**Timeless Youth Ministry** Lee Vukich, Steve Vandegriff, 2008-01-01 Most adults feel uncomfortable in the teen subculture From this uneasy position adults like to handle the teens like children because they are threatening The purpose of Timeless Youth Ministry is to help people in the church and Christian youth organizations minister to teenagers As former youth pastors and current professors of youth ministry the authors have been there done that in this field They ve run programs camps and ministry trips in such diverse places as southern California east Tennessee northeast Ohio and Alberta Canada to name a few This book is a needed resource to examine afresh what it means to be an adolescent in today s culture and how those who minister to young people can best reach them

**Organizing Your Youth Ministry** Paul Borthwick, 2004-03-01 We need to get organized around here That is the common cry of youth workers who feel burdened by so much to do in so little time so many responsibilities and so few results so much criticism it seems so little support Paul Borthwick agrees that getting organized is essential for effective your ministry and he has written an essential book to help those of you in youth ministry organize three different areas of your lives Personal How do your personal goals and your need

for personal growth fit with your youth ministry If you re married are your spouse and children helped or hurt by your involvement with kids Are your other responsibilities suffering As Borthwick says Good ministry is the result of a balanced personal life Professional Do you see yourself as a youth professional Is your interaction with pastor and church board characterized by mutual respect It s the youth worker who will help other people see youth ministry as a profession and not just a fun and games operation Practical Is your budget balanced Do you frequently begin activities feeling only half prepared Do your volunteers and coworkers know what is expected of them Better planning and time management can create programs lessons and activities that help people grow learn and love each other Part I of Organizing Your Youth Ministry examines the need to the youth minister to organize his or her personal life as well as ministry setting priorities and the special challenges of church youth ministry Part II addresses the philosophical foundations of youth ministry organization Why do we do what we do What is it young people really need How do you work with a team Where do parents fit in Part III discusses how to organize the daily weekly monthly and yearly administrative demands of the youth ministry from budgets to retreats from activities to Sunday school lessons from choir to missions projects from discipleship programs to the special needs of junior high students Part IV helps us to evaluate our goals and to measure the effectiveness of our youth ministry always keeping in mind that as Borthwick says the ultimate purpose isn t just to produce better programs or a more efficient discipleship system but to present each person complete in Christ Col 1 28 NASB So if you like every other youth worker have too much to do too little time to do it in and sometimes don t know where to begin Organizing Your Youth Ministry can help Give it a try and you ll find out why Paul Borthwick says that organization can be a ministry in itself **Asian**

students to the life giving truth of Jesus Christ authenticity authentic youth workers will draw young people to Jesus Christ audacity youth ministry must push students parents and the church outside their comfort zones sanctuary youth ministry must provide a safe place for students diversity youth ministry must challenge young people to embrace diversity humility youth ministry should be clothed in humility intimacy our relationship with Jesus is our youth ministry mystery youth ministry must foster mystery rediscover astonishment and leave room for unanswered questions and creativity youth ministry must free students and youth workers to discover and express their God given creativity As an added resource each member of the CORETM seminar team including authors and speakers such as Laurie Polich Efrem Smith Marv Penner Duffy Robbins contributes sidebars throughout the book responding to Mike s thoughts [Missional Youth Ministry](#) Brian Kirk, Jacob Thorne, 2011-06-07 The mainline church in the past few decades has witnessed a ghettoization of youth within the church segregating them off to a particular room perhaps in the basement where they engage in ministry in isolation from the rest of the congregation They are assigned a youth minister or youth director often the staff person with the least experience freeing up the real ministers to serve the adults in the church They seldom serve on church boards or governing bodies in anything other than a cursory manner Their leadership in worship is limited to one special Sunday a year their activities seen more as programming than ministry and their place often described as the church of the future rather than the body of Christ in the here and now For decades youth ministry in mainline churches has been program driven assuming that the primary function of youth ministry was to use activities and events to attract young people to church and keep them occupied until they were ready to be adult members in the faith In recent years it has become increasingly obvious that this paradigm has failed to develop youth as life long participants in the Christian church and in the Christian faith The result of such a model of ministry is that youth come to see church only as those segregated activities reserved for teenagers most of which bear little resemblance to the practices of the rest of church life Consequently when youth graduate from high school and youth group they perceive that their most meaningful church experiences are ended Mainline congregations are now seeing the evidence of the real lack of impact of their youth ministries as the population of young adults in churches continues to shrink even those young adults who were once regular participants in church youth group programs In short the program driven model of youth ministry has failed to help youth find their place within the mission of the Church Rethinking Youth Ministry critiques this older paradigm and invites the reader into a dialogue to help rethink many of the deepest assumptions of youth ministry in the mainline church We challenge the consumerist goal of judging a youth ministry s success by the number of its participants We push back against the notion that a youth ministry is the sum total of the events on the calendar We rethink the place of volunteers and parents calling for a greater role of adults as spiritual mentors in the lives of church youth We send out a call for greater understanding of modern methods of teaching and the impact of brain research on the intellectual and spiritual development of youth and we re imagine a new role for mission within youth ministry which calls youth to see

mission not as isolated activities but as the very heart of their faith journey Rethinking Youth Ministry serves as a theological companion and practical guide for all those working in the trenches of youth ministry who are seeking to offer students a deeper more consequential and active life long relationship with God through the ministry of Jesus Christ

**Are Junior Highs Missing Persons from Your Youth Ministry?** Mike Frans,1979

**Unpacking Scripture in Youth Ministry** Andrew Root,2013-01-01 Unpacking Scripture in Youth Ministry focuses on how to teach and present the Bible in the lives of teenagers Andrew Root argues that teens are constant interpreters always asking the questions who am I and what do others think of me and so youth ministers must teach them to interpret the actions of God as revealed in the Bible This view is different than teaching biblical knowledge memory verses and Bible facts and it s different than teaching them to interpret the Bible themselves Rather they are to view the Bible as a tool for interpreting God s actions and then respond with their own actions

**Unleashing God's Word in Youth Ministry** Barry Shafer,2009-05-26 Whether Bible studies are a regular part of your ministry or you re thinking about how to bring Bible study into your ministry in a more significant way chances are that you want to help your students enter into God s word in a way that challenges them and changes their lives That s a goal worth working towards but sometimes you will feel like it s a goal that you may never reach Unleashing God s Word in Youth Ministry is designed to help you develop a Bible study approach that engages students on a deeper level even if you re an avid curriculum user or someone who creates all your own discipleship materials from scratch As you devour the wisdom Barry Shafer brings from decades of student ministry and engage in your own study of God s Word you ll discover that Bible study for your students can be taken to a whole new level In the pages of this book you ll Get beyond the typical Bible discussions and learn to confidently engage students in an in depth search of God s Word Teach teens how to study the Bible on their own Be invigorated in your own personal interaction with the Bible Gain confidence and competence in leading teens deeper in Bible studies and much more If you want to take your students deeper into the Bible discover what it takes to unleash God s Word in your own ministry and watch your students and youth ministry be transformed
