## **Reach For Charisma:**

Reach for Charisma Sidney Vernon, 1983-06-01      **Charisma and Patronage** Andrew D. McCulloch, 2016-04-15 A detailed and richly illustrated analysis of charisma and the political and cultural conditions in which charismatic figures arise this work of historical sociology critically engages with Max Weber's ambiguous concept of charisma to examine the charismatic careers of a number of figures including Joan of Arc Hitler and Nelson Mandela as well as that of Jesus who the author contends in contradistinction to Max Weber was not a charismatic leader in spite of his portrayal in Christian theology Shedding light on the process of charismatic transformation as it occurs within intensely solidaristic groups and the importance of patronage in charismatic careers the book distinguishes between charismatic rule and charismatic leadership With close attention to the social and political legacy of charisma for modern capitalism it also examines the emergence of a global class of the super rich a process buttressed by a belief on the part of business leaders in their own charismatic powers A rigorous examination of the under researched political process of charisma the understanding of which remains as important in modern society as in history Charisma and Patronage will appeal to students and scholars across a range of disciplines including sociology history politics and social geography      **Three Seasons of Charismatic Leadership** Tamas Czovek, 2008-04-01 This research is an investigation into the charismatic leadership of Saul David and Solomon Regarding methodology the study is a synchronic reading and is keen to demonstrate the theology explicit or implicit in the text This study assumes that charismatic leaders emerge in crisis situations and in order to resolve the crisis by the charisma granted by God In regard to Saul the book argues that Saul proved himself a charismatic leader as long as acting resolutely and independently from Samuel his mentor He failed however because in Samuel's shadow he could not establish himself as a charismatic leader David was successful because of his autonomy and resolution Also he was a successful charismatic leader as long as he remained independent King David however was gradually sidelined by Joab Another major theme of the David narrative is the clash between the concepts of charismatic military leadership and that of oriental kingship David's military leadership and the charisma related to it are constantly challenged by the concept of oriental kingship Although at his emergence he had lacked charisma Solomon wisely chose the leadership skills needed to lead Israel Attention is however drawn to the tensions between Solomon's leadership benefiting Israel and the royal pretension manifest in royal projects The relationship of the new charismatic leader with the old leader is scrutinized how the new leader is appointed how he emerges how the old persists in short the transition and succession in leadership An evaluation of the activity of the charismatic follows could he resolve the crisis from which he emerged and for which he was granted God's spirit To what extent were these leaders charismatic      **The Charisma Myth** Olivia Fox Cabane, 2013-03-26 Simple techniques to help you become more influential persuasive and confident The charisma myth is the idea that charisma is a fundamental inborn quality you either have it Bill Clinton Steve Jobs Oprah or you don't But that's simply not true as Olivia Fox Cabane reveals Charismatic

