Servant King:

The Servant King Larry Richards, 1976-10 **The Servant King** , *The Crucified King* Jeremy R. Treat, 2014-05-27

The kingdom of God and the atonement are two of the most important themes in all of Scripture Tragically theologians have often either set the two at odds or focused on one to the complete neglect of the other In *The Crucified King* Jeremy Treat demonstrates that Scripture presents a mutually enriching relationship between the kingdom and atonement that draws significantly from the story of Israel and culminates in the crucifixion of Christ the king As Israel s messiah he holds together the kingdom and the cross by bringing God s reign on earth through his atoning death The kingdom is the ultimate goal of the cross and the cross is the means by which the kingdom comes Jesus death is not the failure of his messianic ministry nor simply the prelude to his royal glory but is the apex of his kingdom mission The cross is the throne from which he rules and establishes his kingdom Using a holistic approach that brings together the insights of biblical and systematic theology this book demonstrates not only that the kingdom and the cross are inseparable but how they are integrated in Scripture and theology

The Royal Priesthood of the Faithful Cyril Eastwood, 2009-05-01 The present quickening of lay activity in the life of the church is regarded as one of the most significant developments in recent years What is the theology behind this development Is it new Is it true Is it biblical Is it supported by the early church fathers Is it a living issue today and is the church awakening to the real and practical significance of a doctrine which has been part of her faith from the beginning Such pertinent and far reaching questions are discussed in the book The author deals with the development of the doctrine of the royal priesthood of

the faithful showing that it is based on the Bible is strongly supported by the church fathers and is prominent in the writings of theologians of the Middle Ages While the neglect of the doctrine has adversely affected the life of the church the emphasis upon it in many centuries has prompted movements which have resulted in spiritual quickening intellectual renewal and new ventures in Christian service The Royal Priesthood of the Faithful is a dynamic formula of reform The true church is revealed as a consecrated interceding witnessing and serving priesthood of faithful people The rediscovery of this doctrine to which Luther gave a new name brought fresh life and new insights to the church in the sixteenth century It may be that in present circumstances in a different though no less needy world its message believed and applied may yet do the same again This book is a companion volume to Dr Eastwood s The Priesthood of All Believers which examines the doctrine from the Reformation to January of 1962 The two volumes together present a complete work on the meaning and history of the doctrine

King J. Aaron Gruben,2018-06-21 Kings stride in the mists of our imaginations and occupy a favored seat in our stories our histories and even our headlines But did you know that you are called by God to be kingly yourself The Bible teaches that Christ is our Great Prophet Priest and King and we as Christ s followers are called to imitate Him in these qualities This small volume which brings together riveting historical narratives and engrossing theological observations is a meditation on what our kingship under Christ means You will be challenged to imitate Christ s kingly characteristics and explore your role as a little king under the great King of kings

It's a Scandal! The Big Story Christopher Stone,2023-07-27 God has told us in many ways who He is who we are and why it matters that we know Him This study which is geared for the English as a second language community can be used by anyone who wants to move closer to the Lord The authors explore the big story in God s larger narrative The Big Story includes a ready made English learning curriculum that showcases Christ in the fullness of His glory through His person and work from the promises of the Old Testament In Luke 24 25 27 we are explicitly told that the Old Testament should be interpreted and understood in light of who Jesus is as the Son of God and Son of David and what He did in His life and death as well as in His resurrection and ascension We are witnesses not just of the New Testament words of Christ but the Old Testament words of Christ as well It is the preaching of Christ from the Old Testament through the light of the New Testament that touches hearts and changes lives

From Land to Lands, from Eden to the Renewed Earth Munther Isaac,2015-10-14 The land is an important theme in the Bible It is a theme through which the whole biblical history found in the Old and New Testaments can be studied and analyzed Looking at the land in the Bible from its beginnings in the garden of Eden this publication approaches the theme from three distinct perspectives holiness the covenant and the kingdom

Through careful analysis the author recognises that the land has been universalized in Christ as anticipated in the Old Testament and as a result promotes a missional theology of the land that underlines the social and territorial dimensions of redemption State and Government in Ancient India Anant Sadashiv Altekar,2002-04-01 *In the Bosom of Abraham* George R. Eves,2015-10-07 Read the Old Testament for the first time Again Experience it as an actual story for the first time This unique book takes the reader inside the biblical narrative for a fresh encounter with God s Word Often we read the Old Testament looking for how each event anticipates the Christ which is a bit like reading a detective novel knowing who done it all along Here each succeeding episode is allowed to speak on its own terms only building upon what has already happened just like any other story Along the way it will be demonstrated how each part of the biblical narrative embodies the three covenantal promises that God made to Abraham Land Many Descendants and a Blessing to All Nations In so doing the inherent narrative framework of the old old story is more fully exposed and the reader is rewarded with a new sense of its profound unity and divine inspiration **A Concordance of the Proper Names in the Holy Scriptures** Thomas David Williams,1923 *The Englishman's Hebrew and Chaldee Concordance of the Old Testament* George V. Wigram,1866

Travels with St. Mark: GPS for the Journey Eugene E. Lemcio,2012-09-25 Not a reference tool this unique work is a teaching learning guide to studying the earliest Gospel The focus is on showing how rather than on telling what Maps followed by leading questions and statements help both faculty and students to see how the Evangelist adopted and adapted his sacred texts as well as Jewish and Greco Roman resources in light of his convictions about and experience of Jesus Noticing the dominance of words and themes leads one to discover the primary concerns of the Author and his readers Observing how St Mark internally arranged his materials provides a clue as to the kind of work it is and how it was meant to function The Priesthood of All Believers and the Missio Dei Henry Joseph Voss,2016-10-25 The priesthood of all believers is a pillar undergirding Protestant ecclesiology Yet the doctrine has often been used to serve diverse agendas This book examines the doctrine s canonical catholic and contextual dimensions It first identifies the priesthood of all believers as a canonical doctrine based upon the royal priesthood of Christ and closely related to the believer s eschatological temple service and offering of spiritual sacrifices chapters 1 3 It secondly describes its catholic development by examining three paradigmatic shifts shifts especially associated with Christendom chapters 4 6 and a suppression of the doctrine s missional component Finally the book argues that a Christian doctrine of the priesthood of all believers should be developed with a Christocentric Trinitarian understanding of the missio Dei This suggests there are especially appropriate ways for the royal priesthood to relate to the Father to the Son and to the Holy Spirit A canonically and catholically informed priesthood of all believers leads contextually to particular ecclesial practices These seven practices are 1 Baptism as public ordination to the royal priesthood 2 Prayer 3 Lectio Divina 4 Ministry 5 Church Discipline 6 Proclamation and 7 the Lord s Supper as the renewal of the royal priesthood **Four Pillars of a Man's Heart** Stu Weber,2013-12-18 Building upon the Four Pillars of
