RB 1980 Saint Benedict (Abbot of Monte Cassino.), 1982 *RB 1980* Benedictus (Sanctus), 1981 For fifteen centuries Benedictine monasticism has been governed by a Rule that is at once strong enough to instill order and yet flexible enough to have relevance fifteen hundred years later Unabridged Edition *RB 1980* Saint Benedict (Abbot of Monte Cassino.), 1981

RB 1980 Saint Benedict (Abbot of Monte Cassino.), 1981-01-01 *The Rule of Benedict* Georg Holzherr, 2016-12-12 In his introduction to this commentary on the Rule of Benedict Abbot Georg Holzherr offers this analogy The Rule is comparable to an old heavy red wine that is enjoyed in small sips Head and heart soul and mind should taste the words of the Rule just as the eye enjoys the color of the wine while tongue nose and mouth take in the delightful gift of God each in their own way In this new translation based on the completely revised seventh edition of Die Benediktsregel Holzherr has created a profoundly rich commentary using up to date research methods and the latest translations of ancient monastic texts At the same time this commentary is meant not only for experts in the field of ancient monasticism but also for all lay and monastic readers interested in delving into the teachings and spirituality of Saint Benedict and his spiritual predecessors in the East and in the West This edition also features a completely revised and expanded introduction and commentary New research in the field of early monasticism is offered including new insights into the monastic life of women Finally the updated bibliography and a detailed index are valuable tools for anyone wanting to explore the extraordinary world of Saint Benedict [The Story of Monasticism](#) Greg Peters, 2015-08-11 Some evangelicals perceive monasticism as a relic from the past a retreat from the world or a shirking of the call to the Great Commission At the same time contemporary evangelical spirituality desires historical Christian manifestations of the faith In this accessibly written book Greg Peters an expert in monastic studies who is a Benedictine oblate and spiritual director offers a historical survey of monasticism from its origins to current manifestations Peters recovers the riches of the monastic tradition for contemporary spiritual formation and devotional practice explaining why the monastic impulse is a valid and necessary manifestation of the Christian faith for today's church

Anchoritism in the Middle Ages Catherine Innes-Parker, Naoë Kukita Yoshikawa, 2013-04-30 This volume explores medieval anchoritism the life of a solitary religious recluse from a variety of perspectives The individual essays conceive anchoritism in broadly interpretive categories challenging perceived notions of the very concept of anchoritic rule and

guidance studying the interaction between language and linguistic forms addressing the connection between anchoritism and other forms of solitude particularly in European tales of sanctity and exploring the influence of anchoritic literature on lay devotion As a whole the volume illuminates the richness and fluidity of anchoritic texts and contexts and shows how anchoritism pervaded the spirituality of the Middle Ages for lay and religious alike It moves through both space and time ranging from the third century to the sixteenth from England to the Continent and back Carolingian Medical Knowledge and Practice, c.775-900 Claire BurrIDGE,2024-07-15 Carolingian Medical Knowledge and Practice explores the practicality and applicability of the medical recipes recorded in early medieval manuscripts It takes an original dual approach to these overlooked and understudied texts by not only analysing their practical usability but by also re evaluating these writings in the light of osteological evidence Could those individuals with access to the manuscripts have used them in the context of therapy And would they have wanted to do so In asking these questions this book unpacks longstanding assumptions about the intended purposes of medical texts offering a new perspective on the relationship between medical knowledge and practice *Preferring Christ* Norvene Vest,2004-10 Commentary and devotional meditations on The Rule of St Benedict
