September 11th Families For Peaceful Tomorrows Turning Tragedy Into Hope For A Better World:

September 11th Families for Peaceful Tomorrows David Potorti, September 11th Families for Peaceful Tomorrows, 2003 Put together by a non profit group of family members of September 11 victims who have dedicated their time to finding alternatives to war as a response to personal and national tragedies this book offers a collection of essays from the group's members and high profile supporters Representing more than 50 family members as well as more than 2000 supporters the group has spoken in 25 states and eight foreign countries and has sent delegates to both Afghanistan and Iraq to meet with people who have also lost loved ones due to terrorism and war

September 11th Families for Peaceful Tomorrows David Potorti, Peaceful Tomorrows, 2003-09-01 The true story of a group of people devastated by loss and inspired to save others from the same heartbreak Very personal and moving accounts Publishers Weekly Told through essays and correspondence this is the tale of Peaceful Tomorrows an anti war organization made up of survivors of the 9 11 attacks as well as friends and family members of those who died that day In the midst of shock rage and a rush to war these are people who though they had every reason for anger consciously chose a different path persisting even as others accused them of naiveté cowardice or a lack of patriotism In the hope of sparing others from the suffering they had endured they protested the dropping of bombs on civilians in Afghanistan and Iraq and advocated for nonviolent solutions to the problem of terrorism to seek justice and problem solving rather than a cycle of retaliation and were twice nominated for the Nobel Peace Prize This is their remarkable story *Choice*, 2003 *Books In Print* 2004-2005 Ed Bowker Staff, Staff Bowker, Ed, 2004 *The Publishers Weekly*, 2003 *Forgiveness and Reconciliation* Ani Kalayjian, Raymond F. Paloutzian, 2009-07-21 We all long for peace within ourselves families communities countries and throughout the world We wonder what we can do about the multitude of conflicts currently wreaking havoc across the globe and the continuous reports of violence in communities as well as within families Most of the time we contemplate solutions beyond our reach and overlook a powerful tool that is at our disposal forgiveness As a genocide survivor I know something about it As the genocide unfolded in Rwanda in 1994 I was devastated by what I believed to be the inevitable deaths of my loved ones The news that my parents and my seven siblings had indeed been killed was simply unbearable Anger and bitterness became my daily companions Likewise I continued to wonder how the Hutus and Tutsis in Rwanda could possibly reconcile after one of the most horrendous genocides of the 20th century It was not until I came to understand the notion of forgiveness that I was able to see the light at the end of the tunnel Common wisdom suggests that forgiveness comes after a perpetrator makes a genuine apology This wisdom informs us that in the aftermath of a wrongdoing the offender must acknowledge the wrong he or she has done express remorse express an apology commit to never repeating said harm and make reparations to the extent possible

Only then can the victim forgive and agree to never seek revenge *Ebony*, 2005-11 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American
