Rolling Stone The Life Adventures Of A:

Episodes in a Life of Adventure, Or, Moss from a Rolling Stone Laurence Oliphant, 1887 The Cambridge Companion to the Rolling Stones Victor Coelho, John Covach, 2019-09-12 The first collection of academic essays focused entirely on the musical historical cultural and media impact of the Rolling Stones Rock Music, Authority and Western Culture, 1964-1980 James A. Cosby, 2024-02-07 The history of rock and roll music can be seen in a long arc of Western civilization's struggle for both greater individual expression and societal stability In the 1960s the West's relationship with authority ruptured in part due to the rock revolution The lessons and implications of this era have yet to be fully grasped This book examines the key artists music and events of the classic rock era defined here as 1964 to 1980 through a virtual psychoanalysis of the West Over these years important truths unfold in the stories of British Invaders hippies proto punks and more as well as topics to include drugs primal scream therapy the occult spirituality and disco and its detractors to name just a few Through a narrative that is equal parts entertaining scholarly and even spiritual readers will gain a greater appreciation for rock music better understand the confusing world we live in today and see how greater individuality and social stability may be better reconciled moving forward **The Rolling Stones' Exile on Main Street** Bill

Janovitz, 2005-02-19 Tracing the creation of Exile on Main Street from the original songwriting done while touring America through the final editing in Los Angeles Bill Janovitz explains how an album recorded by a British band in a villa on the French Riviera is pure American rock roll Looking at each song individually Janovitz unveils the innovative recording techniques personal struggles and rock roll mythmaking that culminated in this pivotal album *The Rolling Stone*

Illustrated History of Rock & Roll Anthony ed DeCurtis, James Henke, Holly George-Warren, 1992 Discusses the evolution of rock music from its earliest origins to today's most influential musical styles and performers **On Bette Midler** Kevin

Winkler, 2024-03-18 For more than fifty years Bette Midler has been at the center of the entertainment world as a uniquely talented singer actress and comedienne Starting in the unlikely venue of a gay bathhouse in New York City where she developed her Divine Miss M persona this book takes a deep dive into her successes from movies to million selling records from sell out concert tours to her memorable farewell to Johnny Carson as his last guest on The Tonight Show Allen's

British Autobiographies William Matthews, 2023-04-28 *British Autobiographies* An Annotated Bibliography of British Autobiographies Published or Written Before 1951 compiled by William Matthews is an essential resource for scholars researchers and anyone interested in personal narratives Spanning four centuries this extensive bibliography catalogs a wide range of autobiographical works capturing the voices of individuals from all walks of life From statesmen and soldiers to artists explorers and even everyday people these entries offer a window into the diverse experiences that shaped British history and culture Matthews and his team meticulously gathered these works from major libraries across the United States

the United Kingdom and other locations ensuring a comprehensive collection that sheds light on both famous and lesser known autobiographical voices This bibliography is not only a valuable tool for literary scholars studying the evolution of autobiographical writing but also for historians psychologists and social scientists interested in understanding personal accounts of significant historical events and societal shifts Matthews work opens up new possibilities for exploring the autobiographical genre as a reflection of both individual lives and broader cultural trends With its rich diversity of subjects and detailed annotations British Autobiographies serves as a vital reference for anyone researching the personal dimensions of British history This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1955 The Rolling Stones All the Songs Expanded Edition Philippe

Margotin, Jean-Michel Guesdon, 2022-01-18 Comprehensive visual history of the World s Greatest Rock through their collaboration with legendary producer Jimmy Miller in the ground breaking albums from 1968 to 1973 to their later work with Don Was who has produced every album since Voodoo Lounge Packed with more than 500 photos All the Songs is also filled with stories fans treasure such as how the mobile studio they pioneered was featured in Deep Purple s classic song Smoke on the Water or how Keith Richards used a cassette recording of an acoustic guitar to get the unique riff on Street Fighting Man *Please Allow Me to Introduce Myself: Essays on Debut Albums* George Plasketes, 2016-04-22 Debut albums are among the cultural artefacts that capture the popular imagination especially well As a first impression the debut album may take on a mythical status whether the artist or group achieves enduring success or in rare cases when an initial record turns out to be an apogee for an artist Whatever the subsequent career trajectory the debut album is a meaningful text that can be scrutinized for its revelatory signs and the expectations that follow Please Allow Me to Introduce Myself Essays on Debut Albums tells the stories of 23 debut albums over a nearly fifty year span ranging from Buddy Holly and the Crickets in 1957 to The Go Team in 2004 In addition to biographical background and a wealth of historical information about the genesis of the album each essay looks back at the album and places it within multiple contexts particularly the artist s career development In this way the book will be of as much interest to sociologists and historians as to culture critics and musicologists **American Literary Gazette and Publishers' Circular**, 1866 **Back-bone** Edward H. Dixon, 1866

