Prison And Plantation:

Prison and Plantation Michael S. Hindus, 2017-11-01 This broad comparative study examines the social economic and legal contexts of crime and authority in two vastly different states over a one hundred year period Massachusetts an urban industrial and heterogeneous northern state chose the penitentiary in its attempt to minimize the role of informal and extralegal authority while South Carolina a rural southern slave state systematically reduced its formal legal institutions frequently relying on vigilantism A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value **Prison and Plantation** Michael S. Hindus, 1993 *Prison Life Writing* Simon Rolston, 2021-06-30 *Prison Life Writing* is the first full length study of one of the most controversial genres in American literature By exploring the complicated relationship between life writing and institutional power this book reveals the overlooked aesthetic innovations of incarcerated people and the surprising literary roots of the U S prison system Simon Rolston observes that the autobiographical work of incarcerated people is based on a conversion narrative a story arc that underpins the concept of prison rehabilitation and that sometimes serves the interests of the prison system rather than those on the inside Yet many imprisoned people rework the conversion narrative the way they repurpose other objects in prison Like a radio motor retooled into a tattoo gun the conversion narrative has been redefined by some authors for subversive purposes including questioning the ostensible emancipatory role of prison writing critiquing white supremacy and broadly reimagining autobiographical discourse An interdisciplinary work that brings life writing scholarship into conversation with prison studies and law and literature studies *Prison Life Writing* theorizes how life writing works in prison explains literature s complicated entanglements with institutional power and demonstrates the political and aesthetic innovations of one of America s most fascinating literary genres Encyclopedia of Prisons and Correctional Facilities Mary Bosworth, 2004-12-15 Click Additional Materials for downloadable samples The two volume *Encyclopedia of Prisons and Correctional Facilities* aims to provide a critical overview of penal institutions within a historical and contemporary framework The United States has the highest incarceration rate in the world a fact that has caused lawmakers advocates and legal professionals to rethink punishment policies as well as develop new policies on prisoner education and rehabilitation Issues of race gender and class are fully integrated throughout in order to demonstrate the complexity of the implementation and intended results of incarceration The *Encyclopedia* contains biographies articles describing important legal statutes and detailed and authoritative descriptions of the major prisons in the United States Comparative data and examples are employed to analyze the American system within an international context The *Encyclopedia* s 400 entries are all written by recognized authorities The appendix contains a comprehensive listing of every

federal prison in the U S complete with facility details and service information Key Themes Juvenile Justice Labor Prison Architecture Prison Populations Prison Reform Privatization Race Gender Class Security and Classification Sentencing Policy and Laws Staff Theories of Punishment Treatment Programs Editorial Board Stephanie Bush Baskette National Council on Crime and Delinquency NCCD Jeanne Flavin Fordham University Esther Heffernan Edgewood College Jim Thomas Northern Illinois University *American Prisons* David Musick, Kristine Gunsaulus-Musick, 2017-05-18 Imprisonment has become big business in the United States Using a history of ideas approach this book examines the cultural underpinnings of prisons in the United States and explores how shared ideas about imprisonment evolve into a complex loosely connected nationwide system of prisons that keeps enough persons to populate a small nation behind bars razor wire and electrified fences Tracing both the history of the prison and the very idea of imprisonment in the United States this book provides students with a critical overview of American prisons and considers their past their present and directions for the future Topics covered include a history of imprisonment in America from 1600 to the present day the twentieth century prison building binge the relationship between U S prisons and the private sector a critical account of capital punishment less visible prison minorities including women children and the elderly and sex violence and disease in prison This comprehensive book is essential reading for advanced courses on corrections and correctional management and offers a compelling and provocative analysis of the realities of American penal culture from past to present It is perfect reading for students of criminal justice corrections penology and the sociology of punishment

Slaves of the State Dennis Childs, 2015-02-27 The Thirteenth Amendment to the United States Constitution passed in 1865 has long been viewed as a definitive break with the nation s past by abolishing slavery and ushering in an inexorable march toward black freedom *Slaves of the State* presents a stunning counterhistory to this linear narrative of racial social and legal progress in America Dennis Childs argues that the incarceration of black people and other historically repressed groups in chain gangs peon camps prison plantations and penitentiaries represents a ghostly perpetuation of chattel slavery He exposes how the Thirteenth Amendment s exception clause allowing for enslavement as punishment for a crime has inaugurated forms of racial capitalist misogynist incarceration that serve as haunting returns of conditions Africans endured in the barracoons and slave ship holds of the Middle Passage on plantations and in chattel slavery Childs seeks out the historically muted voices of those entombed within terrorizing spaces such as the chain gang rolling cage and the modern solitary confinement cell engaging the writings of Toni Morrison and Chester Himes as well as a broad range of archival materials including landmark court cases prison songs and testimonies reaching back to the birth of modern slave plantations such as Louisiana s Angola penitentiary *Slaves of the State* paves the way for a new understanding of chattel slavery as a continuing social reality of U S empire one resting at the very foundation of today s prison industrial complex that now holds more than 2.3 million people within the country s jails prisons and immigrant detention centers

