Revelation And The End Of All Things:

Revelation and the End of All Things Craig R. Koester, 2001-04-02 Craig Koester provides commentary on each section of the book of Revelation drawing on the best recent scholarship and contemporizing his discussion with references to events like the siege at Waco the phenomenal sales of the Left Behind series and the use of Revelation in hymnody and art Based on two decades of teaching Revelation to seminary students pastors and lay groups this discussion strikes a balance between taking the text's first century context seriously and making Revelation relevant to twenty first century readers Jacket [The End of All Things](#) George Benton Berry, 1912 **The End of All Things Is at Hand** Richard Booker, 2009 At least 76% of Christians believe that the end times are upon us *The End of All Things Is at Hand* shows the truth about the last days However the author avoids the sensational and writes to touch the reader's heart with important biblical information He explains Bible prophecy and current and future events from a biblical Hebraic world view rather than a traditional Western cultural world view This book is prophetic in its explanations tone and urgency In addition to explaining prophetic events the author provides instructions on how to prepare for and serve God in the end times As such this book is a Watchman call and a spiritual manual for holy living in a changing world Here are some of the critical subjects the book addresses Ten signs of the coming of the Lord The nations in prophecy America in prophecy Preparing for the end times Serving God in the end times *The Vatican*, 1870 **Hodge's Systematic Theology Volume I & Theology Revised** Charles Hodge, 2019-10-09 Often referred to as the Prince of Theology Charles Hodge has stood as a icon of Calvinist theology for over a century Dealing thoroughly with the philosophical question of God and theology in general Hodge argues cohesively for the existence and work of God on all levels This work finishes off with the topic of Theology Proper otherwise known as the person of God His ministry and all persons of the Trinity and their work in the ancient world and in our world today Now in larger print **RevelationNotes** Greg Hinnant, 2019-10-23 Impossible Indiscernible Too mystical Beyond us These are just some of the discouraging comments typically made about the Book of Revelation Yet every believer pastor and scholar needs to understand this vital book that consummates the Bible and all its prophecies And everyone can given the right interpretation This commentary provides it In lay friendly terms and with informational entries thought provoking footnotes and inspirational additional gleanings it walks the reader through each chapter and verse of John's apocalypse explaining its context language and principles for Christian living Anyone who reads it with an open mind will come away with a clear life changing understanding of John's awesome vision of Jesus Jesus timely messages to this Church Age and the wondrous Kingdom Age and Eternal World yet to come And with delight they will realize Revelation is Possible Discernible Not too mystical Not beyond our grasp **The pearl of great price: being a choice selection from the revelations, translations, and narrations of J. Smith** Joseph Smith, 1882 [Preacher's Outline & Sermon Bible-KJV-Revelations](#) Leadership Ministries Worldwide, 1999-02 What if you could study Revelation with your favorite Bible scholars from across
