

The background of the entire cover is a photograph of a library. It shows tall, dark wooden bookshelves filled with books. In the foreground, there are three white busts of men, likely philosophers or scholars, positioned in front of the bookshelves. The lighting is warm and focused on the busts and the books.

4, 1900-1950 George Watson,I. R. Willison,1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries The

Publishers Weekly ,1953 **The Primacy of Movement** Maxine Sheets-Johnstone,2011 This expanded second edition carries forward the initial insights into the biological and existential significances of animation by taking contemporary research findings in cognitive science and philosophy and in neuroscience into critical and constructive account It first takes affectivity as its focal point elucidating it within both an enactive and qualitative affective kinetic dynamic It follows through with a thoroughgoing interdisciplinary inquiry into movement from three perspectives mind brain and the conceptually reciprocal realities of receptivity and responsivity as set forth in phenomenology and evolutionary biology respectively It ends with a substantive afterword on kinesthesia pointing up the incontrovertible significance of the faculty to cognition and affectivity Series A **The Analysis of Objects or the Four Principal Categories** Augustine J. Osgniach,2023-02-15 The

scope of this work is an attempt to bring to light the genuine doctrine on the fundamental categories as taught by the great masters of the golden era of Scholasticism especially by Aquinas while at the same time historically and critically estimating its high philosophical excellence In giving such a detailed study of these important categories Dr Osgniach has done his part in the important philosophical crusade to recover the Holy Land of Metaphysics Modern philosophers if they will but pursue it will learn that Scholasticism grows not by substitution of one theory for another but by a deepening and fuller comprehension of fundamental principles Bishop Fulton J Sheen **Mind** ,1904 A quarterly review of philosophy

Dictionary of Twentieth-Century British Philosophers Stuart Brown,2005-06-01 This is a two volume work with entries on individuals who made some contribution to philosophy in the period 1900 to 1960 or soon after The entries deal with the whole philosophical work of an individual or in the case of philosophers still living their whole work to date Typically the individuals included have been born by 1935 and by now have made their main contributions Contributions to the subject typically take the form of books or journal articles but influential teachers and people otherwise important in the world of

philosophy may also be included The dictionary includes amateurs as well as professional philosophers and where appropriate thinkers whose main discipline was outside philosophy There are special problems about the term British in the twentieth century partly because of human migration partly because of decolonialization and the changing denotation of the term The intention has been to include not only those who were British subjects at least for a significant part of their lives even if they mostly lived outside what is now the U K but also people who spent a significant part of their lives in Britain itself irrespective of their nationality or country of origin In the first category are included for instance a number of people who were born and educated in Britain but who subsequently taught in universities abroad In the second category are included those who were born elsewhere but who came to Britain and contributed to its philosophical culture