Proceedings of the Annual Congress of the National Prison Association of the United States National Prison

Association of the United States. Congress, 1906 *Introduction to Corrections* Robert D. Hanser, 2012-10-18 Introduction to Corrections provides students with an understanding of basic concepts in the field of corrections The book offers comprehensive coverage of both institutional and community corrections with particular emphasis on the perspective of the practitioner Students taking corrections classes often have wild misconceptions about prison work and the corrections environment misconceptions typically derived from movies and the news and even current textbooks In this new text Robert Hanser uses his own on the ground experience to colorfully explain how the corrections system actually works and what it is like to be a part of it A practitioner scholar and experienced teacher whose research has focused on gangs domestic violence and corrections Hanser introduces students to the correctional worker's complex world of sub cultural norms the impact of prisoner classification and assessment and both the theory and legal elements affecting corrections systems today **Blood and Dirt** Jared Davidson, Picture for a minute every artwork of colonial New Zealand you can think of Now add a chain gang Hard labour men guarded by other men with guns Men moving heavy metal Men picking at the earth Over and over again This was the reality of nineteenth century New Zealand Forced labour haunts the streets we walk today and the spaces we take for granted The unfree work of prisoners has shaped New Zealand's urban centres and rural landscapes and Te Moana nui a Kiwa the Pacific in profound and unsettling ways Yet these stories are largely unknown a hidden history in plain sight Blood and Dirt explains for the first time the making of New Zealand and its Pacific empire through the prism of prison labour Jared Davidson asks us to look beyond the walls of our nineteenth and early twentieth century prisons to see penal practice as playing an active central role in the creation of modern New Zealand Journeying from the Hohi mission station in the Bay of Islands through to Milford Sound vast forest plantations and on to Parliament itself this vivid and engaging book will change the way you view New Zealand *We Are Not Slaves* Robert T. Chase, 2019-11-21 Hank Lacayo Best Labor Themed Book International Latino Book Awards Best Book Award Division of Critical Criminology and Social Justice American Society of Criminology In the early twentieth century the brutality of southern prisons became a national scandal Prisoners toiled in grueling violent conditions while housed in crude dormitories on what were effectively slave plantations This system persisted until the 1940s when led by Texas southern states adopted northern prison design reforms Texas presented the reforms to the public as modern efficient and disciplined Inside prisons however the transition to penitentiary cells only made the endemic violence more secretive intensifying the labor division that privileged some prisoners with the power to accelerate state orchestrated brutality and the internal sex trade Reformers efforts had only made things worse now it was up to the prisoners to fight for change Drawing from three decades of legal documents compiled by prisoners Robert T Chase narrates the struggle to change prison from within Prisoners forged an alliance with the NAACP to contest the constitutionality of Texas prisons Behind bars a prisoner coalition of Chicano Movement and Black Power organizations publicized their deplorable conditions as slaves of the state and initiated a prison made civil rights revolution and labor

protest movement These insurgents won epochal legal victories that declared conditions in many southern prisons to be cruel and unusual but their movement was overwhelmed by the increasing militarization of the prison system and empowerment of white supremacist gangs that together declared war on prison organizers Told from the vantage point of the prisoners themselves this book weaves together untold but devastatingly important truths from the histories of labor civil rights and politics in the United States as it narrates the transition from prison plantations of the past to the mass incarceration of today

Neoliberalism Economic Policy and the Collapse of the Public Sector Lionel D. Lyles PhD.,2018-07-13 My book demonstrates how classical liberalism was the foundation upon which Thomas Jefferson George Washington Alexander Hamilton and others wrote the Declaration of Independence Constitution and the Bills of Rights however it was rolled back by 1980 and replaced with neoliberalism which was championed by the Reagan Administration In short this ideology has one main aim and that is to shrink government cut the budgets of social programs and give away billions of taxpayer dollars to private business in the form of tax breaks During the Jindal administration and by the end of its first term more than 7 billion worth of tax breaks had been given away to private business A surplus of 1 billion left in the Louisiana treasury by outgoing governor Kathleen Blanco after Hurricane Katrina was given away by the end of the first two months of its first term Today the Louisiana legislature is currently facing a 650 million fiscal cliff and no doubt more budget cuts are in store for the Louisiana public sector

state of Georgia began to make its rapidly growing population of prisoners available for hire The resulting convict leasing
system ensnared not only men but also African American women who were forced to labor in camps and factories to make
profits for private investors In this vivid work of history Talitha L LeFlouria draws from a rich array of primary sources to
piece together the stories of these women recounting what they endured in Georgia s prison system and what their labor
accomplished LeFlouria argues that African American women s presence within the convict lease and chain gang systems of
Georgia helped to modernize the South by creating a new and dynamic set of skills for black women At the same time female
inmates struggled to resist physical and sexual exploitation and to preserve their human dignity within a hostile climate of
terror This revealing history redefines the social context of black women s lives and labor in the New South and allows their
stories to be told for the first time