Let's Rock! Richard Aquila, 2016-10-28 Rock roll was one of the most important cultural developments in post World War II America yet its origins are shrouded in myth and legend Let s Rock reclaims the lost history of rock roll Based on years of research as well as interviews with Bo Diddley Pat Boone and other rock roll pioneers the book offers new information and fresh perspectives about Elvis the rise of rock roll and 1950s America Rock roll is intertwined with the rise of a post World War II youth culture the emergence of African Americans in society the growth of consumer culture technological change the

expansion of mass media and the rise of a Cold War culture that endorsed traditional values to guard against communism Richard Aquila's book demonstrates that early rock roll was not as rebellious as common wisdom has it The new sound reflected the conservatism and conformity of the 1950s as much as it did the era's conflict Rock roll supported centrist politics traditional values and mainstream attitudes toward race gender class and ethnicity The musical evidence proves that most teenagers of the 1950s were not that different from their parents and grandparents when it came to basic beliefs interests and pastimes Young and old alike were preoccupied by the same concerns tensions and insecurities Rock roll continues to permeate the fabric of modern life and understanding the music's origins reminds us of the common history we all share Music lovers who grew up during rock roll's early years as well as those who have come to it more recently will find Let's Rock an exciting historical and musical adventure

Warren Zevon George Plasketes, 2016-06-02 Warren Zevon was one of the most original songwriters to emerge from the prolific 1970s Los Angeles music scene Beyond his most familiar song the rollicking 1978 hit Werewolves of London Zevon's smart often satirical songbook is rich with cinematic literary and comic qualities dark narratives complex characters popular culture references and tender romantic ballads of parting and longing Warren Zevon Desperado of Los Angeles is the first book length critical exploration of one of popular music's most talented and tormented antiheroes George Plasketes provides a comprehensive chronicle of Zevon's 40 year 20 record career and his enduring cultural significance Beginning with Zevon's classical training and encounters as a youth with composers Robert Craft and Igor Stravinsky Plasketes surveys Zevon's initiation into the 1960s through the Everly Brothers the Turtles and the film Midnight Cowboy Plasketes then follows Zevon from his debut album with Asylum Records in 1976 produced by mentor Jackson Browne through his successes and struggles from a Top Ten album to record label limbo during the 1980s through a variety of music projects in the 1990s including soundtracks and scores culminating with a striking trio of albums in the early 2000s Despite his reckless lifestyle and personal demons Zevon made friends and alliances with talk show host David Letterman and such literary figures as Hunter S Thompson and Carl Hiaasen It was only after his death in 2003 that Zevon received Grammy recognition for his work Throughout this book Plasketes explores the musical cinematic and literary influences that shaped Zevon's distinctive style and songwriting themes and continue to make Zevon's work a telling portrait of Los Angeles and American culture

B-Sides, Undercurrents and Overtones: Peripheries to Popular in Music, 1960 to the Present Professor George Plasketes, 2013-01-28 There are undercurrents and peripheral taste preferences that are a defining part of our individual and collective cultural experience Music is no exception George Plasketes adapts the iconic A side B side dichotomy from the 45 r p m for use as a unique conceptual critical historical and cultural framework for

exploring and threading together a variety of popular music and media texts The profiles and perspectives focus on the peripheries on texts which might be considered B sides overlooked underappreciated and unsung cases creators patterns and productions that have unassumingly but significantly marked popular culture music and media during the past 40 years The underappreciated yet enduring contributions of a variety of creative individuals in music television and film are a centerpiece of this volume actress Doris Day s son Terry Melcher a 1960s music producer whose imprint is on the surf country blues garage pop and most importantly the folk rock genre Hans Fenger s kid chorus cover project a musical variation of outsider art that became representative of the tribute wave that began in the 1990s and continues today versatile guitarist virtuoso Ry Cooder s extensive film soundtrack work World Music missionary efforts of American artists beyond Paul Simon s Graceland including Neil Diamond s precursor with Tap Root Manuscript in the 1970s and the exotic adventures of Henry Kaiser and David Lindley in Madagascar and Norway to name just a few examples These B sides represent undercurrents but they resonate as overtones in the mainstream of music and culture many as historical hinges Collectively these B sides are an A side antidote of outskirts observations individual snapshots of artists artifacts and rituals genres and generations producers and musical productions in television film and video They constitute an important connect the dots cultural chronicle with a multi layered context social legal historic economic technological generational aesthetic for interpreting the interrelations between creators and institutions the music market place the production of culture and important connections between the peripheral and the popular

Fleetwood Mac Donald Brackett, 2007-09-30 Fleetwood Mac s distinctive sound first really captured in the 1977 record Rumours launched the group into the commercial stratosphere and over the past three decades they have never looked back All along the way their dysfunctional relationships have informed their professional success as well as their personal downfalls By writing and singing about their problems Fleetwood Mac has transformed what breaks them apart into what keeps them together They have turned their dark relationship dilemmas into glittering entertainment In this highly entertaining chronicle author Donald Brackett provides readers with a special opportunity to review the band s complicated history and reconsider the personal dynamic sources of their classic albums and enduring hits The band drummer Mick Fleetwood and bassist John McVie started in 1967 has gone through more personnel changes and stylistic innovations than any other pop group in our cultural history The story of the group began when John Mayall and Alexis Korner the band s mentors launched a mid 60s British blues revival Ex Mayall players Fleetwood and McVie then went on to form an incendiary band of psychedelic blues under the name Fleetwood Mac But it was not until hearing a little known 1973 record from Lindsey Buckingham and Stevie Nicks that Mick Fleetwood heard the future sound and true pop potential of his own group
