Servant King New Testament:

The Servant King New Testament Robert G. Paauw, 2004 *The Servant King* T. Desmond Alexander, 2003 We need to know who Jesus is But where can we turn to find out Many people look only to the New Testament for answers But reader of *The Servant King* will find that the Old Testament beginning with its very first pages paints a portrait of the Messiah the Saviour of the world where he will come from what he will be like and what he will do By the time we reach the New Testament much of the portrait has emerged so that the Jesus we encounter is not a stranger We are able to see like the first disciples that he is the Messiah already promised the Servant King With great skill Desmond Alexander helps us see the portrait's first brush strokes being laid down in Genesis and more being added as the Old Testament story unfolds Then as he guides us through the New Testament we discover how the portrait is completed revealing Jesus in all his glory This book brings the whole picture into view It helps us see who Jesus was where he stood in the plans of God and what he was sent to do If we read with care and faith *The Servant King* will help us enter the richness of God's Word and we will understand better not just who Jesus was but who he is today *The Servant King* is written with the sort of authority only a leading Old Testament specialist can command but its deep learning is not allowed to intrude and the book has all the charm and helpfulness of a piece of enthusiastic Bible study presented with freshness and accuracy Alec Motyer Trinity College Bristol T D Alexander PhD Queen's University Belfast is director of the Magee Institute for Christian Training at Union Theological College in Belfast Northern Ireland He is also the author of *Paradise to the Promised Land* **The Servant King** Larry Richards, 1976 **The King in His Beauty** Thomas R. The Holy Bible: Containing the Old and New Testaments: Translated Out of the Original Tongues, 1848

Israel and the Covenants in New Testament Times Peter Williams, 2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ's return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God's saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel

Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that The Holy Bible, Containing the Old and New Testaments; and the Apocrypha: with Marginal Marks Indicating the Proper Lessons, Etc ,1872 *Kingdom through Covenant (Second Edition)* Peter J. Gentry, Stephen J. Wellum, 2018-09-20 Kingdom through Covenant is a careful exposition of how the biblical covenants unfold and relate to one another a widely debated topic critical for understanding the narrative plot structure of the whole Bible By incorporating the latest available research from the ancient Near East and examining implications of their work for Christology ecclesiology eschatology and hermeneutics scholars Peter J Gentry and Stephen J Wellum present a thoughtful and viable alternative to both covenant theology and dispensationalism This second edition features updated and revised content clarifying key material and integrating the latest findings into the discussion

Supralapsarian Christology and the Progressive Work of Christ Thomas G. Doughty Jr., 2024-08-06 In *Supralapsarian Christology and the Progressive Work of Christ* Christus Dominus Thomas G Doughty Jr produces a fresh theological narrative presenting the work of Christ progressively Through both biblical and systematic theological lenses Christus Dominus explains how the incarnate Son of God accomplishes multiple benefits for humanity and the cosmos This model articulates a supralapsarian motivation for the incarnation of divine human co dominion but also accounts for the infralapsarian motivation of atonement for human sin In doing so Christus Dominus demonstrates that supralapsarian Christology is compatible with objective approaches to atonement showing also how penal substitutionary atonement fits within the more holistic motif of Christus Victor This book addresses weaknesses in infralapsarian Christologies which deem the incarnation primarily contingent on the human fall into sin By exploring God s creation intentions and his faithfulness to realize those intentions in the incarnate Christ through eschatological promises Christus Dominus encapsulates the biblical revelation relating the work of Christ to humanity s progressive vocation Then by drawing on the strengths of recent work of Christ frameworks the author systematically arranges an objective atonement model within that progressive work of Christ

Christus Dominus thus upholds the unique necessity of the crucifixion within a supralapsarian Christology as the incarnate Christ's work progressively unfolds
