English, William H. Baker, 2006 In today's digital world transferring knowledge is integral to remaining ahead of a competitor. Companies must ensure that they effectively share their lessons and insights as soon as they are discovered. The book features a self assessment section that identifies the effectiveness level of the reader's integrated best practices and benchmarking techniques. Mike English, a partner of Best Practices Benchmarking Consulting LLC and William Baker, formerly the chief knowledge officer of Raytheon, are pioneers and practitioners in the development and application of benchmarking and best practices.

**Leading with Knowledge** Richard C. Huseman, Jon P. Goodman, 1998-12-17 This body of knowledge should be of interest to human resource management specialists and to those who are interested in developing their knowledge and understanding of corporate learning and what a learning organisation is. Indeed it will appeal to academics as it offers a useful introduction and offers some pointers for devising human resource management strategies.

Peter Trim, University of London, British Academy of Management News. Drs Richard C Huseman and Jon P Goodman set forth a strategic model for conceptualizing and leveraging knowledge that is invaluable for executives who want to capture share and leverage the power of knowledge assets.

Thomas Sattelberger, Corpora. Based on a landmark study of over 200 of the largest companies in the United States, this book examines how the intellectual assets of a corporation can be leveraged to create knowledge organization. The book includes an overview of corporate evolution from the classic formally structured organization to an adaptive knowledge based model. It details the forces of change which contemporary corporations must respond to and describes techniques used to restructure organizations. Readers are presented with real world examples that offer insight into the best organizational practice and blueprints for implementation.