behaviors can be learned and perfected by anyone Drawing on techniques she originally developed for Harvard and MIT Cabane breaks charisma down into its components Becoming more charismatic doesn't mean transforming your fundamental personality It's about adopting a series of specific practices that fit in with the personality you already have **Routledge International Handbook of Charisma** José Pedro Zúquete, 2020-11-29 The Routledge International Handbook of Charisma provides an unprecedented multidimensional and multidisciplinary comparative analysis of the phenomenon of charisma first defined by Max Weber as the irrational bond between deified leader and submissive follower It includes broad overviews of foundational theories and experiences of charisma and of associated key issues and themes Contributors include 45 influential international scholars who approach the topic from different disciplinary perspectives and utilize examples from an array of historical and cultural settings The Handbook presents up to date concise thought provoking innovative and informative perspectives on charisma as it has been expressed in the past and as it continues to be manifested in the contemporary world by leaders ranging from shamans to presidents It is designed to be essential reading for all students researchers and general readers interested in achieving a comprehensive understanding of the power and potential of charismatic authority in all its varieties subtleties dynamics and current and potential directions **Charisma** Andrew Leigh, 2012-10-12 Make a powerful positive and lasting impact and become the person everyone remembers as you discover how Charisma can take YOU to a whole new level Learn how to unlock the secrets of being a success with everyone you meet by gaining their agreement confidence commitment and admiration Packed full of strategies for increasing charisma you will learn how to stand out from the crowd communicate with confidence establish lasting meaningful and life changing relationships with people on every level revolutionise your confidence and self esteem and become more assertive so you can get what you want when you want it The full text downloaded to your computer With eBooks you can search for key concepts words and phrases make highlights and notes as you study share your notes with friends eBooks are downloaded to your computer and accessible either offline through the Bookshelf available as a free download available online and also via the iPad and Android apps Upon purchase you'll gain instant access to this eBook Time limit The eBooks products do not have an expiry date You will continue to access your digital ebook products whilst you have your Bookshelf installed **Charisma** Jo Bac, 2013-12 Thoughts and ways of thinking give us our substance and personal essence which make us so individualistic but conversely allow us to closely relate to each other Our here and now our reality or actuality is deeply rooted in our beliefs hopes and plans for the future That is the reason why it is never about bullshit but is always about Hoping Dreaming and our Imagination as well as about the way how we negotiate and renegotiate our thoughts with those who create with us the here and now This paper and future research are dedicated to the political world which is increasingly becoming virtual in a visionary leadership created by each of us in our own personal way **The Power of Charisma** Dan Strutzel, Traci Shoblom, 2018-10-09 Most everyone has something they are passionate about But without the ability to actually effect change

things just stay the same To truly inspire change we must be able to explain the problem inspire people to join us and create a vision for the new reality that motivates others to take the actions that lead to lasting transformation Inspiring change requires charisma the ability to communicate a clear visionary and inspirational message that captivates and motivates an audience Charisma a social skill like listening can be learned Once learned it becomes the difference between being heard or ignored Whether you're the head of a company a Girl Scout troop leader or a freelance artist all alone in your studio charisma can help you get what you want *Master the Art of Charismatic Leadership. How to Inspire, Motivate, and Elevate Any Group* Ahmed Musa, 2025-02-26 Master the Art of Charismatic Leadership How to Inspire Motivate and Elevate Any Group Charisma isn't just a gift it's a skill you can develop The world's most influential leaders don't just command attention they ignite passion rally people behind a vision and inspire action Master the Art of Charismatic Leadership is your playbook for developing a magnetic presence that makes people trust respect and follow you effortlessly Whether you're leading a team building a business or speaking to an audience this book will teach you how to motivate connect and elevate others all while exuding confidence and authenticity Inside you'll discover The Charisma Code the key traits that make leaders unforgettable How to speak with power and influence so people hang onto every word The psychology of motivation how to inspire action and loyalty Non verbal secrets that instantly boost presence authority and trust How to turn any group into a high performing motivated force Filled with real world leadership insights actionable techniques and powerful storytelling strategies Master the Art of Charismatic Leadership will help you captivate lead and elevate any team audience or organization Lead with presence Inspire with purpose Motivate with unstoppable energy *The Anthropology of Religious Charisma* C. Lindholm, 2013-12-18 According to Max Weber charisma is opposed to bureaucratic order This collection reveals the limits of that formula The contributors show how charisma is a part of cultural frameworks while retaining its ecstatic character among American and Italian Catholics Syrian Sufis Taiwanese Buddhists Hassidic Jews and Amazonian shamans among others **Embodying Charisma** Helene Basu, Pnina Werbner, 2002-03-11 The continued vitality of Sufism as a living embodied postcolonial reality challenges the argument that Sufism has died in recent times Throughout India and Bangladesh Sufi shrines exist in both the rural and urban areas from the remotest wilderness to the modern Asian city lying opposite banks and skyscrapers This book illuminates the remarkable resilience of South Asian Sufi saints and their cults in the face of radical economic and political dislocations and breaks new ground in current research It addresses the most recent debates on the encounter between Islam and modernity and presents important new comparative ethnographic material Embodying Charisma re-examines some basic concepts in the sociology and anthropology of religion and the organization of religious movements *Developing Leadership and Employee Health Through the Arts* Julia Romanowska, Anna Nyberg, Töres Theorell, 2016-11-07 This book examines the problems that a laissez faire attitude from managers can create in the workplace as well as the ensuing illness such problems may cause among employees The book

