Sensuous Child:

Sensuous Child Hal M. Wells, 1976-01-01 *Sensuous Child* Carol Publishing Group, *Elemental Sensuous* John Murungi, 2016-09-23 Under the guidance of phenomenological insights this book presents the sensuous in its elemental sense The elemental is not to be confused here with the classical notion of the atom which is viewed as a self contained entity into which all reality is reducible Rather the elemental is a living creative force that resists categorization This force embodies the principle of openness and opening a principle celebrated and given expression by numerous artists and other friends of the sensuous As elemental the sensuous irreducibly expresses itself in multiple ways The editors of this volume avoid posting themselves between the sensuous and those to whom it presents itself Each of the contributors here responds to the call of the elemental and each finds his or her starting point where everyone else starts and ends The multiple voices brought together here constitute a concert with the elemental sensuous as the conductor In reading this book the reader will become more aware of himself or herself and more aware of the world in which he or she lives **Child Sexual Abuse** Christopher Bagley, Kathleen King, 2003-09-02 A comprehensive overview of the causes treatment and prevention of child sexual abuse which approaches the problem from the perspectives of the victims their families and the offenders themselves **Sexually Abused Children & Their Families** P. B. Mrazek, C. H. Kempe, 2014-06-28 This volume of 18 articles provides information about a diversity of issues recognition legal codes evaluation psychodynamics treatment prognosis and outcome Included are reports on an extensive survey of professional recognition in England and an examination of European criminal law relating to child sexual abuse theoretical models of psychosexual development within the family and incest as an expression of a dysfunctional family system Attention is given to special problems of treatment along with reports on three on going treatment programmes Two useful features of the book are a comprehensive bibliography and a critique of available audio visual materials *Colors for Your Every Mood* Leatrice Eiseman, 1998 America s leading color expert shows how to choose the right color combinations for all your rooms based on Color Moods from your own personality nature and travel Most decorating books start out telling readers how to achieve someone else s notion of how a room should look This book is different It helps you determine how you want yourself your family and your friends to feel when entering each room in your home It combines psychology with a practical how to and reveals which colors and color combinations will achieve the feeling and personal style you want to project in each room **Critical Issues in Child Sexual Abuse** Jon R. Conte, 2002 This book is intended to describe what is known and what is not known but needs to be known in several specific areas of childhood abuse Chapters include sexual offenders child s memory adult memory for trauma and victims in court **Feminism and the Making of a Child Rights Revolution** Isobelle Barrett Meyering, 2022-02-01 When Australian women s liberationists challenged prevailing expectations of female domesticity they were accused of being anti mother and anti child Feminism and the Making of a Child Rights Revolution provides a much needed reassessment of this stereotype

Drawing on extensive archival research and personal accounts it places feminists at the forefront of a new wave of children's rights activism that went beyond calls for basic protections for children instead demanding their liberation Historian Isobelle Barrett Meyering revisits this revolutionary approach and charts the debates it sparked within the women's movement Her examination of feminists ground breaking campaigns on major social issues of the 1970s from childcare to sex education to family violence also reveals women's concerted efforts to apply this ideal in their personal lives and to support children's own activism *Feminism and the Making of a Child Rights Revolution* sheds light on the movement's expansive vision for social change and its lasting impact on the way we view the rights of women and children

The Fear of Child Sexuality Steven Angelides, 2019-08-28 Continued public outcries over such issues as young models in sexually suggestive ads and intimate relationships between teachers and students speak to one of the most controversial fears of our time the entanglement of children and sexuality In this book Steven Angelides confronts that fear exploring how emotional vocabularies of anxiety shame and even contempt not only dominate discussions of youth sexuality but also allow adults to avoid acknowledging the sexual agency of young people Introducing case studies and trends from Australia the United Kingdom and North America he challenges assumptions on a variety of topics including sex education age of consent laws and sexting Angelides contends that an unwillingness to recognize children's sexual agency results not in the protection of young people but in their marginalization

The Routledge History of Childhood in the Western World Paula Fass, 2013-02-11 The Routledge History of Childhood in the Western World provides an important overview of the main themes surrounding the history of childhood in the West from antiquity to the present day By broadly incorporating the research in the field of Childhood Studies the book explores the major advances that have taken place in the past few decades in this crucial field

The New Speaking of Sex Meg Hickling, 2005 Whether your child is 3 and asking questions about bodies and sex and babies or thirteen and facing difficult decisions and concerns about their own sexuality this book is for you With sensitivity honesty and a good deal of humour Meg Hickling addresses the real questions she has been asked during her 20 plus years spent working with children of all ages This book provides practical up to date no nonsense suggestions and encouragement for parents addressing sexuality and sexual health issues with their children Updated and reorganised this new edition provides the same great age appropriate information as the best selling first edition

