Brown,2012-11 Through the unique format of this text David has given the answers to nearly six hundred questions that have plagued many regarding the book of Revelation The product of his work is a book that addresses these concerns and amplifies the need for one to have a personal relationship with God The following is just a sample If Babylon was destroyed by the Persians how can it be destroyed again How important are truth and justice today But what is justice when it comes to

God and us Just what does it mean to fear God Exactly who are the beast and false prophet When one thinks of heaven what is the picture that comes to mind How many people can heaven hold If over 2 000 years have passed without Christ s return what assurance is there that He will return *Mounting Rareness* James A. Way,2011-11-08 Mounting Rareness takes a look at seven characteristics of growing Christians that will enable your journey of faith I chose these two words mounting and rareness because we are on a faith journey that will lead us higher and higher much as mounting the summit of a mountain Rareness was chosen because these characteristics are rare very rare indeed in the current climate of Christianity which is more like churchianity Even though the times I am writing in seems to have a high religious and spiritual fervor much seems to be based on me my and mine instead of God the Father Son and Holy Spirit It is my desire to have you grow in your spiritual walk with God the Heavenly Father as revealed in the Holy Bible which I believe is inerrant inspired and infallible I believe Gods Holy Word reveals the nature and character along with the great love and desire of God Almighty as He reveals Himself to you as you seek meaning and purpose in your life Mounting Rareness has grown out of my own spiritual journey and the journeys of others around me As you read this call to greater may your life be filled with a MOUNTING RARENESS among so many that chooses to live at the bottom of the hill with only a longing for more **Mystery of Relationships**

Through the Lens of Scriptures Dr. Elizabeth Thambiraj,2015-08-11 Struggles in our relationships often point to an issue only God knows The mountains and valleys we face regarding relationships are often tiny spots to God We can trust God because He is faithful By trusting in His promises and understanding His unconditional love for us it is possible to scale the unscalable and repair our relationships Over the years marriage has changed In her book *Mystery of Relationship through the Lens of Scriptures* Marriage Sex and Intimacy author Dr Elizabeth Thambiraj explains those changes and the strains put on marital relationships Despite difficulties Elizabeth Thambiraj shows how the marriage covenant can be maintained through God She points us to the happiness security self worth and confidence available from our Maker Youll be reminded that fear lust and jealousy are not part of true love The author also reminds us that to love someone unconditionally means to love the other person in the past present and in the future even when the person disagrees with your opinion On marriage she has given one of the most biblically insightful explanations of the drastic change in the marriage relationship that resulted from the Fall at Eden and provides excellent guidance on ways that the marriage covenant can be maintained through feeding our better angels with forgiveness understanding patience and forbearance If we feed our lustful tendencies we have committed adultery long before the physical act itself Dr Jerry L Ogles Presiding Bishop Anglican Orthodox Church Anglican Orthodox Communion Worldwide **Global Bible Commentary** Teresa Okure,2004 The Global Bible Commentary invites its users to expand their horizon by reading the Bible with scholars from all over the world and from different religious persuasions These scholars have approaches and concerns that often are poles apart Yet they share two basic convictions biblical interpretation always matters and reading the Bible with others is highly rewarding Each of the

short commentaries of the Global Bible Commentary is a readily accessible guide for reading a biblical book. Written for undergraduate and seminary students and their teachers as well as for pastors, priests, and Adult Sunday School classes, it introduces the users to the main features of the biblical book and its content. Yet each short commentary does more. It also brings us a precious gift: namely, the opportunity of reading this biblical book as if for the first time. By making explicit the specific context and the concerns from which she/he reads the Bible, the scholar points out to us the significance of aspects of the biblical text that we simply took for granted or overlooked.

If any book demonstrates the value of cultural criticism and the importance of particularity in interpretation, this is it. Scholars from diverse social locations in every continent bring their distinctive context to bear on the act of interpreting. In so doing, they shed eye-opening light on the biblical texts. The resulting critical dialogue with the Bible exposes the oppressive as well as the liberating dynamics of the texts while, at the same time, showing how the Bible might address the social, political, cultural, and economic dynamics of our world today. This collection can change the way you read the Bible: scholars and students, clergy and laity alike.
