

possibilities

remember as a child
when you'd walk amongst the trees
and you'd find a stick that held
so many possibilities

it could have been an arrow
and it could have been a sword
it could have been a telescope,
a microphone, an oar

it could have been a hook you used
to catch things from afar
and it could've been a catapult
that launched a shooting star

it could have been a flute that played
a song you knew so well
it could've been a wand
ready to cast a thousand spells

and now what if I told you
that the stick was all of these
because there lies a certain sense
of magic in the trees

a magic that reminds us
we are not too old to play
that helps us see the awe and wonder
wrapped in every day

see the forest is our playground
and the paths between the trees
are endless new beginnings
of adventures to be seized

so grab that stick and row to shore
then search the midnight sky
play your favourite tune
then cast a spell that makes you fly

catch a shooting star
then launch it back beyond the clouds
search for hidden gold
and mark an X upon the ground

remember how it feels to live
like you've nothing to lose
when just a simple stick
can be whatever you might choose

then seize those new beginnings
strewn across the forest floor
'cause adventure's out there waiting
so, what are you waiting for?