Millennial Child Eugene Schwartz, 1999 Today's children are an endangered species As a result of the reductionism spawned by Freud and the homogenization of the stages of human life that followed many children seem to have lost their childhood and been thrust into the confusing and chaotic world of adults Eugene Schwartz presents an incisive analysis of the ways in which the errors of the first third of our century have come back to haunt us at the century's end After carefully examining Sigmund Freud's tragic misunderstanding of childhood and tracing its consequences for today's parents and educators the author points to the radically new paradigm of childhood

development offered by Rudolf Steiner and embodied in Waldorf education Parents teachers and child psychologists will find a wealth of insight concerning such diverse subjects as the nature of play the causes of ADHD computers as teachers and the power that love and imagination will have in the education of the Millennial Child **Picturing the Woman-Child** Morna Laing, 2021-01-28 The childlike character of ideal femininity has long been critiqued by feminists from Mary Wollstonecraft to Simone de Beauvoir Yet women continue to be represented as childlike in the western fashion media despite the historical connotations of inferiority This book questions why such images still hold appeal to contemporary women after three or even four waves of feminism Focusing on the period of 1990 2015 *Picturing the Woman Child* traces the evolution of childlike femininity in British fashion magazines including *Vogue* *i D* and *Lula Girl of my Dreams* These images draw upon a network of references from *Kinderwhore* and *Lolita* to *Alice in Wonderland* and the *femme enfant* of Surrealism Alongside analysis of fashion photography the book presents the findings of original research into audience reception Inviting contemporary women to comment on images of the woman child provides an insight into the meaning of this figure as well as an evaluation of theory on the female gaze Both scholarly and accessible the book paves the way for future studies on how readers make sense of fashion imagery **The Making of Modern Children's Literature in Britain** Lucy Pearson, 2016-03-03 Lucy Pearson's lively and engaging book examines British children's literature during the period widely regarded as a second golden age Drawing extensively on archival material Pearson investigates the practical and ideological factors that shaped ideas of good children's literature in Britain with particular attention to children's book publishing Pearson begins with a critical overview of the discourse surrounding children's literature during the 1960s and 1970s summarizing the main critical debates in the context of the broader social conversation that took place around children and childhood The contributions of publishing houses large and small to changing ideas about children's literature become apparent as Pearson explores the careers of two enormously influential children's editors Kaye Webb of Puffin Books and Aidan Chambers of Topliner Macmillan Brilliant as an innovator of highly successful marketing strategies Webb played a key role in defining what were in her words the best in children's books while Chambers work as an editor and critic illustrates the pioneering nature of children's publishing during this period Pearson shows that social investment was a central factor in the formation of this golden age and identifies its legacies in the modern publishing industry both positive and negative **Pink and Blue** Elena Conis, Sandra Eder, Aimee Medeiros, 2021-05-14 Introduction Coming of age together gender and pediatrics Aimee Medeiros A tale of two charts the history of gendering sex specific growth assessment in children's health Aimee Medeiros A habit that worries me very much raising good boys and girls in the postwar era Jessica Martucci Gender and doctor parent communication about Down Syndrome in the mid twentieth century Hughes Evans Making children into boys and girls gender role in 1950s pediatric endocrinology Sandra Eder Depathologizing trans childhood the role of history in the clinic Jules Gill Peterson Race and gender in the NICU wimpy white boys and strong black girls Christine H Morton Krista

Psychology and Mental Health James Arthur Hadfield, 2022-02-11 First published in 1950 Psychology and Mental Health describes the origin of behaviour disorders and the psychoneuroses especially as regards their causes in early childhood Most psychologists agree that such disorders as hysteria sex perversion the obsessions and anxiety states as well as many behaviour disorders and delinquencies find their roots in childhood experiences If this is the case it should be possible to prevent them from developing into full blown neurotic disorders which may take years to cure The purpose of this book is to describe the early causes of these disorders with a view to their treatment but more particularly with a view to their prevention As mental health is the concern not only of the doctor but of the parson and the priest of the teacher and the parent this book is written in non technical language as far as the demands of accuracy will allow It embodies the result of over thirty years experience in the treatment of patients suffering from these disorders and the views here maintained which differ somewhat from the other analytic schools are illustrated with clinical examples throughout This book is a reissue originally published in 1950 The language used reflects its era and no offence is meant by the Publishers to any reader by this republication

The Swedenborg Concordance: a Complete Work of Reference to the Theological Writings of Emanuel Swedenborg John Faulkner Potts, 1888

Coining for Capital Jyotsna Kapur, 2005-07-11 Since the 1980s a peculiar paradox has evolved in American film Hollywood's children have grown up and the adults are looking and behaving more and more like children In popular films such as Harry Potter Toy Story Pocahontas Home Alone and Jumanji it is the children who are clever savvy and self sufficient while the adults are often portrayed as bumbling and ineffective Is this transformation of children into little adults an invention of Hollywood or a product of changing cultural definitions more broadly In Coining for Capital Jyotsna Kapur explores the evolution of the concept of childhood from its portrayal in the eighteenth century as a pure innocent and idyllic state the opposite of adulthood to its expression today as a mere variation of adulthood complete with characteristics of sophistication temptation and corruption Kapur argues that this change in definition is not a media effect but rather a structural feature of a deeply consumer driven society Providing a new and timely perspective on the current widespread alarm over the loss of childhood Coining for Capital concludes that our present moment is in fact one of hope and despair As children are fortunately shedding false definitions of proscribed innocence both in film and in life they must now also learn to navigate a deeply inequitable antagonistic and consumer driven society of which they are both a part and a target

Girls, Boys, and Junior Sexualities Emma Renold, 2005 This book takes an unrelenting look at the hidden worlds of young children's sexualities
