Sermons On Second Samuel Chapters 1 13:

Sermons on 2 Samuel Jean Calvin,1992 While John Calvin is chiefly remembered today as a great theologian it should not be forgotten that he was essentially a pastor Indeed it has been said of him that he became a theologian in order to be a better pastor His preaching gives some of the clearest evidence for this Still in his early twenties when he began to preach he continued to do so for the rest of his life on average five times a week during his long years of ministry in Geneva From 1549 thanks to the Company of Strangers who employed Denis Raguenier as a scribe Calvin s sermons were preserved and their riches remain available to us Now thanks to the devoted labours of Professor Douglas Kelly of Reformed Seminary Jackson Mississippi the Sermons on 2 Samuel 1 13 are made available in English for the first time Important as these sermons are for students of Calvin they are of inestimable value for those who like Calvin are pastors preachers or are simply ordinary Christian believers like those to whom they were first preached Calvin s masterly handling of the historical narrative of this wonderful book of Scripture combines with his deep insight into human character to produce a volume which will be treasured Publisher 2 Samuel John Woodhouse,2015-10-14 King David stands as one of the most important figures of world history From children s storybooks to Michelangelo s famous statue ancient Israel s most famous king is still remembered and recognized by people around the world three thousand years after he lived Helping readers deepen their understanding of David s tumultuous reign John Woodhouse highlights David s important role in salvation history a history that began with Israel but now encompasses God s plan for the whole world Designed as a trustworthy resource for pastors who preach and teach on a regular basis this commentary ultimately argues that David s story is important because it lays the crucial foundation for the life and ministry of Jesus Christ the son of David Part of the Preaching the Word series **1-2 Samuel, 1-2 Kings, 1-2 Chronicles** Derek Cooper,Martin J. Lohrmann,2016-04-05 This latest volume in the Reformation Commentary on Scripture RCS series offers biblical commentary from numerous Reformation era theologians pastors and preachers from a variety of theological traditions Lutheran Reformed Anglican Radical and Roman Catholic on six Old Testament books 1 2 Samuel 1 2 Kings and 1 2 Chronicles Christ the Mediator of the Law Byung-Ho Moon,2006-07-01 This study seeks to give an account of the truth scope and validity of Calvin s Christological understanding of the law in the light of his concept of Christus mediator legis It sets out the key points of the intellectual origins of Calvin s theology of the law especially his study of law Christ s mediation of the law in the Old and New Testaments and the relationship between the duplex office and the triplex use of the law A comparative study between Calvin and contemporary Reformers Luther Bucer Melanchthon and Bullinger and Servetus is made in order to point up the unique feature of the coherence between Christology and soteriology in Calvin s theology of the law *The Identity and the Life of the Church* Yosep Kim,2014-07-09 This study of John Calvin s ecclesiology argues that Calvin s idea of the twofold identity of the Church its spiritual identity as the body of Christ and its functional identity as the mother of all believers is closely related to his understanding of Christian

identity and life which are initiated and maintained by the grace of the triune God. The anthropological basis of Calvin's idea of the Church has not been examined fully even though Calvin presents the important concepts of his ecclesiology in light of his anthropological ideas. This study offers an overall evaluation for Calvin's ecclesiology arguing that it is ultimately his pastoral concern for the Christian and the Church under affliction that both governs his theological understanding of the Church and shapes his proposals for establishing and sustaining the life of the Church in the world.

The Overshadowed Preacher Jerusha Matsen Neal, 2020-10-08. The *Overshadowed Preacher* breaks open one of the most important unexamined affirmations of preaching: the presence of the living Christ in the sermon. Jerusha Matsen Neal argues that Mary's conceiving, bearing, and naming of Jesus in Luke's nativity account is a potent description of this mystery. Mary's example calls preachers to leave behind the false shadows haunting Christian pulpits and be overshadowed by the Spirit of God. Neal asks gospel proclaimers to own both the limits and the promise of their humanness as God's Spirit-filled servants rather than disappear behind a pulpit prince ideal. It is a preacher's fully embodied witness lived out through Spirit-filled acts of hospitality, dependence, and discernment that bears the marks of a fully embodied Christ. This affirmation honors the particularity of preachers in a globally diverse context, challenging a status quo that has historically privileged masculinity and whiteness. It also offers hope to ordinary souls who find themselves daunted by the impossibility of the preaching task. Nothing in the angel's words is impossible with God.

Characters and Characterization in the Book of Kings Keith Bodner, Benjamin J.M. Johnson, 2019-12-12. This book is an examination of characters in the books of Kings, showing how understanding and interpretation of key characters affects readings of the story. The volume begins with more general pieces addressing how the study of characters can shed light on the composition history of Kings and on how characters and characterization can be considered with respect to ethics, particularly with respect to the moral complexity of biblical characters. Contributors then consider key characters within the Kings narrative in depth, such as Nathan, Bathsheba, Solomon, and Jezebel. The contributors use their own specific expertise to analyze these characters and more, drawing on insights from literary theory and considering such approaches as questioning our view of a particular character with based on the character within the text with whom we identify. Contributors also assess whether or not characters as portrayed in the biblical text necessarily match up to their possible counterparts in history.

