Semper Something A Bootcamp Story:

Semper Something Sherman Mayle, 2005-10-01 Each year like a herd of lemmings racing over the proverbial cliff thousands of adolescents pass through the gate of Parris Island United States Marine Corps Recruit Depot Their reasons for joining the Marines vary as widely as their chances for success but they all share an ignorance of what the next three months hold in store Upon graduation from high school Phillip Spiegel decides that joining the Marine Corps is the best way to break the stifling yoke that his parents have placed about his neck without taking the horrifying step of getting a real job With the assistance of less than candid recruiters Phillip makes his escape from parental bonds to the open and welcoming arms of Uncle Sam Growing up isnt easy for anybody especially for those who do their best to avoid it *Continental Marine* ,1993

Bootcamp stories with my buddies we found ourselves laughing at some of the scenarios I found myself in On more than one occasion I was encouraged to write some of the stories down Thus one story led to another and out of all that came this book And what makes this book different from other bootcamp stories is that I wanted to make a clean version so my grandmother wouldn't blush or be offended by the language which in actuality was extremely colorful As you read you will still get the impression of the hostility in the air but without all the extra verbiage With that said this book in no way is it intended to demean or criticize the training methods of the Marine Corps Quite the contrary It is intended to give a glimpse into the physical and mental toughness required to endure such training all the way through to graduation day This is a first hand account of my experiences as I remembered them And those of you who have also experienced Marine Corps Bootcamp are well aware that I could have written several hundred more pages to cover all the events that took place but wanted to hit the highlights and make it an easier read I am proud to be able to say that even though it was tough I made it through USMC Bootcamp and went on to enjoy the rest of my enlisted time while adding many more incredible memories I hope you enjoy this book and to all my Eagle Globe and Anchor comrades bootcamp platoon mates and especially my awesome unforgettable drill instructors SEMPER FI Forthcoming Books Rose Army,2003 **Velo News** ,2007
