September 11th And The Return Of Christ:

September 11th and the Return of Christ Jamal Tayh, 2002-01-01 **The September-11 Code** William

Downie, 2012-05-25 This book is too religious for New Agers too occult for Christians too numerical for spiritual seekers too mystical for scientific types was written by a nobody is addressed to everybody and makes the most outrageous series of statements ever claimed as facts So read it anyway and have your understanding of the world blown apart The September 11 Code is two things Firstly it is a chronicle of one man's dramatic spiritual awakening and the education he subsequently received from angelic tutors Secondly it is a concise summary of the alphanumeric code he was trained to find and the devastating revelations it contains The code is found within the NIV Bible 2001 Edition popular culture and two world impacting events the terrorist attacks of September the 11th 2001 and the funeral of Pope John Paul II in 2005 It insists that 9 11 the first major event witnessed in real time by the entire world was nothing less than a staged drama depicting several biblical tableaux and containing the most electrifying news of all time The book goes on to present further devastating revelations about Karol Jozef Wojtyla and Osama bin Laden It ends with a message to us all from Jesus Christ **The One Year Christian History** E. Michael Rusten, Sharon O. Rusten, 2003 What happened on this date in church history From ancient Rome to the twenty first century from peasants to presidents from missionaries to martyrs this book shows how God does extraordinary things through ordinary people every day of the year Each story appears on the day and month that it occurred and includes questions for reflection and a related Scripture verse **Scapegoats of September 11th** Michael Welch, 2006-11-09 From its largest cities to deep within its heartland from its heavily trafficked airways to its meandering country byways America has become a nation racked by anxiety about terrorism and national security In response to the fears prompted by the tragedy of September 11th the country has changed in countless ways Airline security has tightened mail service is closely examined and restrictions on civil liberties are more readily imposed by the government and accepted by a wary public The altered American landscape however includes more than security measures and ID cards The country's desperate quest for security is visible in many less obvious yet more insidious ways In Scapegoats of September 11th criminologist Michael Welch argues that the war on terror is a political charade that delivers illusory comfort stokes fear and produces scapegoats used as emotional relief Regrettably much of the outrage that resulted from 9 11 has been targeted at those not involved in the attacks on the Pentagon or the Twin Towers As this book explains those people have become the scapegoats of September 11th Welch takes on the uneasy task of sorting out the various manifestations of displaced aggression most notably the hate crimes and state crimes that have become embarrassing hallmarks both at home and abroad Drawing on topics such as ethnic profiling the Abu Ghraib scandal Guantanamo Bay and the controversial Patriot Act Welch looks at the significance of knowledge language and emotion in a post 9 11 world In the face of popular and political cheerleading in the war on terror this book presents a careful and sober assessment reminding us that sound

Gathering Over Jerusalem Joel C. Graves,2003-08 **And Few There Be That Find It** Kenneth Lancelot Leach,2021-11-11 This book is different from any other you may have encountered in your lifetime I have studied the Bible KJV for over 60 years I speak neither Hebrew Greek or Aramaic but I have spent thousands of hours engrossed in listening to sermons preached by men with a level of education Piled Higher and Deeper than my two years of college During my years of service in the U S Navy I had the privilege of visiting Athens Greece While there I climbed Mars Hill and standing in the footsteps of Paul I imagined myself speaking to a large group of people Of course this was only in my imagination I have learned since then that rightly dividing the word of truth does not mean that you cut the Bible down the middle throw out what we call today the Old Testament and study and live by only what is written in the New Testament I eventually came to the uncomfortable conclusion that my understanding of the Holy Scriptures was more accurate than 99% of what is being taught today Has Yeho vah hidden these things from the wise and prudent and has revealed them unto a babe Matthew 11 25 26 You decide *A View from Above* J. W. Murphy,2014-10-10 Imagine what your Christian development would be like if

you grasped the true character of God you were captivated by appreciation of and love for God's Word you were not frightened away by the haunted house of Revelation you appreciated how the early church's experience influenced the message of Revelation you understood how various viewpoints on Revelation developed over time you enjoyed a perspective which prevents tunnel vision you understood viewpoints about which you were previously unaware you esteemed fellow believers who have different understandings of Revelation you appreciated how the meaning of Jesus' sacrifice is pictured in Revelation you practiced the message of Revelation in everyday life you were strengthened by an unshakable faith in God your faith was heartfelt and growing rather than formal or ritualistic you were strong enough to stand firm in the face of any and all spiritual opposition you were known for your moral and spiritual purity you were able to resist the seductions of our culture you demonstrated the sacrificial style of Jesus rather than the self-serving style of society you enjoyed the blessings of those who keep the words of Revelation's message your anticipation of Jesus' return rose above a distracting concern with earthquakes wars and developing social events you appreciated your present and future spiritual realities you were eager rather than fearful about the future you enjoyed the depths of the relationship toward which God is moving us

Military Chaplains' Review, 1989 **Theomatics II** Del Washburn, 1994-07-21 Proves God's divine authorship through mathematical formulas The 8 Great Debates of Bible Prophecy Ron Rhodes, 2014-08-01 You've heard about the tribulation millennium rapture and antichrist but you may wonder what's all the debating about Do most Christians agree on the big issues And what about other topics dispensationalism interpretive views timing of events are they too complex for most folks to understand Not at all In this concise and easy to read review respected Bible teacher Ron Rhodes identifies eight of the most important end times discussions Avoiding complex arguments he highlights the most important biblical passages summarizes a few of the most popular interpretations and provides succinct conclusions He demonstrates that the Bible's end times teaching is intended to be a blessing for every believer As you compare and contrast the various viewpoints you'll be able to enjoy constructive conversations with other Christians and support your own informed convictions You'll also enrich your reading of the Scriptures and see how passages fit together in God's great plan for the ages

Jesus Revealed in the End Times Dr. Robert Jeffress, 2025-03-04 Most books about the end times focus on the events described in biblical prophecy wars natural disasters economic turmoil and more rather than the One who is revealed in those events The result God's people end up fearful about what is to come rather than hopeful about Who is to come But the Bible's prophecies of the last days can fill us with joy and peace as we anticipate the return and reign of our beloved savior Jesus Christ In Jesus Revealed in the End Times bestselling author Dr. Robert Jeffress takes a radically different approach to prophecy helping you see the end times through the lens of Jesus Christ You'll stop fretting about future events as you start to know Jesus more deeply see him more clearly and praise him more joyfully By the time you finish this book you'll not only have a greater understanding of God's plan for the future but also have a greater sense of calm and courage in the face of what is to come because you've come to

Kyle, 2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In *Apocalyptic Fever* Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more **A Second Look at the Second Coming** T.