Preaching Christ from the Old Testament Sidney Greidanus, 1999-07-13. Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament, Sidney Greidanus develops a Christocentric method that will help preachers do both simultaneously. Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament. Suggesting specific steps and providing concrete examples, this volume

provides a practical guide for preaching Christ from the Old Testament *Calvin* Bruce Gordon,2009-07-21 During the glory days of the French Renaissance young John Calvin 1509 1564 experienced a profound conversion to the faith of the Reformation For the rest of his days he lived out the implications of that transformation as exile inspired reformer and ultimately the dominant figure of the Protestant Reformation Calvin s vision of the Christian religion has inspired many volumes of analysis but this engaging biography examines a remarkable life Bruce Gordon presents Calvin as a human being a man at once brilliant arrogant charismatic unforgiving generous and shrewd The book explores with particular insight Calvin s self conscious view of himself as prophet and apostle for his age and his struggle to tame a sense of his own superiority perceived by others as arrogance Gordon looks at Calvin s character his maturing vision of God and humanity his personal tragedies and failures his extensive relationships with others and the context within which he wrote and taught What emerges is a man who devoted himself to the Church inspiring and transforming the lives of others especially those who suffered persecution for their religious beliefs **The Way of Prophetic Leadership** Jennifer Campbell,2015-06-01 This book seeks to address both the bewilderment and desire for prophetic visionary leadership in the contemporary church by a discussion of two significant revivals of the 1600s the English Nonconformist Quakers and the Protestant French Huguenots How can prophetic vision be incorporated successfully into the ministry of the church Campbell argues that the mission of the apostle evangelist pastor and teacher is to be prophetically inspired and led in every way by the union of the Word the Person of Jesus Christ and the Person of the Holy Spirit Publisher **Why the Reformation Still Matters** Michael Reeves,2016-04-21 On 31 October 1517 Martin Luther posted his ninety five theses on the castle church door in Wittenberg More than any other event this has the best claim to be the starting gun that set the Reformation in motion Five hundred years later the Reformation still has important things to say In this clear incisive and accessible survey Michael Reeves and Tim Chester show how the Reformation helps us answer questions like How do we know what s true Can we truly know God How does God speak What s wrong with us How can we be saved Who am I That many people today find the Reformation strange and remote exposes our preoccupation with this material world and this momentary life If there is a world beyond this world and a life beyond this life then it doesn t seem to matter very much to us At its heart the Reformation was a dispute about how we know God and how we can be right with him At stake was our eternal future and it still is *Bathsheba Survives* Sara M. Koenig,2018-11-15 A portrait of a biblical woman seen through the centuries as everything from adviser to temptress to victim Bathsheba is a mysterious and enigmatic figure who appears in only seventy six verses of the Bible and whose story is riddled with gaps But this seemingly minor female character who plays a critical role in King David s story has survived through the ages and her afterlife in the history of interpretation is rich and extensive In *Bathsheba Survives* Sara M Koenig traces Bathsheba s reception throughout history and in various genres demonstrating how she has been characterized on the spectrum from helpless victim to unscrupulous seductress Early Jewish

interpretations Koenig argues highlight Bathsheba's role as Solomon's mother and adviser while texts from the patristic era view her as a type of sinful flesh of the law or of the gentile church Works from the medieval period depict Bathsheba as a seductress who wants to tempt David with art embellishing her nudity while reformers such as Luther and Calvin treated Bathsheba in a generally critical light as indiscreet and perhaps even devious During the Enlightenment period Koenig claims Bathsheba was most frequently discussed in commentaries that used historical critical methods to explain her character and her actions Koenig then demonstrates how Bathsheba is understood in today's popular media as both seductress and victim being featured in novels films and in music from such artists as Leonard Cohen and Sting The minor enigmatic biblical character Bathsheba Koenig writes has survived through time by those who have received her and spoken about her in varying ways Though she disappears from the biblical text she resurfaces in thought and study and will continue to survive in the centuries to come

Reformation Letters Michael Parsons, 2018-05-29 *Reformation Letters* is a detailed look at John Calvin's letters which were mostly of a pastoral nature These were letters that define the Reformation and demonstrate Calvin's concerns his strengths and his weaknesses against the background of his own time and contemporaries Here we find Calvin on his own calling and exile from Geneva Calvin on marriage his own and others Calvin's prefatory letter to Francis I of France Calvin's letter to Sadoleto on the nature of the Reformation Calvin on Servetus and the reasons for his trial and execution for heresy and Calvin's letters to those facing death and persecution

