Gannon, 2009-11-01 A Native rereading of both British Romanticism and mainstream Euro American ecocriticism this cross cultural transatlantic study of literary imaginings about birds sets the agenda for a more sophisticated and nuanced ecocriticism Lakota critic Thomas C Gannon explores how poets and nature writers in Britain and Native America have incorporated birds into their writings He discerns an evolution in humankind s representations and attitudes toward other species by examining the avian images and tropes in British Romantic and Native American literatures and by considering how such literary treatment succeeds from an ecological or animal rights perspective Such depictions Gannon argues reveal much about underlying cultural and historical relationships with the Other whether other species or other peoples He elucidates the changing interconnections between birds and humans in British Romanticism from Cowper to Clare with particular attention to Wordsworth Coleridge Shelley Byron and Keats Gannon then considers how birds are imagined by Native writers including early Lakota authors and contemporary poets such as Linda Hogan and Joy Harjo

Ultimately he shows how the sensitive and far reaching connections with nature forged by Native American writers encourage a more holistic reimagining of humankind's relationship to other animals      *Myth and Mind* Harvey Birenbaum, 1988 Presents a study of mythology based on the analysis of nonlinear form the self's confrontation with its world and the nature of mythic truth Drawing on texts world wide and on many theorists including Cassirer Eliade Jung Levi Strauss and Buber the book develops a complex view of the relation between consciousness and culture      *Soul Whisperer* Jenna Kernan, 2011-11-15 Her father's death has long haunted shape shifter Bess Suncatcher leading her deep into the Northern California forests in search of healing and peace But that peace is threatened when she discovers a dead human body and is detained by a dangerously sexy stranger As a Soul Whisperer Cesar Garza is fated to use his gifts to track demonic predators But he can't crack this case alone He needs the talents of the mysterious woman who peaks his suspicion and his desire Cesar is determined to fight his attraction to Bess and focus on the investigation For theirs is a potentially deadly and forbidden alliance      *Achieving Ascension* Sonia Diane Bradford, 2017-02-20 Achieving Ascension by Sonia Diane Bradford in conjunction with Veronica J Cate Sonia Diane Bradford has traveled the world She has great insight into the spiritual and religious traditions of the lands she has seen When Bradford began corresponding with Veronica J Cate her consciousness was opened Important revelations have been transcribed for the edification and awareness of the reader These channeled messages from High Cosmic Masters are for the evolution and ascension of humanity Enjoy the journey      **From the Heart of the Crow Country** Joseph Medicine Crow, 2000-01-01 The oral historian of the Crow tribe collects stories which introduce the world of the Crow Indians including its legends humorous tales history and everyday life      Undaunted Spirits Edward J.
