Tupperware Alison J. Clarke, 2014-09-30 From Wonder Bowls to Ice Tupper molds to Party Susans Tupperware has become an icon of suburban living Tracing the fortunes of Earl Tupper's polyethylene containers from early design to global distribution Alison J Clarke explains how Tupperware tapped into potent commercial and social forces becoming a prevailing symbol of late twentieth century consumer culture Invented by Earl Tupper in the 1940s to promote thrift and cleanliness the pastel plasticwares were touted as essential to a postwar lifestyle that emphasized casual entertaining and celebrated America's material abundance By the mid 1950s the Tupperware party which gathered women in a hostess's home for lively product demonstrations and sales was the foundation of a multimillion dollar business that proved as innovative as the containers themselves Clarke shows how the party plan direct sales system by creating a corporate culture based on women's domestic lives played a greater role than patented seals and streamlined design in the success of Tupperware

'The industrialized designer' Leah Armstrong, 2024-10-23 What does it mean to be called an industrial designer This book traces the remarkable rise of this professional identity in historical perspective from a position of anonymity in the early twentieth century to mid century professionalisation to decline and disintegration by 1980 Drawing on new extensive original archival research it uncovers the history of a profession in a state of reinvention 1930 1980 in Britain and the United States The book tests assumptions about the relationship between the professions in the two countries bringing them into comparative historical perspective for the first time The gendered dynamics of professionalisation and their interaction with the representation of the heroic male designer are interrogated and critically examined Building on new gender perspectives to the history of the industrial design profession the book calls for a re examination of the limits and boundaries of what constitutes professional identity and work

Stitch Your Own Silver Linings Christine L.

Conroy, 2014-04-28 Have you ever had the experience where one minute life is wonderful and you are on top of the world and the next minute that world shatters beneath your feet No one knows better than Christine what that feels like Her world was shattered when her mother sister and daughter were each diagnosed with cancer However it was thanks to that life changing experience which she calls The Twilight Zone that she found her true purpose in life She also found happiness from the inside out a true long lasting happiness that will never be shaken In a warm sincere and thoroughly engaging way Stitch Your Own Silver Linings shows how you can do that for yourself In the pages of this book readers will hear Christine's story and understand why she is so passionate about their happiness They will understand what happiness is and what it isn't be introduced to a new concept of happiness and wellbeing that they can put to work in their own life learn how to forgive develop self esteem and confidence become an authentically positive person discover previously hidden strengths and use them to increase resilience and much more The book also introduces the inspirational Conroy women whose stories are

woven throughout to demonstrate that by following the Conroy Concept 7 themes based on personal experience and backed up by scientific research readers will be able stitch their own silver linings and help themselves to happiness This book will appeal mostly to women It will help those struggling with any form of adversity but in particular those suffering with depression and those caring for cancer sufferers A free companion workbook is available to download online **Swedish Design** Lasse Brunnström, 2018-10-18 Swedish Design A History provides a fascinating and comprehensive introduction to the development of design in Sweden from the mid nineteenth century to the early twenty first Leading design historian Lasse Brunnström traces the move from artisanal crafts production to the mass production and consumption of designed objects a process by which the role and profile of the designer became increasingly important His survey richly illustrated with images of the designed objects discussed takes in forms of design traditionally associated with Sweden such as household objects and textiles while also considering some less written about genres such as industrial and graphic design Brunnström questions many established ideas about design in Sweden notably its aesthetics and its relationship to Sweden's national and political culture He argues that the history of design in Sweden has been far more complex and less straightforwardly blond than hitherto understood **Design for Society** Nigel Whiteley, 1997-06-01 Although design has become eminently newsworthy among the general public in our society there is very little understanding to be found of the values and implications that underlie it Design generates much heat but little light we live in a world that h **The Design History Reader** Grace Lees-Maffei, Rebecca Houze, 2024-12-13 This revised and updated edition addresses the international history and practice of design from the 17th century to the present day Covering both primary texts by social theorists designers and design reformers and secondary texts in the form of key works of design history and design thinking the Reader provides an essential resource for understanding the history of design the development of the discipline and contemporary issues in design history and practice including decolonization sustainability historiography gender and globalization Extracts are grouped into thematic sections each with a contextualizing introduction by the editors and a guide to further reading The updated edition of The Design History Reader expands upon its original content and features numerous significant voices from across the globe Authors include William Morris Karl Marx Roland Barthes Victor Margolin Penny Sparke Judy Attfield Ellen Lupton and many more **Design**, 1992 **Interior Design Masters** Mark Hinchman, Elyssa Yoneda, 2018-06-27 Interior Design Masters contains 300 biographical entries of people who have significantly impacted design They are the people historical and contemporary that students and practitioners should know Coverage starts in the late Renaissance with a focus on the twentieth and twenty first centuries The book has five sections with the entries alphabetical in each so it can serve as a history textbook and a reference guide The seventeenth and eighteenth century section covers figures from Thomas Chippendale to Horace Walpole The nineteenth century section includes William Morris and Candace Wheeler The early twentieth century section presents modernism's design heroes

including Marcel Breuer Eileen Gray and Gilbert Rohde The post World War II designers range from Madeleine Castaing to Raymond Loewy The final contemporary section includes Ron Arad and the Bouroullec brothers These are the canonical figures who belong to any design history The book also contains less well known figures who deserve attention such as Betty Joel the British art deco furniture designer Paul Veyseyre the Frenchman active in China in the 1930s and more recently Lanzavecchia Wai the Italian Singaporean duo whose work ranges from health care to helicopters Global in its coverage the book is richly illustrated with over 600 black and white and color photographs
