Reach Out Paul J. Foust, Paul Foust, Richard G. Korthals, 1984 Books in Series, 1876-1949 R.R. Bowker Company, 1982

Tell the Truth Will Metzger, 2012-12-14 In this revised fourth edition of his classic evangelistic work Will Metzger calls for a rehabilitation of the truth framework necessary for the survival of the Christian message Metzger's passionate and pragmatic approach provides direction for a new generation of evangelists eager to communicate the whole gospel

Anglican Evangelists Martyn Snow, 2019-06-03 For twenty years the Archbishops College of Evangelists has affirmed and supported Anglican evangelists This book marking the College's twentieth anniversary relaunch relaunches the College with a clear focus on identifying and training new evangelists This book then marks a significant transition The thirteen authors work in a range of contexts and come from different traditions within the church Their focus in this book is less on the nature of evangelism and more on the calling and gifting of the evangelist In different ways they reflect on the questions what is an evangelist How should the church identify and affirm evangelists How do we train evangelists How do we enable evangelists to equip all God's people to witness to the kingdom of God The thirteen contributors are all practitioners and this is reflected in their range of experience and writing styles Some take a deeply biblical and theological approach Others reflect on their personal journey and learning Others offer practical insights and a helpful reframing of the initial questions All of them are fervent in their plea to the church to recognise the unique calling and gifting of the evangelist and reflect on how this gift is received and passed on within the church

A Church on the Move Joe Paprocki, 2016-01-28 2017 Catholic Press

Association Book Awards Second Place Pastoral Ministry IF FORMER CATHOLICS WERE CONSIDERED A DENOMINATION IT WOULD BE THE SECOND LARGEST DENOMINATION IN THE U.S. from A Church on the Move Many statistics on the Catholic Church today are sobering and the future of the Church can seem bleak indeed The average parish often feels helpless to do anything that might help turn the tide and revitalize the Church But best selling author Joe Paprocki insists that there is good news with the right plans in place the Catholic Church and the local parish specifically will not only survive but thrive A Church on the Move offers 52 practical strategies for moving parishes forward principally by focusing on the one thing the Church can offer that the world at large cannot Jesus Christ Each chapter begins with a quote from Pope Francis and each helpful strategy falls within one of five key categories how a Church on the move thinks functions worships forms disciples and engages the world Every chapter takes an honest look at a particular problem in the Church before moving to a creative redemptive and achievable solution A Church on the Move brings to the parish level the great themes of Pope Francis papacy mission mercy and evangelization and replaces despair with a profound hope for the future of the Catholic Church
