Life's Ever Changing Emotions Ronald Black, 2013-02-26 Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we

can claim There are times when we may feel lost and there is nothing that we can do The truth is that there will always be options for us to choose Only with our ever changing emotions at the time we are blind to see For every action there is an opposite reaction There are things that we know that we can do yet we get caught up in the things that we are going through There are times when we are happy and times when we are sad It is a delicate balance in the lives that we live Each of us will need to come to grips with the way that we feel We are never alone although we think at the time that we are alone We need to find the courage to reach out and say that we are here Is there anyone out there that care about the lives that we live At the end of the day if we listen closely we will be able to hear a voice saying that I am here you are not alone Ever changing emotions is what will live in our hearts We just have to decide the things that we want to do and find the courage to follow them through The Life that I have had to live has been very difficult but the love in my heart kept me strong even when I sometimes may have felt alone I have cried my share of tears and I have suffered many years but I kept the love in my heart We are human and we make mistakes but as long as we live there will always be another road for us to take I pray that the poems that you are reading help you to understand that we all go through lifes ever changing emotions We have to live in the moment and if that moment continues to last then we should remember that our lives are made up of our past present and our future For as long as we live we can change the way that we feel Love and forgiveness is what we should always hold most precious in our lives Love and forgiveness can forever live in our hearts Poetry is something that we all share each time that we think a thought We think in poetry only some of us are not able to put it in words but thoughts of poetry live in our hearts We are filled with emotions and that is what poetry is You need to just open your heart to the words written for they are the words coming from a heart just like you From our pain and our sacrifices to our joy and happiness when you read this we will be able to see that we are all the same seeking love and a dream that we can claim *The Glory of God's Light:*

Connect with God Through His Light, Love, and Word Brother Raymond,2020-05-19 Darkness represents anything that is inconsistent with God s nature character and manifestation It appears humanity has lost its connection with God but finding a relationship with God can bring us into the light of His love In *The Glory of God s Light* Brother Raymond shows how to have a relationship with God through His Light His Love and His Word Brother Raymond digs deeper into Scripture and takes examples from his own life to show how God s light is present in every circumstance and points those in darkness into the glory of God s light Could you relish a great relationship with God our Heavenly Father Yes you can **Thomas**

Aquinas and Teilhard de Chardin Donald J. Goergen,2022-10-21 In an increasingly divided and secularized world in an age of unbelief we yearn for increased unity for a sense of the transcendent for a humanism that does not force one to choose between God and the world This humanism requires an integration of ancient wisdom with modern learning or one might say faith and reason religion and science Christology and cosmology As the Gospel of Matthew puts it the sage goes into the storehouse to bring out both something old and something new To this Christian humanism both Thomas Aquinas and Pierre

Teilhard de Chardin have significant contributions to make One is not forced to choose between them but rather to see in these two visionaries one medieval one modern complementary insights One philosophically precise the other scientifically trained they challenge us to look again at our search for wholeness for holiness Can we see something of what they saw Can we seek something of what they sought *Drowning In God's Love* K.L. Bauman,2022-12-15 The call of God is not just for a select few but for everyone Whether I hear God s call or not depends on the condition of my ears and exactly what I hear depends on my spiritual attitude Oswald Chambers We are all children of God How easy it is to forget this God loves us all in the same way and in the same amount It is a given like the breath we draw each day by each beat of our heart by all that makes each of us holy Faith and love are important pieces of our lives They may be all that keep us moving on in our journeys Just as we begin life s journey beginning and continuing the journey is important in our spiritual lives If we are looking for God God is also looking for us We have heard the saying Seek and you shall find This saying can never be truer than when we speak about searching for God and more importantly finding God The author had a transforming experience in the year 2000 God truly found him This book *Drowning in God s Love* is a record that chronicles the outcome of this experience It provides the reader with a path to find this deeper relationship that we all seek Hopefully it will help the reader to find a way to a deeper relationship with God through the poetry and spiritual writing found here **Five Practices of Fruitful Living** Bishop Robert Schnase,2010-09-01 How do I cultivate a life that is purposeful deep and fruitful What are the commitments critical risks and personal practices that open me to God s grace How can I discover the spiritual life and the difference God intends for me to make in the world Radical Hospitality Passionate Worship Intentional Faith Development Risk Taking Mission and Service Extravagant Generosity *Five Practices of Fruitful Living* provides an honest practical and winsome guide to the spiritual journey By repeating and deepening certain fundamental practices we cooperate with God in our spiritual growth These five practices to receive God s love to love God in return to grow in Christ to serve others and to give ourselves fully as we attend to them and develop them help us settle ourselves in God and become instruments of God s grace Following Christ will change your heart and through you God will change the world FROM THE INTRODUCTION *Five Practices of Fruitful Living* moves the discussion of Christian practice from the congregational level to the personal practices of discipleship The fruitful God related life develops with intentional and repeated attention to five essential practices that are critical for our growth in Christ Radical Hospitality Passionate Worship Intentional Faith Development Risk Taking Mission and Service Extravagant Generosity These practices open our heart to God to others to a life that matters a life rich with meaning relationship and contribution They help us flourish *Realities of Life* Maxine Price Williams,2019-02-13 As she sat in her bed very late one night saddened by an unfulfilled love relationship she decided to write this person a letter about how she had been affected by his expectations of her and to her the truth about it all was totally missing As she expressed from her heart her true feelings that had been instilled in her from a childhood of loving God her pen began to flow