offers new ideas for dealing with these problems and proposes the use of cultural experiences as an active component in leadership development programmes for managers. It presents the findings from a randomized trial to show how cultural experiences can be deployed and what the effect on employees is. The book discusses health promoting leadership and key components in cultural activities for the benefit of workplaces from several points of view offering a historical social psychological biological educational and organizational perspective. Finally it presents new theories on empathy in managers and on employee effects of good bad changes in manager behaviour.

*Saintly Spheres and Islamic Landscapes* Daphna Ephrat, Ethel Sara Wolper, Paulo G. Pinto, 2020-12-07

*Saintly Spheres and Islamic Landscapes* explores the creation expansion and perpetuation of the material and imaginary spheres of spiritual domination and sanctity that surrounded Sufi saints and became central to religious authority Islamic piety and the belief in the miraculous. The cultural and social constructs of Islamic sainthood and the spatial inscription of saintly figures have fascinated and ignited scholars across a range of disciplines. By bringing together a broad scope of perspectives and case studies this book offers the reader the first comprehensive albeit variegated exposition of the evolution of saintly spheres and the emplacements of spiritual power in the Muslim world across time and place.

**The Laws of the Bosses:** Tilawan, 2014

Who are the bosses? How do they come to power? What are their preferences? How brutal can they be? What have they got to do with a sense of humour? What do bosses do in times of danger? What justice is there to expect from the boss? Who are the subordinates? How can the subordinates survive the bosses? And what has spirit and soul got to do with power play? What are the dangers of body language in the world of the bosses? Where are the answers? They are in *The Laws of the Bosses*. This book is an impressive illustration of power display by bosses who make their own laws and live by them. The book contains over seventy true life accounts of power highlighting the intrigues of several bosses from all walks of life and from all parts of the world.

Leadership as a way of focusing and motivating a group or organization to achieve its aims is a much discussed but often misunderstood concept This comprehensive textbook introduces the subject for Masters level students Building on the success of the first edition this text utilises an easy to follow map based approach to take the reader on a journey through the various fundamental dilemmas apparent within leadership studies dilemmas such as Is a leader born or made How are tensions between ethical dilemmas and economic self interest resolved How does a leader's desire for control balance with the need to empower members of the organization Student friendly features new to this edition include a wealth of leadership cases videos and web based content regularly updated so that the book can be studied in the context of the most pressing contemporary leadership issues      **Charisma and Fascism** Antonio Costa Pinto,Roger Eatwell,Stein Ugelvik Larsen,2014-02-25 Fascism remains a topic that fascinates both academic and general audiences This is the first book to look systematically at the leaders of fascism and related movements in the inter war era It shows how fascist leaders came to personify their movements and why the Führerprinzip was applied in all fascist organizations It also explains how fascist leadership was of a very particular kind It was almost unlimited in political discipline and required complete subordination The legitimacy was based on a very vague notion of the organic unity of the state and the people giving the leaders competence to rule without accountability to a party organization or state bodies Thus we can observe in all fascist parties movements a practical form of leadership where policies of split and rule were common in absence of principles of representation and opposition feedbacks The fascist Führer was the leader the party the ideology and when in power the state itself This book was previously published as a special issue of *Totalitarian Movements and Political Religions*      *Charisma and Compassion* C. Julia Huang,2009-01-31 Focusing on the transformation of the Tzu Chi this book contributes to our understanding of the nature of charisma and the role of faith based organisations