The School of God Raymond A. Blacketer, 2007-04-03 Calvin's Old Testament Exegesis in Context Calvin in Context Jean Calvin the reformer and pastor of Geneva is renowned as one of the most important figures in what came to be known as the Reformed and Presbyterian branch of the Protestant Reformation Perhaps less well known is the fact that he devoted the bulk of his creative efforts to preaching lecturing and commenting on the Bible Calvin envisioned a program of reform in Geneva in which the Bible properly interpreted would shape the minds and morals of the Genevan populace The people of Geneva whom Calvin viewed as a precise spiritual reincarnation of the stiff-necked intractable Hebrews of the Old Testament were in need of some serious remedial education and it was his duty as their chief minister to provide the requisite training in doctrine and godliness Despite Calvin's emphasis on preaching and producing biblical commentaries however scholars have often portrayed him as a man of one book that one book being the Institutes of

the Christian Religion In so ing they have produced a one dimensional and consequently incomplete view of Calvin s theological work Scholars have tended to study Calvin s theology exclusively from the perspective of his Institutes without taking into account his work of biblical interpretation and preaching or the relationship of those efforts to the Institutes

The Jews and the Irrevocable Call of God in Reformed Theology from John Calvin to Thomas Torrance Mark J. Larson, 2025-08-05 There has been confusion in recent years concerning the teaching of classical Reformed thought regarding the Jews Replacement theology alleges that the Jews having rejected Christ are no longer special in the eyes of God Some have erroneously asserted that Calvin tends to supersessionism Due to distinctive hermeneutical commitments there has not been a monolithic Reformed point of view on all the details concerning the Jews in relationship to eschatology Significant Reformed theologians in continuity with early church fathers anticipated the return of the Jews to the land promised in the Abrahamic covenant along with a millennium centered in Jerusalem with Christ as king bringing justice and peace to the nations Calvin with his adherence to a metaphorical reading of Old Testament prophetic passages rejected such a prospect It has been a mainstay of Reformed doctrine however that the Jews have been given an irrevocable call and continue to be loved by God Calvin and his theological descendants have affirmed that the day will come when God will pour out the Spirit of grace upon his ancient people resulting in their national salvation Indeed the heart of God is reflected in every prayer that all Israel may be saved

The Theater of God's Glory W. David O. Taylor, 2017-08-21 A theological framework for the liturgical arts rooted in John Calvin Both detractors and supporters of John Calvin have deemed him an enemy of the physical body a pessimist toward creation and a negative influence on the liturgical arts But says W David O Taylor that only tells half of the story Taylor examines Calvin s trinitarian theology as it intersects his doctrine of the physical creation in order to argue for a positive theological account of the liturgical arts He does so believing that Calvin s theology can serve perhaps surprisingly as a rich resource for understanding the theological purposes of the arts in corporate worship Drawing on Calvin s Institutes biblical commentaries sermons catechisms treatises and worship orders this book represents one of the most thorough investigations available of John Calvin s theology of the physical creation and the promising possibilities it opens up for the formative role of the arts in worship

"The Netherlandish Image after Iconoclasm, 1566?672 " Mia M. Mochizuki, 2017-07-05 Debunking the myth of the stark white Protestant church interior this study explores the very objects and architectural additions that were in fact added to Netherlandish church interiors in the first century after iconoclasm In charting these additions Mia Mochizuki helps explain the impact of iconoclasm on the cultural topography of the Dutch Golden Age and by extension permits careful scrutiny of a decisive moment in the history of the image Focusing on the Great or St Bavo Church in Haarlem this interdisciplinary book draws on art history history and theology to look at the impact of iconoclasm and reformation on the process of image making in the early modern Netherlands The new objects that began to appear in the early Dutch Reformed Church signaled a dramatic change in the

form function and patronage of church art and testified to new roles for church government guild and resident Each chapter in the book introduces a major theme of the nascent Protestant church interior the Word made material the Word made memorial and the Word made manifest which is then explored through the painting sculpture and architecture of the early Dutch Reformed Church The text is heavily illustrated with images of the objects under discussion many of them never before published A large number of these images are from the camera of prize winning photographer Tjeerd Frederikse with additional photography courtesy of E A van Voorden This book unveils defines and reproduces a host of images previously unaddressed by scholarship and links them to more familiar and long studied Dutch paintings It provides a religious art companion to general studies of Dutch Golden Age art and lends greater depth to our understanding of iconoclasm as well as the way in which cultural artifacts and religious material culture reflect and help to shape the values of a community Taking up the challenge of an unusual category of objects for visual analysis this **Hope and the Longing for Utopia** Daniel Boscaljon, 2015-02-26 At present the battle over who defines our future is being waged most publicly by secular and religious fundamentalists Hope and the Longing for Utopia offers an alternative position disclosing a conceptual path toward potential worlds that resist a limited view of human potential and the gift of religion In addition to outlining the value of embracing unknown potentialities these twelve interdisciplinary essays explore why it has become crucial that we commit to hoping for values that resist traditional ideological commitments Contextualized by contemporary writing on utopia and drawing from a wealth of times and cultures ranging from Calvin's Geneva to early twentieth century Japanese children's stories to Hollywood cinema these essays cumulatively disclose the fundamental importance of resisting tantalizing certainties while considering the importance of the unknown and unknowable Beginning with a set of four essays outlining the importance of hope and utopia as diagnostic concepts and following with four concrete examples the collection ends with a set of essays that provide theological speculations on the need to embrace finitude and limitations in a world increasingly enframed by secularizing impulses Overall this book discloses how hope and utopia illuminate ways to think past simplified wishes for the future
