Painter Speaks Artists Discuss Their Experiences And Careers:

The Painter Speaks Joan Jeffri, 1993-08-18 As part of a large oral history project of the Research Center for Arts and Culture of Columbia University aimed at compiling information on the training career choices and patterns of development of artists twelve insightful narrative interviews were edited and collected for this volume The painters were selected to provide demographic ethnic and gender balance and to represent three broad career stages emerging established and mature In vivid strokes they discuss their family backgrounds education gatekeepers experiences and personal and artistic development Each interview is prefaced by brief career data and followed by honors and exhibit sources and a representative painting is illustrated in color The volume introduction offers a capsule history of art in America and a bibliography is included

Sam Gilliam Jonathan P. Binstock, 2005-12-05 A fresh intelligent and insightful assessment of Sam Gilliam's lifetime achievements as an artist Binstock accomplishes this through his penetrating critical examination of Gilliam's artistic development innovations and the complexities of his contribution both as an abstract and African American artist Valerie J Mercer author of *Explorations in the City of Light Sam Gilliam A Retrospective* which gives focus and definition to an artist critical to our understanding of how contemporary painting has evolved in this country is a highly welcome publication Leslie King Hammond Dean of Graduate Studies Maryland Institute College of Art Sam Gilliam A Retrospective is a thorough and serious assessment of a magisterial career Meticulously examining Gilliam's ideas aesthetics influences artistic process and impact on other artists it illuminates his brilliance and the important role played by his work in the recent history of American painting Maurice Berger Fellow The Vera List Center for Art Politics The New School Finally a comprehensive study of one of our most significant artists Jonathan Binstock's erudite account of Sam Gilliam's innovations in the world of art fills a considerable void in our understanding of painterly abstraction The art works themselves cerebral sentient and fascinating consummate the inquiry and make this book a visual delight Richard J Powell John Spencer Bassett Professor of Art and Art History Duke University Binstock's writings on Sam Gilliam's art over the past four decades have placed the artist in the forefront of contemporary American art In this new book he recounts Gilliam's rise to an artist of international prominence and offers a concise history of contemporary art in Washington A must read David D Driskell author of *Two Centuries of Black American Art* This comprehensive text celebrates one of America's hidden national treasures Gilliam's steadfast and unswerving commitment as an artist shines through his works as in this account of them by Jonathan Binstock What emerges here is a full on profile of an artist and a black American Lowery Stokes Sims President The Studio Museum in Harlem

Leslie D. Ross,1994-05-30 Ross provides a broad survey of pictures and texts concerning saints from the Early Christian through the late Gothic period Both Western and Byzantine material is included Beginning with the earliest pictures of and stories about saints the book traces the evolution of hagiographic imagery primarily in manuscript contexts Because of its cross disciplinary nature it will be of interest to audiences interested in Early Christian Byzantine and Western medieval culture religion society politics and art No other book to date is organized similarly in providing detailed descriptions for the identification of medieval manuscripts with hagiographic texts and illustrations **The Actor Speaks** Joan Jeffri,1994-03-14

The book is based on a series of unique oral histories and interviews with actors who love the stage first and foremost Editor Joan Jeffri focuses on the experience of actors in their training and career development and on their relationships to society culture and institutions Although names like Alan Alda are recognizable from other media these actors all grew up being nourished by the stage Their stories show that theatre is everywhere in this country not only on Broadway but also in churches in schools in regions and in towns These interviews and a thorough introduction provide a history of the American theatre for almost a century the Yiddish theatre the WPA the start of regional theatre off and off off Broadway and the Great White Way through the voices of those who lived it **Bibliographic Guide to Art and Architecture** New York Public

Library. Art and Architecture Division,1996 **Twentieth-century Artists on Art** Jack Robertson,1996 **Women Stage Directors Speak** Rebecca Daniels,2015-11-04 Though stage directing has traditionally been a male dominated profession the number of women directors in the United States has grown significantly in recent years In this work 35 contemporary women stage directors with regional national and international theater backgrounds share their views on the creative process and the influences of gender on their artistic decision making How does it feel to be defined as a woman director rather than simply a director Does gender affect their authority These questions and many others are explored in this study

Craft Artists Marcia Santore,2020-01-15 Welcome to the Craft Artists field If you are interested in a career as a craft artist field you ve come to the right book So what exactly do these people do on the job day in and day out What kind of skills

and educational background do you need to succeed in these fields How much can you expect to make and what are the pros and cons of these various fields Is this even the right career path for you How do you avoid burnout and deal with stress This book can help you answer these questions and more This book which includes interviews with professionals in the following fields Tattoo Artists Ceramic Artists Glass blowers Blacksmiths Jewelers Woodworkers Postmodernism and Video Art Liz Kim, 2025-08-22 Liz Kim traces the theories and artistic practices that articulated American experimental video through its key works and events art critical discourse as well as the politics of its funding and distribution during the 1970s into the 1980s focusing on New York This is a historical examination of the relationship between experimental video and postmodernism in the context of the early New York video scene as a foundational crucible of ideas and practices Video grew out of both the acculturation of television as well as the resistance against its hegemonic forms as it enabled hybrid user generated content As such video became a testing ground for postmodern thought as it sat at the perfect nexus of mass media art and the politics of representation This book historicizes the theories of video art through the shifts in representations of cultural identities and the changes within its critical and structural supports Through this process chapters uncover new roots of postmodernism through historical evidence widening the scope of the term and its concepts The book will be of interest to scholars working in art history film studies and media studies
