Murphy, 2003-09 Provides Christians with enlightening views about the basic document of the Hebrew Scriptures and of Judaism **Responses To 101 Questions On The Biblical Torah** Roland E. Murphy, O. Carm, 1997 **Handbook on the Pentateuch** Victor P. Hamilton, 2005-09 In this introduction to the first five books of the Old Testament Victor Hamilton moves chapter by chapter rather than verse by verse through the Pentateuch examining the content structure and theology Each chapter deals with a major thematic unit of the Pentateuch and Hamilton provides useful commentary on overarching themes and connections between Old Testament texts This second edition has been substantially revised and updated The first edition sold over sixty thousand copies **Introduction to the Old Testament** Anthony R. Ceresko, 2001-01-01 Applying Norman Gottwald's thesis on Israel's origins Cereski argues that Israel was formed through a process of social revolution inspired by the memory of runaway slaves and their worship of a God whose cult mandated radical social equality and justice The Sin of Moses and the Staff of God Johnson Lim Teng Kok, 2018-07-17 According to the opinion of the exegetes the sin of Moses is one of the most difficult conundrums to resolve in the history of interpretation This Pentateuchal puzzle has not only perplexed ancient and modern exegetes but has also produced a multiplicity of answers A plethora of explanations proposed by exegetes on the sin of Moses appears to be strong on conjectural ingenuity but weak on textual evidence A fresh exegetical probe is therefore warranted using a hermeneutical strategy whereby a narrative approach is attempted in order to understand Num 20 1 13 in the light of Exodus 17 1 7 These narrative analogies are part of a distinctive feature in the Hebrew narrative style labelled Type scene The main thrust of this book is that the sin of Moses recorded in Numbers 20 1 13 is linked to the unlawful and wilful act of trifling with the sacred staff in striking the rock This is because the staff of Moses has already become the staff of God Exod 4 20 17 9 Moses' abuse and misuse of the staff constitutes an act of lese majeste because it is seen as an act of rebellion against YHWH's authority Inevitably Moses eclipses YHWH's personality presence and power in the eyes of the people His condign punishment is the forfeiture of the privilege of leading the people into the Promised Land Pastoral Essays in Honor of Lawrence Boadt, CSP Lawrence Boadt, 2013 Pastoral Essays in Honor of Lawrence Boadt CSP is a tribute to the late Old Testament scholar by his colleagues and friends The twelve essays by leading biblical scholars address various questions that contemporary lay audiences have about the Old Testament covering the major genres in the Old Testament narrative law prophecy poetry and proverbs as well as foundational issues encountered in serious engagement with the Bible translations the nature of God the contributions of historical background to the Bible Each essay is followed by questions and there are bibliographies to foster further study The book can be used on its own as the basis for a multiweek or yearlong Bible study or in the classroom as a supplement to Boadt's introductory textbook and is suitable for personal reflection as well as for group settings Publisher
