Reading Strategies: Making Connections

Making Connections

Good readers relate what they read to other experiences and knowledge.

There are three types of connections:

- Text-to-Self -- connections between the text and the reader's life and experiences
- Text-to-Text -- connections between the text and other books, movies, songs, articles
- Text-to-World -- connections between the text and events in the real world and history

Directions: Record the connection you made while reading. Be sure to include the page or paragraph number.

Types of Connections	Connections I made
<p>Text-to-Self </p> <p>This reminds me of when I ...</p> <p>I can connect to the book because ...</p> <p>I connected to this when ...</p>	
<p>Text-to-Text </p> <p>This reminds me of another book I read because ...</p> <p>This part makes me think of ...</p> <p>This is similar to ...</p>
