The Logical Thinking Process H. William Dettmer, 2007-05-24 A major rewrite of Dettmer's classic Goldratt's Theory of Constraints this new edition presents a whole new approach to building and applying logic trees The logical thinking process referred to in the title is nothing less than a broadly applicable systems level approach to policy analysis Dettmer has streamlined the process of constructing the logic trees while simultaneously ensuring that the results are more logically sound and closer representations of reality than ever before He explains an easier more logically sound way to integrate Current Reality Trees with Evaporating Clouds His new version of the thinking process retires the Transition Tree in favor of the marriage of a more detailed Prerequisite Tree and critical chain project management This book contains new examples of logic trees from a variety of real world applications Most of the diagrams and illustrations are new and improved Explanations and procedures for constructing the logic trees are considerably simplified

Handbook of Reading Research, Volume II Rebecca Barr, Michael L. Kamil, Peter B. Mosenthal, P David Pearson, 2016-11-18 A comprehensive overview of important contemporary issues in the field of reading research from the mid 1980s to mid 1990s this well received volume offers readers an examination of literacy through a variety of lenses some permitting microscopic views and others panoramic views A veritable who's who of specialists in the field chapter authors cover current methodology as well as cumulative research based knowledge Because it deals with society and literacy the first section provides the broadest possible view of literacy The second section defines the range of activities culturally determined to be a part of the enterprise known as literacy The third focuses on the processes that individuals engage in when they perform the act of reading The fourth section visits the environment in which the knowledge that comprises literacy is passed on from one generation to the next The last section an epilogue to the whole enterprise of reading research provides apt philosophical reflection
