dorothy as his captain in the Ever After Baseball Tournament But Alex isn't dreaming he's just from the real world And winning the tournament might be his only chance to get back there because the champions get a wish granted by the Wizard Too bad Ever After's most notorious criminal the Big Bad Wolf is also after the wishes And anyone who gets in his way gets eaten From beloved baseball author Alan Gratz comes a novel in which classic literary characters are baseball crazy and one real world boy must face his fears and discover the surprising truth about himself

Polychrome Sculpture Johannes Taubert, 2016-02-15 In the decades since its initial publication in German in 1978 *Polychrome Sculpture* has come to be widely regarded as a watershed text on the making and meaning of European medieval and Baroque painted wood sculpture An early proponent of interdisciplinary research Johannes Taubert played a pioneering role in combining the rigorous scientific analysis of materials with a fuller understanding of form and function an approach that has led to the development of technical art history as practiced today Many of the essays in this volume apply such scientific techniques as microscopic analysis to an art historical understanding of Romanesque and late Gothic wood sculpture revealing that far from serving a merely decorative function the painted surface of these works was intricately connected to their meaning The paint layers on the sculptures for example which the author spent years documenting through close examination and analysis were intended to impart a heightened sense of reality to the life-sized sculptures thereby enhancing the viewer's experience of worship Taubert believed it was crucial for conservators to understand this context before undertaking any treatments No other book offers such a focused subtle and interdisciplinary examination of the subject as *Polychrome Sculpture* This influential work is now available in English for the first time in a meticulous translation enhanced and updated by new color illustrations annotations to the original text and a new introduction
